Re: Purchase Freightliner M2 Diesel Ambulance

Dear Senator Girdler and Representative Thomas:

Pursuant to KRS 45.760(5), the University of Kentucky (UK) hereby reports the purchase of medical equipment in excess of \$200,000, for a Freightliner Ambulance. Money specifically budgeted and appropriated by the General Assembly for another purpose or program is not being used for the purchase of this item.

The Freightliner M2 Diesel Ambulance is needed to support the Neonatal/Pediatric Transport to allow for a safer transport of multiple pediatric patients. Patients will also benefit from reduced response delays. The ambulance will be located at the UK HealthCare A.B. Chandler Hospital. The cost of the purchase is \$344,979.73 paid with UK Healthcare restricted funds.

Please advise if you have any questions or if you would like additional information.

Sincerely,

Angie Martin  
Vice President for Financial Planning and Chief Budget Officer

Re: Navio Robotic Surgical System

Dear Senator Girdler and Representative Thomas:

Pursuant to KRS 45.760(5), the University of Kentucky (UK) hereby reports the purchase of medical equipment in excess of \$200,000, for a Navio Robotic Surgical System. Money specifically budgeted and appropriated by the General Assembly for another purpose or program is not being used for the purchase of this item.

The Navio Robotic Surgical System will be located at the UK HealthCare Good Samaritan Hospital and offers image-free data collection, surface mapping and bone resection. This System will give patients access to cutting edge robotics-assisted surgery for total and partial knee arthroplasty. The \$495,000 equipment cost will be paid with UK HealthCare restricted funds.

Please advise if you have any questions or if you would like additional information.

Sincerely,

Angie Martin  
Vice President for Financial Planning and Chief Budget Officer
