| | | | | Special Conditions: |
| | | | | If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery will stop immediately and all reasonable measures to avoid or minimize harm to the finds will be taken. The subrecipient will ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries. The subrecipient's contractor will provide immediate notice of such discoveries to the applicant. The subrecipient shall contact the Kentucky Heritage Council Site Protection Program and FEMA-R4EHP@fema.dhs.gov within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary. If unmarked human remains are encountered during permitted activities; all work shall stop immediately. |
| | | | | Installation must correspond with the EHP scope of work approved by the State Historic Preservation Office (SHPO) and the Federal Emergency Management Agency (FEMA). Any changes to the approved scope of work will require re-evaluation by the Kentucky Office of Homeland Security, SHPO, and FEMA. Read the EHP Completion Letter for complete guidance. |

Expiration Date: June 30, 2026

The City of Jackson shall use grant funds for the purchase and installation of a generator and other related items as requested in application 23-056.

Special Conditions:

- The subgrantee must coordinate with the local floodplain administrator and obtain required permits from the appropriate agencies prior to initiating work. All coordination pertaining to these activities and subgrantee compliance with any conditions should be documented and copies forwarded to the state and FEMA for inclusion in the permanent project files.
- The facility and all its attendant utilities are supporting a critical action and must be protected to the 500-year (0.2% annual chance) flood elevation. All new construction associated with the project must be protected to the 500-year flood elevation. The Subgrantees must submit documentation to FEMA upon closeout documenting compliance with this condition. Please contact your local floodplain administrator to verify this project is compliant with all local floodplain laws and ordinances.

Any change to this scope of work must be approved by the Kentucky Office of Homeland Security Grants staff.

| <p>Woodford County Fiscal Court 103 S MAIN ST ROOM 201 VERSAILLES, KY 40383</p> | <p>SC,094,2300001127,2</p> | <p>01/19/2023 06/30/2025</p> | <p>50,000.00</p> | <p>The reason for the modification is to change the Scope of Work to include the purchase of equipment due to a cost savings encountered during the planning of the training courses, and to extend the Period of Performance to complete the Scope of Services. No change will be made to the monetary award.</p> | <p>Period of Performance Effective Date: 1/19/2023 Expiration Date: 6/30/2025 Scope of Work: The Woodford County Fiscal Court shall use grant funding to host and facilitate a statewide training event utilizing FEMA's Community Emergency Response Team (CERT) Train-the-Trainer Course E0428 and CERT Program Manager Course E0427 as proposed in grant application 22-180. In addition, grant funds shall be used to purchase a fuel trailer as proposed in the grant application 24-045. The fuel trailer will allow Woodford County government departments to refuel backup generators at critical infrastructure site locations by transporting fuel from the existing bulk tank when responding to terroristic and all hazard threats and disasters. to overcome the logistic problems with refueling backup generators located at critical infrastructure site locations. The fuel trailer will enhance logistics, supply chain management, and core capabilities that are within the parameters of FEMA's National Priority Community Preparedness and Community Resilience.</p> <p>Training Deliverables: 1) Contract Emergency Management Institute approved instructors and travel. 2) Obtain course material for students to include instructor/student manuals and kits. 3) Coordinate central lodging per diem for the training participants. 4) Develop an enrollment application. 5) Develop a guide for the training program. 6) Provide project status updates to KOHS personnel.</p> <p>Any change to this approved scope of work will require approval from the KY Office of Homeland Security's Grants Management Staff.</p> |
