HB8 (BR424)/AA/FN - J. DuPlessis, S. Heavrin, C. Massey, S. Sheldon, J. Tipton

AN ACT relating to the Kentucky Employees Retirement System's employers, declaring an emergency, and making an appropriation therefor.
Amend KRS 61.565 to change the Kentucky Employees Retirement System's (KERS) nonhazardous actuarially accrued liability contribution (unfunded liability payment) that is payable by employers on or after July 1, 2021, from a value that is paid as a percent of pay on each employee to a set dollar amount; provide that the set dollar amount shall be allocated to each individual employer based upon the employer's percent share of the liability as of the June 30, 2019, actuarial valuation and shall be paid by employers in equal installments monthly; provide criteria for when adjustments to the dollar value and percent share may occur; provide that a single amount shall be determined for state agencies in the legislative, executive, and judicial branch who participate in KERS; provide that a KERS employer may charge the cost as a percent of pay for purposes of collecting contributions but shall be responsible to provide the full set dollar amount owed; provide that if a KERS employer merges, splits, separates, or establishes a new agency, the systems

shall have full authority to allocate the costs to any employer or entity that results from the split, separation, or establishment of a new agency; amend KRS 61.510 to modify the definition of “level percentage of payroll amortization method” to conform to the amendments in KRS 61.565; amend KRS 212.792 to specify the allocation of retirement costs as provided by the bill in the event an independent health district ceases to exist or has a county to withdraw from the district; provide that the Kentucky Retirement Systems shall amend the actuarial valuation in accordance with the amendments to KRS 61.565 in this Act and provide updated employer contributions to the Governor and General Assembly; APPROPRIATION; EMERGENCY.

HB8 - AMENDMENTS

HCS1/AA - Retain original provisions except to further amend KRS 61.565 and replace amendments to KRS 212.792 with a new section of KRS Chapter 212 to specify how Kentucky Employees Retirement System (KERS) retirement costs are allocated if a district health department ceased to operate or has a county or counties withdraw from the district; provide that the allocation of KERS costs shall be based upon the withdrawing county's proportion of taxable property in the district health department; require the Dept. for Public Health to provide certification of taxable property to the retirement system; provide that the Kentucky Retirement Systems (KRS) may allocate costs for any district health department who ceases to operate prior to the effective date of the Act. APPROPRIATION. EMERGENCY.

SCS1/AA/FN - Retain original provisions; amend KRS 61.565 to establish an appeals process beginning July 1, 2021, with a final determination by December 31, 2021, regarding the assignment of liabilities to each Kentucky Employees Retirement System (KERS) employer and any potential errors in assignment based upon the last participating employer or university employees who are providing services to the state through a contract between the university and the state; amend KRS 61.522 to provide that the discount rate for universities who voluntary cease participating in KERS with the soft freeze option and pay by lump-sum shall be 5.25%; amend KRS 61.675 to provide that if a KERS nonhazardous employer is delinquent for 90 days or more in making the required employer contributions on or after July 1, 2021, the systems: shall not allow future service credit accruals by the employer's employees until such time payments are up to date; may file action in Franklin Circuit Court to collect delinquent employer contributions; and shall notify the Finance & Administration Cabinet who may choose to withhold state appropriations to the employer until such time the contributions are made; create a new section of KRS 61.510 to 61.705 to: require certain quasi-governmental employers participating KERS to report the use of contracted or leased employees to the system and to require the system to report the compiled data annually to the state budget director and the Legislative Research Commission; provide system with authority to audit an employer to verify the use of contracted/leased employees; provide intent language that provides future appropriations to help subsidize retirement costs for these employers based upon process of bringing contracted/leased employees back into KERS; specify factors that may result in loss of subsidy; make technical and clarifying corrections.APPROPRIATION. EMERGENCY.

SFA1(W. Westerfield) - Amend to provide that if quasi-state government agencies in the Kentucky Employees Retirement System (KERS) receive a state subsidy to help pay retirement costs in FY 2021-2022, and the subsidy decreases in future fiscal years, their actuarially accrued liability contribution shall be reduced on a dollar for dollar basis and any resulting reduction shall be paid by the executive branch. APPROPRIATION. EMERGENCY.

SFA2(W. Westerfield) - Amend KRS 61.565 to provide that community mental health centers may appeal retirement costs assigned to them in the bill for situations where the centers have hired employees to provide services to the executive branch via a contract with the executive branch or are contracted to provide services at facilities previously operated by the executive branch. APPROPRIATION. EMERGENCY.

