CERTIFICATION STATEMENT:

NECESSITY, FUNCTION, AND CONFORMITY: KRS 151B.017(4) requires the secretary of the Education and Labor Cabinet for the Commonwealth of Kentucky to promulgate administrative regulations that are necessary to implement programs mandated by federal or state law, or to qualify for the receipt of federal funds, and that are necessary to cooperate with other state and federal agencies for the proper administration of the cabinet and its programs. This administrative regulation establishes further guidance and clarification, in addition to the minimum federal requirements established in 34 C.F.R. 690, et seq., necessary for the operation of a Workforce Pell program.

Section 1. Definitions.

(2) "Credential competencies" ***means[are]*** the specific knowledge, skills, and abilities included in a credential.

(3) "High-skill occupation" means an occupation which requires technical or vocational training, related on-the-job experience, completion of an apprenticeship, or an associate's degree or higher.
