A Report to the Interim Joint Committee on  
Appropriations & Revenue  
November 1, 2024

## About the Council

The Council on Postsecondary Education (CPE) is Kentucky's higher education coordinating agency committed to strengthening our workforce, economy and quality of life. The Council achieves this by guiding the continuous improvement and efficient operation of a high-quality, diverse and accessible system of postsecondary education.

Key responsibilities include:

- Developing and implementing a strategic agenda for postsecondary education that includes measures of progress.
- Producing and submitting a biennial budget request for adequate public funding of postsecondary education.
- Determining tuition rates and admission criteria at public postsecondary institutions.
- Collecting and distributing data about postsecondary education performance.
- Ensuring the coordination and connectivity of technology among public institutions.
- Licensing non-public postsecondary institutions to operate in the Commonwealth.

# The Charge

The 2024-2026 Executive Branch Budget Bill, House Bill 6, Section J.1. (10) states that “(t)he Council on Postsecondary Education (CPE) shall submit a report to the Interim Joint Committee on Appropriations and Revenue detailing a timeline for the conclusion of their oversight of Kentucky State University (KSU) by November 1, 2024.

# Background

House Bill 250 (2022 Regular Session) charges CPE with the creation and oversight of a management improvement plan (Plan) for KSU designed to assist with organizational and financial stability that includes eight areas encompassing virtually all aspects of institutional operations and including the development of an online curriculum with the intent of offering bachelor’s and master’s degrees online. The legislation requires that the Plan include specific, measurable goals, objectives, and benchmarks for each of the improvement areas; a process for monitoring and evaluating Kentucky State University’s progress toward meeting the goals, objectives, and benchmarks; and the terms and conditions for the termination of the Plan.

The Plan was adopted by the Council on October 31, 2022, and submitted to the Legislative Research Commission on November 1, 2022, per the HB 250 directive. CPE contracted with Moss Adams to evaluate KSU’s performance throughout CPE’s oversight and to make recommendations on the university’s governance structure. Moss Adams provides CPE with quarterly reports of KSU’s progress toward meeting the goals and objectives of the Plan. The Plan has been modified several times in the interim, and the current version was adopted on June 21, 2024.

# Next Steps

The attached current version of the Plan provides a timeline for completion of all outstanding deliverables on a quarterly basis ending June 30, 2025. Monthly financial deliverables outlined in the attached will continue to be monitored until the end of August 2025.

Moss Adams has conducted two site visits to KSU, most recently on October 9, 2024. They will conduct another visit in April or March of 2025 to gather evidence of completion of final deliverables. If necessary, an additional visit will be scheduled to assist in the completion of Moss Adams' final report, due to CPE on September 15, 2025. In accordance with HB 250, CPE shall provide a three-year performance analysis of Kentucky State University based on the Plan to the Interim Joint Committee on Education, the Interim Joint Committee on Appropriations and Revenue, and the State Auditor of Public Accounts, due November 1, 2025.

The analysis shall include recommendations for a transition plan to a new governance and operational structure for the institution for consideration by the General Assembly if the analysis finds a continuing, significant lack of efficiency and effectiveness in the governance and administration of KSU. The General Assembly may extend CPE's oversight of KSU beyond 2025 upon CPE's recommendation.

CPE's recommendation on continued oversight of KSU and any transition to a new governance and operational structure will depend on the ability of KSU to complete the goals and objectives of the Plan, particularly those in the accounting and financial monitoring and reporting areas. Over the remainder of fiscal year 2025, CPE will continue to provide KSU with assistance and support while it monitors KSU's progress.
