Re: Seventh Report of the Public Protection Cabinet

Dear Committee Members:

In discharge of the requirements imposed upon the Public Protection Cabinet by Senate Bill 99 of the 2023 Regular Session of the Kentucky General Assembly, please find attached one spreadsheet containing information required to be disclosed to the Interim Joint Committee on Appropriations and Revenue. As with our prior production, certain information obtained from the Federal Emergency Management Agency ("FEMA") has been redacted in order to comply with the data sharing agreement between FEMA and PPC.

Please note, due to an outage in the eMars system, we are not able to produce a report for the Team Western Kentucky Tornado Relief Fund. It is my understanding that the system will regain its full functionality soon, and as soon as I am able to provide a supplemental report regarding the Tornado Relief Fund, I will do so.

If I may be of additional assistance, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Walbourn", written over a white background.
