

KENTUCKY INFRASTRUCTURE AUTHORITY

Andy Beshear
Governor

100 Airport Road
Frankfort, Kentucky 40601
(502) 573-0260

Sandy Williams
Executive Director

November 1, 2022

The Honorable Senator Christian McDaniel, Co-Chair
The Honorable Representative Jason Petrie, Co-Chair
Interim Joint Committee Appropriations and Revenue
Legislative Research Commission
Capitol Annex Building
Frankfort, Kentucky 40601

Dear Senator McDaniel, Representative Petrie, and Members of the Interim Joint Committee Appropriations and Revenue:

In accordance with the provisions of the Acts of the 2022 Regular Session, Chapter 199, Part 1, (A)(5)(1), the Kentucky Infrastructure Authority (the "Authority") is reporting the list of qualifying applications, grouped by county, for the Drinking Water and Wastewater Grant program – Round 2. The list represents project applications received through October 14, 2022 totaling \$217,200,881. Counties submitting applications after October 14, 2022 will be shown on the Authority's website at <https://wris.ky.gov/portal/cwp>. The remaining \$32,724,119 of appropriated funding represents full allocations to 18 counties and a partial allocation to 1 county.

Each county's allocation was determined by each county's proportion of the state's population from the 2020 Census, with the exception of Jefferson County's share, which was discounted by 50 percent based on the high per capita allocation from the Local Fiscal Recovery Fund of the American Rescue Plan Act of 2021. The allocation by county served as a funding cap for projects within that county. No county's share shall be reallocated unless by express authority of the General Assembly.

The Authority requested local consensus for the projects submitting an application for funding.

Please contact me if there are any questions or should your staff require additional information.

Sincerely,

A handwritten signature in blue ink that reads "Sandy Williams".

Sandy Williams,
Executive Director
