

Pretrial Housing Study

As part of the most recent Budget Bill, all county jails are required to submit information to assist with a statewide Pretrial Housing Study. Please answer the following questions to the best of your ability. Only provide data related to defendants **charged** with the following offenses during the 2024-2025 fiscal year:

Capital crime

Capital crime with aggravators

Class A felony

Class B felony sex offense

If your facility has not housed individuals with any of these charges during the timeframe, you may indicate that in the applicable questions.

Timeframe covered: July 1, 2024 – June 30, 2025

Your responses will be used to fulfill the reporting requirements outlined in Section (4) of the Budget Bill.

* Indicates required question

1. **Name of Facility ***

2. **Your Name and Title ***

3. **Contact Email**

The following questions pertain to the following offense types:

- Capital crime
- Capital crime with aggravators
- Class A felony
- Class B felony sex offense

4. **During the 2024–2025 fiscal year, has your jail housed anyone charged with the following offenses? (Check all that apply)**

Check all that apply.

- ☐ Capital crime
- ☐ Capital crime with aggravators
- ☐ Class A felony
- ☐ Class B felony sex offense
- ☐ None of the Above

5. **If yes, estimate the average daily cost to house a person with one of these charges in your jail.**

Example: \$48.75 per day

6. **Provide the total number of inmates your jail housed this fiscal year with any of the above listed offense types.**

Capital Crime

Please give the **average number of days** these individuals were held in your jail during each time period listed below. If you do not track this level of detail, you may skip or estimate if possible.

7. **Capital Crime** - Average number of days an offender stayed in jail before they were sentenced.

8. **Capital Crime** - Average number of days an offender stayed in jail from their first court appearance in District Court until their first court appearance in Circuit Court.

9. **Capital Crime** - Average number of days an offender stayed in jail from their first court appearance in Circuit Court until they were found guilty and sentenced.

Capital Crime with Aggravators

Please give the **average number of days** these individuals were held in your jail during each time period listed below. If you do not track this level of detail, you may skip or estimate if possible.

10. **Capital Crime with Aggravators** - Average number of days an offender stayed in jail before they were sentenced.

11. **Capital Crime with Aggravators** - Average number of days an offender stayed in jail from their first court appearance in District Court until their first court appearance in Circuit Court.

12. **Capital Crime with Aggravators** - Average number of days an offender stayed in jail from their first court appearance in Circuit Court until they were found guilty and sentenced.
-

Class A Felony

Please give the **average number of days** these individuals were held in your jail during each time period listed below. If you do not track this level of detail, you may skip or estimate if possible.

13. **Class A Felony** - Average number of days an offender stayed in jail before they were sentenced.
-

14. **Class A Felony** - Average number of days an offender stayed in jail from their first court appearance in District Court until their first court appearance in Circuit Court.
-

15. **Class A Felony** - Average number of days an offender stayed in jail from their first court appearance in Circuit Court until they were found guilty and sentenced.
-

Class B Felony Sex Offense

Please give the **average number of days** these individuals were held in your jail during each time period listed below. If you do not track this level of detail, you may skip or estimate if possible.

16. **Class B Felony Sex Offense** - Average number of days an offender stayed in jail before they were sentenced.
-

17. **Class B Felony Sex Offense** - Average number of days an offender stayed in jail from their first court appearance in District Court until their first court appearance in Circuit Court.
-

18. **Class B Felony Sex Offense** - Average number of days an offender stayed in jail from their first court appearance in Circuit Court until they were found guilty and sentenced.
-

POTENTIAL COST IMPACT IF INMATES WERE MOVED TO STATE PRISON AFTER 60 DAYS

19. If defendants with these charges were moved to state custody 60 days after their Circuit Court arraignment, would this result in any of the following for your jail?

Check all that apply.

- ☐ Cost savings (e.g., less time housing high-cost inmates)
- ☐ Loss of revenue (e.g., reduced per diem or reimbursements)
- ☐ Additional costs (e.g., transport, staffing, administrative burden)
- ☐ No significant impact
- ☐ Unsure

20. Please briefly explain any projected cost savings, revenue loss, or added costs you anticipate if these inmates were moved to state custody after 60 days.

Example: "We would lose approximately \$55 per day per inmate in per diem but would reduce medical costs."
