REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the standards for a school and district report card.

(b) The necessity of this administrative regulation:: KRS 158.6453 (17) requires the Kentucky Board of Education to promulgate an administrative regulation to define the implementation and the components of a school and district report card that clearly communicates with parents and the public about school and district performance.

(c) How this administrative regulation conforms to the content of the authorizing statute: This administrative regulation provides information necessary for the state report card program The

regulation relates to the reporting requirements of KRS 158.6453, KRS 158.6455 and the requirements of 20 U.S.C. 6311(h).

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation provides requirements for school and district report cards.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendments align the school and district report cards to the new federal and state requirements. It also adds a new section on communication around federal and state school accountability classifications.

(b) The necessity of the amendment to this administrative regulation: The amendment aligns the school and district report card program to federal and state guidelines.

(c) How the amendment conforms to the content of the authorizing statute: The amendment provides information necessary for the report card program. The amendment relates to reporting data from requirements of KRS 158.6453, KRS 158.6455 and the Every Student Succeeds Act of 2015.

(d) How the amendment will assist in the effective administration of the statutes: The amendment will provide definitions and components required in the school and district report card.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: All public school districts in Kentucky and supporting staff at the Kentucky Department of Education.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including: The regulation will impact schools and districts by providing school and district report card requirements.

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Schools and school districts will have to verify information and data in the report cards for accuracy. In addition, schools will have to place the accountability ratings in a prominent location in the school building, or hold an advertised public meeting to discuss the school's accountability rating, plan for sustainability or improvement. In addition, each school shall provide a written or electronic form of communication that states the accountability rating, which includes star ratings, program offered, and a link to the school report card.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): Amendments to the regulation may impact school budgets. Schools may be responsible for printing and mailing costs associated with written notifications to parents and guardians, along with minimal costs associated with displaying accountability classifications in a prominent location. The Kentucky Department of Education will provide templates to districts as guidance for the letters and displays.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): Kentucky schools and districts will have a clear communication tool on academic performance, educational opportunities, transition readiness, school accountability, school safety and financial transparency.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: Additional costs are not anticipated.

(b) On a continuing basis: Additional costs are not anticipated. Only costs for the KDE to continue to work with a school report card vendor.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Kentucky Department of Education operating funds

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish fees or directly or indirectly increase any fees.

(9) TIERING: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all school districts.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? School districts

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 158.6453, KRS 158.6455, Every Student Succeeds Act of 2015, 20 U.S.C. 6311

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect. There will be no additional revenue generated by this administrative regulation.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? None.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? None.

(c) How much will it cost to administer this program for the first year? Amendments to 703 KAR 5:140 will have no impact on state funds. However, amendments to the regulation may impact school budgets.
