

Senator Boswell inquired about school districts property tax changes during the October 18, 2023 Interim Joint Committee meeting on Appropriations and Revenue.

Chay Ritter provided the following information in response to this request:

The attached spreadsheet provides information as requested by Senator Boswell on two separate sheets. For clarification, the first sheet shows which school districts increased the real estate tax rate from when comparing FY 22 and FY 23. The second sheet shows which districts exceeded the 4% tax rate in FY 23.

As of October 10, 2023, the Kentucky Board of Education has approved 140 tax rates for the current fiscal year, 2024. The remainder will be submitted for approval in the upcoming board meetings. Further information regarding these tax rates may be seen at the links below:
