RE: Kentucky Lottery FY2022 Annual Report

Dear Ms. Glass:

As we navigate through a time of economic uncertainty and increased competition, the Kentucky Lottery has once again delivered tremendous results. I'm proud to provide you with our FY2022 Annual Report.

For the 11<sup>th</sup> consecutive year, the sales record for the Kentucky Lottery was broken, and for the 6<sup>th</sup> consecutive year, sales exceeded a billion dollars.

Lottery sales in FY22 were \$1,676,502,000. This was a 5.7% increase from the previous year, with \$90.2 million in additional sales over FY21. These sales led to cash transfers to the Commonwealth of \$360.8 million. This is \$6.1 million or 1.7% more than FY21.

We at the Kentucky Lottery are proud of our FY 2022 accomplishments, and we are looking forward to more great things in FY 2023!
