

# THE GATTON ACADEMY

## of Mathematics and Science

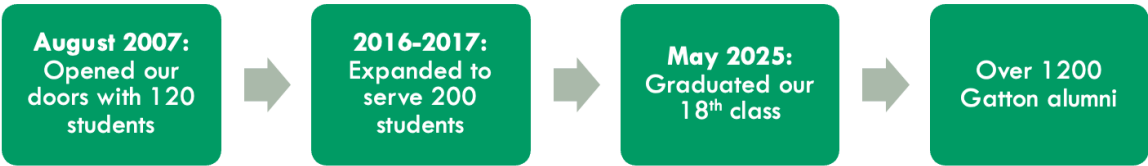

Lynette Breedlove, Ph.D.  
 Director, The Gatton Academy  
 lynette.breedlove@wku.edu

The Gatton Academy is a two-year residential program serving high-ability students in Kentucky who are interested in Science, Technology, Engineering, and Math. Over the course of 18 graduating classes and 1200+ alumni, Gatton has a well-documented history of providing an elite education and pathway to success for Kentucky’s best and brightest.

## ALUMNI

**87% pursue STEM-related careers after Gatton vs. only 22.6% of US college students in STEM**

National Science Board, 2012

## VISION

The Gatton Academy is a global leader in education, preparing Kentucky students for tomorrow's STEM careers and infinite possibilities. Gatton is well-positioned to lead the expansion of advanced academic opportunities across the state for younger students and students not ready to leave home early for college.
