There is no change in the scope of work or award amount.
				Effective Date: September 8, 2021 Expiration Date: June 30, 2023 Amended Scope of Work: Due to pandemic supply chain related delays, the Project Period of Performance will be extended to June 30, 2023. There is no change in the scope of work or award amount. Deliverables/Scope of Work: The Sub-recipient shall utilize grant funding for the purchase and installation of an integrated video surveillance cameras and related equipment to provide comprehensive coverage of the maintenance yard, the installation of bollards to protect the playground and street level classroom area, and contracted security personnel for the Jewish Community of Louisville, 3600 Dutchmans Lane, Louisville, KY. Per the 2020 Nonprofit Security Grant Program Notice of Funding Opportunity (NOFO), "the nonprofit must be able to sustain this capability in future years without NSGP funding, a sustainment plan will be required as part of the grant closeout package for any award funding this capability. The subrecipient may not use more than 50% of their award to pay for personnel activities unless a waiver is approved by FEMA." Nonprofit organizations may use up to 5% of their award amount for M & A purposes associated with the activities directly related to the management and administration of the award. For contracted security personnel and M & A personnel cost, the subrecipient will be required to submit payment documents (at the time of reimbursement), that include the hourly/daily rate, the number of hours/days worked, and a brief description of the work activities during the period of performance. Changes to the approved scope of work will require approval by KOHS and re-evaluation by SHPO and FEMA for EHP compliance. See the MOA Template for a complete description of M & A guidance.
