RE: Government Resources Accelerating Needed Transformation (GRANT) Program of 2024

Dear Senator McDaniel and Representative Petrie:

Pursuant to KRS 154.14, the Cabinet for Economic Development is required to submit a monthly report to the Interim Joint Committee on Appropriations and Revenue and the Governor about each match applicant for the Government Resources Accelerating Needed Transformation (GRANT) Program of 2024.

The GRANT Program of 2024 monthly report for the period from March 1, 2025 through March 31, 2025 along with the following data is attached as follows:

- Detailed report of applicants approved for obligated funds
- Individual project reports for each approved application
- Detailed report of applicants where funds were recaptured
- Detailed report of disbursements for approved projects

Please contact me at (502) 782-1987 if there are any questions regarding this report.

Sincerely,

Katie Smith
Deputy Secretary & Commissioner
Department for Financial Services

Project Description: The funds will be used to hire a consulting firm to study whether there is a need for an additional interchange on I-165 in southern Daviess County. If the study finds a need, it will identify which location (or locations) would be the best choice. The consultant will look at traffic data, land use, and will gather public input as part of the process. This study will help the County minimize financial risk by assessing the best options and needs before infrastructure improvement is made. If the study shows that an additional interchange is needed, the community will benefit greatly from the right number and location of interchanges being added.
