Disclaimer: Incentive information provided in the Kentucky Financial Incentives Project Database (the Database) pertains to all projects approved for incentives by either the Kentucky Economic Development Finance Authority (KEDFA) or the Bluegrass State Skills Corporation (BSSC), which are active as of January 1, 2008 through the present. Active projects are those that have received preliminary or final approval and are being monitored for compliance. Projects that were active as of January 1, 2008, but have become inactive since that date will also be included in the Database.

Project information contained in the database is based on estimates and projections provided by the incentive recipients prior to project completion. While recipients are required to meet statutory minimum standards for jobs and wages (KRS Chapter 154), they are not always legally bound to meet their own projections, which often far exceed the statutory minimums. Recipient projections and estimates are neither confirmed nor updated in this database during the life of the project. The project status is subject to change during the life of the project based upon actions of KEDFA/BSSC or the recipient.

The information provided in the Database is believed to be accurate, but is not warranted and is for informational purposes only. While all attempts are made to insure the correctness and accuracy of information in this database and to make corrections brought to our attention, no representation or guarantee, expressed or implied, is made as to the accuracy of the information presented.
