Senator Christian McDaniel, Co-Chair
Representative Jason Petrie, Co-Chair
Interim Joint Committee Appropriations & Revenue
Legislative Research Commission
Capitol Annex Building
Frankfort, Kentucky 40601

RE: Government Resources Accelerating Needed Transformation (GRANT) Program

Dear Senator McDaniel and Representative Petrie:

Pursuant to KRS 154.14, the Cabinet for Economic Development is required to submit a monthly report to the Interim Joint Committee on Appropriations and Revenue and the Governor about each match applicant for the Government Resources Accelerating Needed Transformation (GRANT) Program.

The GRANT Program monthly report for the period from January 1, 2026, through January 31, 2026, along with the following data is attached as follows:

- Detailed report of applicants approved for obligated funds
- Individual project reports for each approved application
- Detailed report of applicants denied
- Detailed report of applicants where funds were recaptured
- Detailed report of disbursements for approved projects

Please contact me at (502) 782-1922 if there are any questions regarding this report.

Sincerely,

A handwritten signature in blue ink that reads "Kylee Palmer".

Kylee Palmer
Deputy Commissioner
Department for Financial Services

cc: Jennifer Hays, LRC
Matthew Wingate

**CABINET FOR ECONOMIC DEVELOPMENT
GOVERNMENT RESOURCES ACCELERATING NEEDED TRANSFORMATION
(GRANT) PROGRAM PROJECT REPORT**

Application Date: January 1, 2026
Applicant: Louisville & Jefferson County Metropolitan Sewer District
Organization Type: Subdivision of City/County

Federal Application Information:

Application Sponsor: U.S. Environmental Protection Agency
Application Program: Nonpoint Source Implementation Grant
ALN: 66.460
Application Deadline: February 1, 2025
Match Funding Required by Federal Program: Yes

Federal Funds Being Requested: \$120,000
Expected Award Decision Date: May 5, 2025
% Required: 40%
\$ Required: \$80,000

Project Information

Project Title: Middlefork Beargrass Creek Tree Boxes
Location (city): Louisville
Regional Project? No
Impact County? No
Participating counties: Jefferson
FI Number: 120419
Location (county): Jefferson
Estimated Begin Date: February 1, 2026
Estimated End Date: September 30, 2029

Project Description: The Louisville & Jefferson County Metropolitan Sewer District is requesting GRANT program funding to support the Middle Fork Beargrass Creek Tree Boxes Project. The project would evaluate potential locations and install up to 14 tree boxes in the Cherokee Triangle neighborhood. This area is part of the Lexington Road sub watershed, which was identified as one of the three priority sub watersheds in the Middle Fork Watershed Plan. The use of green infrastructure like tree boxes utilizes the trees' ability to uptake and treat stormwater while improving water quality, enhancing biodiversity, mitigating urban heat, and providing social benefits like increased awareness of the value of stormwater treatment.

Eligible Uses to occur at the Project:

Enhance economic vitality, including revitalization of structures with a public purpose or benefit
Improve traditional infrastructure
Provide facilities and activities for local residents that enhance quality of life.

Project Title: Crafting the Future: An Arts and Tourism Ecosystem for the Kentucky River Valley
FI Number: 120448
Location (city): Hindman
Location (county): Knott
Regional Project? Yes
Participating counties: Knott, Perry
Impact County? Yes
Estimated Begin Date: May 1, 2026
Estimated End Date: April 30, 2028
Project Description: Crafting the Future Project plans to revitalize downtown Hindman, strengthen regional creative arts and establish the Kentucky River Valley as a premier tourism destination. The project will utilize funding for new staff capacity, beautification mini-grants, and infrastructure improvements. It will build regional tourism capacity via a shared Tourism Director, coordinated marketing, and utilizing a community tourism bus linking sites across two counties. These efforts will create and maintain jobs and create business opportunities, bringing much-needed capital and tourism revenue into the region.

Eligible Uses to occur at the Project:

Enhance economic vitality, including revitalization of structures with a public purpose or benefit
Promote or Develop an artistic or philanthropic purpose
Enhance development of previously mined areas or areas previously used by the coal industry and other industrial activities into uses that diversify the local economy
Preserve or enhance buildings that are of local historic or economic interest
Restore or create retail facilities, including related service, parking and transportation facilities, to revitalize decaying downtown areas
Provide facilities and activities for local residents that enhance quality of life.

Transformation Disaster Resilience and Economic
Project Title: Renewal in Eastern Kentucky
Location (city): Booneville
Regional Project? Yes
Impact County? Yes
Participating counties: Elliott, Lee, Menifee, Owsley, and Wolfe
FI Number: 120423
Location (county): Owsley
Estimated Begin Date: February 1, 2026
Estimated End Date: February 1, 2029
Project Description: The Kentucky Educational Development Corporation (KEDC) is leading a regional initiative to strengthen disaster resilience and economic recovery in five hard-hit eastern Kentucky counties: Elliott, Lee, Menifee, Owsley, and Wolfe. These counties endured multiple federally declared disasters in 2023-2024, with per-capita damages among the highest in the state. Frequent outages, high poverty, and decades of job loss from coal's decline have left schools, businesses, and families vulnerable. The project will establish five Community Resilience Hubs, each anchored at a local school facility that serves as both an emergency shelter and the county's largest employer.

Eligible Uses to occur at the Project:

Enhance economic vitality, including revitalization of structures with a public purpose or benefit
Improve traditional infrastructure
Preserve or enhance buildings that are of local historic or economic interest
Construct or expand other facilities that promote or enhance economic development or tourism opportunities
Provide facilities and activities for local residents that enhance quality of life.
Other: Integrate disaster resilience technologies (GeoSync mapping, Early Default Decision, resilient energy systems) and expand workforce training programs in aviation, healthcare, education, construction, heavy equipment

Participating counties: Warren
FI Number: 120413
Location (county): Warren
Estimated Begin Date: July 1, 2026
Estimated End Date: July 1, 2028

Project Description: This project will construct nearly 2,300 linear feet of new 8-foot concrete greenway along Bryant Way to connect to both Scottsville Road and Ken Bale Boulevard, filling a key gap in the ongoing project to complete a pedestrian loop around the City. The greenway will be installed on the southern side of Bryant Way and the City will also install two new crosswalks to provide a safe crossing on Scottsville Road, a key commercial artery in the City and the busiest road within City limits according to KYTC traffic counts. By connecting to Ken Bale Boulevard, the Bryant Way Greenway also creates a link to the existing pedestrian path to the north along Lover's Lane, home to medical facilities, multi-family residential developments, parks, businesses and schools.

Eligible Uses to occur at the Project:

Improve traditional infrastructure
Create or expand recreational facilities
Construct or expand other facilities that promote or enhance economic development or tourism opportunities
Provide facilities and activities for local residents that enhance quality of life.

Location (county): Warren
Estimated Begin Date: January 1, 2026
Estimated End Date: December 31, 2026
Project Description: The City of Bowling Green is requesting funds to construct nearly 3,500 linear feet of new sidewalks within the city limits of Bowling Green. The project features the construction of a five-foot sidewalk on the west side of KY 884 Three Springs Road, stretching from Wheatstone Avenue to the entrance of Fieldstone Farms and a five-foot sidewalk on Fieldstone Blvd. from Three Springs Road into the existing sidewalk in the Fieldstone Neighborhood.

Eligible Uses to occur at the Project:

Improve traditional infrastructure
Create or expand recreational facilities
Construct or expand other facilities that promote or enhance economic development or tourism opportunities
Provide facilities and activities for local residents that enhance quality of life.