SFA3(C. McDaniel) - Amend KRS 61.565 relative to the appeals process for assigning liabilities to employers: provide that all employers, not just universities, may appeal retirement costs assigned to them in the bill for situations where the employers have hired employees to provide services to the executive branch via a contract with the executive branch or are contracted to provide services at facilities previously operated by the executive branch; provide that costs that shall be paid by the executive branch for these contracted employees shall begin July 1, 2022; require reporting to the Public Pension Oversight Board on the appeals process results; amend new section of KRS Chapter 61 (Section 7) regarding reporting and potential subsidies to certain quasi-state employers in the Kentucky Employees Retirement System (KERS) to adjust list of agencies who are exempt from potential subsidies to help pay retirement costs; provide that subsidies shall be offset by changes occurring in the appeal process in KRS 61.565; make technical amendments; EMERGENCY; APPROPRIATION.

AN ACT relating to the Teachers' Retirement System.
Create a new section of KRS 161.220 to 161.716 to permit the Teachers' Retirement System (TRS) to use and accept electronic signatures as deemed appropriate; amend KRS 161.220 to add anti-salary spiking measures to the definition of “final average salary" and provide noncodified language detailing that change shall not increase benefits or increase liability to the system; amend KRS 161.290 to require all public employers to grant paid leave to teacher trustees serving on the TRS board; amend KRS 161.310 to specify the types of remuneration included in retirement incentives, require that costs billed to employers for retirement incentives not be an obligation of the state, and specify that retirement incentives shall not increase final average salary or annual compensation; amend KRS 161.340 to add insurance to the items for which TRS may contract, delete the requirement for the procurement of fiduciary bonds for board trustees and the executive secretary, and authorize the board to expend funds as necessary for indemnification and self-insurance; amend 161.470 to specify when a member who leaves service prior to retirement is eligible for a refund and to make technical amendments; amend KRS 161.480 to automatically designate a TRS member's spouse as beneficiary for an active member's account balance upon employment until changed by the member and declare the member's spouse as beneficiary of the active member's account balance if all named beneficiaries predecease the active member or the member fails to designate a beneficiary; amend KRS 161.500 to specifically address service credit for contracts exceeding 185 days; amend KRS 161.515 to reference new retirement factors for out-of-state service purchases; amend KRS 161.540 to specify eligibility requirements for including annual leave credit in the retirement calculation for calendar-year contracts; amend KRS 161.545 to provide that full-time sabbatical leave by university staff participating in the TRS shall be deemed full-time employment for retirement purposes and require employee and employer contributions to be paid during the period of sabbatical leave; amend KRS 161.553 to adjust the cost schedules of providing statutory benefit improvements for annuitants; amend KRS 161.560 to adjust the methods by which participating employers file contribution data and set penalties for noncompliance; amend KRS 161.597 to require a refund of prior installment payments and a reduction in service credit for a member in default on installment payments; amend KRS 161.605 to provide that breaks in service are required before returning to work for the employer even if in a position not covered by TRS, begin running of breaks in service from date of retirement, prohibit prearranged agreements between a retiring member and employer for a member to return to work after retirement and require certification thereof, and require retired members returning to work for state-supported universities and community colleges to comply with the separation-from-service requirements; amend KRS 161.612 to reduce the $500 minimum monthly disability benefit dollar-for-dollar by benefit payments from all state-administered retirement systems for part-time employees and substitute teachers participating in TRS who apply for disability benefits on or after July 1, 2021, and specify that part-time employees and substitute teachers are not eligible to apply for a disability retirement allowance if they are eligible for an unreduced retirement benefit; amend KRS 161.614 to include mediation awards as a method that may be binding for the adjustment of a member’s account; amend KRS 161.620 to specify that partial years qualify a member for 3% retirement factor in excess of 30 years as authorized by the TRS board; amend KRS 161.643 to authorize TRS to require more frequent submission of reports and other data by participating employers who employ retired members of the system; amend KRS 161.630 to distinguish that a member may cancel "indefinitely" continuing spousal benefits upon divorce, annulment or marriage by exercising the pop-up option; amend KRS 161.650 to automatically designate a TRS member's spouse as beneficiary for a retired member's remaining account balance at the time of death unless changed by the member and declare the member's spouse as beneficiary of the retired member's remaining account balance if all named beneficiaries predecease the retired member or the member fails to name a beneficiary for the account balance; amend KRS 161.655 to automatically designate a TRS member's spouse as beneficiary for the life insurance benefit available to active and retired members unless changed by the member, and to declare the member's spouse as beneficiary of the life insurance benefit available to active and retired members if, upon the death of the member, all named beneficiaries predecease the member or the member fails to name a beneficiary; amend KRS 161.661 to provide that members who begin participating on or after July 1, 2021, shall not be eligible for a disability benefit if they are eligible for any unreduced benefit and that they shall have their $500 minimum monthly disability benefit reduced dollar-for-dollar by benefit payments from all state-administered retirement systems; and amend KRS 161.680 to detail the system's authority to collect overpayments.
