Dear Senator McDaniel, Representative Petrie, and Members of the Committee:

Pursuant to Senate Bill 150 from the 2021 Regular Session, the Office of State Budget Director is submitting the monthly report for the West Kentucky State Aid for Emergencies (SAFE) fund for activity through April 2022.

Due to the helpful changes that were made to Senate Bill 150, many of the original applications are in the process of being modified by the applicants. Due to that circumstance, a list of all requests will be forthcoming in the May 2022 monthly report. At this point, no request has yet been denied.

The information for each recipient of the SAFE fund to-date is attached.

If you need further information, please contact this office.

Sincerely,

A handwritten signature in cursive script that reads "John T. Hicks".

John T. Hicks
State Budget Director
