Dear Chairmen:

The 2024 General Assembly passed HB6 directing the Department of Kentucky State Police to prepare a report detailing by county, the number of leases contracted, the cost of each lease, and the number of leases yet to be contracted for the Kentucky Emergency Warning System. The report is to be delivered on a quarterly basis beginning November 1, 2024. Following is the second quarterly report for fiscal year 2025.

Approximately 79 of the 91 current leases require renewal within the next biennium, with most expiring in SFY26. Additionally, new leases will be established for sites necessary to access and construct new towers in Phase 2 and Phase 3 of the ongoing KY SERVS project, which will significantly improve communication capability statewide for all law enforcement. These leases are not included on the attached list and will be added as they are established.

Attached are the KEWS leases by expiration and by county.

Sincerely,  

Col. Phillip Burnett, Jr.  
Commissioner
