Re: Renewable Chemical Production Tax Credit Approved During the year ended December 31, 2024

In accordance with KRS 141.4231(4)(a), please accept this report of activity as required by statute. Specifically, the statute requires the Department of Revenue in cooperation with the Department of Agriculture to provide information on a cumulative basis for each taxable year a report describing the activities of the Renewable Chemical Production Tax Credit to the Interim Joint Committee on Appropriations and Revenue. In 2022, one taxpayer was certified for Renewable Chemical Production tax credits. No renewable chemical production tax credits have been claimed on income tax returns filed to date.
