Subject: Sundry Research Equipment

Dear Senator Girdler and Representative Freeland and Honorable Members of the Capital Projects and Bond Oversight Committee:

Pursuant to KRS §45.760(5), the University of Kentucky hereby reports the purchase of the following items of research equipment in excess of \$200,000. Money specifically budgeted and appropriated by the General Assembly for another purpose or program is not being used to acquire these items.

- An Oxidation Oven System has been purchased from Harper International for use by the university's Center for Applied Energy Research (CAER). The Oxidation Oven System uses a continuous thermal process to convert coal/petroleum-based pitch fibers to carbon fibers. The CAER is collaborating with the Department of Energy's Oak Ridge National Laboratory, which operates the Carbon Fiber Technology Facility (CFTF), to optimize coal-derived pitch processing for carbon fiber and composites development. The Oxidation Oven System will allow fiber production at a scale which will be useful for subsequent materials testing. It will also allow fiber production in the 1-10 pound range which will bridge a gap with CFTF's 100 pound range. The total cost of the research equipment is \$986,600 and the equipment was purchased with federal grant funds. This equipment will be located at the CAER Facility in Lexington, Kentucky.
- An inVia confocal Raman Qontor microscope has been purchased from Renishaw Inc. for use by CAER. The inVia Raman Qontor consists of a research-grade microscope coupled to a high-performance Raman spectrometer. This equipment is used to identify the distinct structural fingerprint by which molecules or materials can be identified. The inVia Raman Qontor will allow researchers to gather data regarding the development of both oxidized and carbonized hollow fibers which will further the goal of producing high tensile hollow carbon fibers. The total cost of the research equipment is \$237,689 and the equipment was purchased with federal grant funds. This equipment will be located at the CAER Facility in Lexington, Kentucky.

Please advise if you have any questions or if you would like additional information.

Sincerely,

Angela Martin

RE: Equipment Purchase – PlasmaPro 100 – Deep Reactive Ion Etching System

Dear Senator Girdler and Representative Freeland:

In accordance with provisions of KRS 45.760(5), I am writing to notify you of a research equipment purchase. I hereby certify that all terms and conditions of the subsections (a), (b) and (c) have been met.

The University of Louisville College of Arts and Science has purchased a PlasmaPro 100 Deep Reactive Ion Etching system and installation in the amount of \$750,000. The equipment will be utilized to perform anisotropic plasma etching on silicon wafers. The current 20 year old system is no longer supported by the vendor, and parts are no longer available. This equipment will meet the high demand for use of research equipment at the university. The equipment purchase will not use general funds or affect any existing programs.

Please contact Kim Noltemeyer at (502) 852-5699, if you have any questions regarding this purchase. Thank you for your time and support.

Sincerely,

Mark Watkins

RE: Construct Agriculture Research Facility 2 (Poultry Research Facility Relocation)

Dear Senator Girdler and Representative Freeland and Members of the Capital Projects and Bond Oversight Committee:

Pursuant to KRS §45.760(6) the University of Kentucky is reporting the transfer of \$354,000 from Restricted Funds to Federal Funds for the budgeted project, Construct Agriculture Research Facility 2 (Poultry Research Facility Relocation).

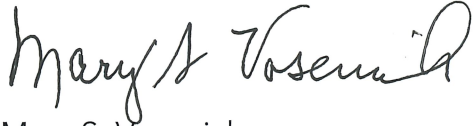

This project is relocating the current program on Coldstream Farm to the C. Oran Little Research Center in Versailles, Kentucky. At completion, the new facility will double in size the area dedicated for research. The new facility is currently under construction and will be a state-of-the-art research facility consistent with current best practices in the poultry industry. The University has received a grant from the USDA Federal Capacity Grant Multi-State Research Program to purchase and install a poultry auger waste management system.

This capital project, authorized by the 2018 Kentucky General Assembly, will be funded with \$6,146,000 in restricted funds and \$354,000 in federal grant funds. This project was approved for initiation by the University's Board of Trustees at its December 11, 2018 meeting with a scope of \$6,000,000. Pursuant to University Administrative Regulation 8:2, the President has approved a scope increase from \$6,000,000 to \$6,500,000 to accommodate the purchase and installation of the poultry auger waste management system.

seeblue.

Should you or members of the Committee have questions; the University will be pleased to respond at your next scheduled meeting.

Sincerely,

MEMORANDUM

TO: Eli Capilouto, President

THROUGH: Eric Monday, Executive Vice President Finance and Administration

FROM: Mary Vosevich, Vice President for Facilities Management and Chief Facilities Officer

RE: Poultry Research Facility Relocation
President's Approval to Increase Scope by a Total of 8.33%

On December 11, 2018 the University of Kentucky Board of Trustees approved the initiation of the \$6,000,000, Construct Agriculture Research Facility 2 Capital Project (See Attached FCR 10). The project will relocate the current program on Coldstream Farm, to the C. Oran Little Research Center in Versailles, Kentucky. At completion, the new facility will double in size the area dedicated for research. The poultry industry is the number one agricultural enterprise in Kentucky based on sales (projected at \$1.2 billion for 2018).

1. This requested scope increase is driven by the need to purchase an auger system for the poultry facility to assist with waste management. This equipment purchase necessitates the request for additional funds.
2. We are requesting a \$500,000 increase in the original scope of the project. This increase will bring the total project scope to \$6,500,000 which is an overall increase of 8.33% from the original project. The additional funding is from federal grant funds.
3. Pursuant to the University Administrative Regulation 8:2: IV – D the President may approve scope increases of up to 15% on capital projects (See attached Administrative Regulation).
4. This project remains well within the Legislative authority of \$10,000,000. Pursuant to KRS 45.760(6), the use of the federal grant funds will be reported to the Capital Projects and Oversight Committee

Members, Board of Trustees:

CONSTRUCT AGRICULTURE RESEARCH FACILITY 2
CAPITAL PROJECT (POULTRY RESEARCH FACILITY RELOCATION)

Recommendation: that the Board of Trustees approve the initiation of the Construct Agriculture Research Facility 2 Capital Project (Poultry Research Facility Relocation).

Background: The project will relocate the current program on Coldstream Farm, to the C. Oran Little Research Center in Versailles, Kentucky. At completion, the new facility will double in size the area dedicated for research. The poultry industry is the number one agricultural enterprise in Kentucky based on sales (projected at \$1.2 billion for 2018). The new poultry facility is currently in the design phase and will be a state of the art research facility consistent with current best practices in the poultry industry. The new facility will utilize more space compared to the older facility which focused on cage-based production technology. The existing program facility was constructed in the late 1980's and is on University property that is included in the Real Property Exchange between the University and Lexington-Fayette Urban County Government, (Economic Development Land Swap). At its December 11, 2017, meeting the Board approved FCR 9; and the Memorandum of Understanding was approved by the City Council on July 5, 2018.

Pursuant to Administrative Regulation 8:2, any capital project with an estimated scope of \$1,000,000 or more must be approved by the Board prior to initiation. In addition, pursuant to the Internal Loan Program Policy, any internal loan greater than \$1,000,000 must be approved by the Board. This \$6,000,000 project, authorized by the 2018 Kentucky General Assembly, is within the total legislative authorization of \$10,000,000 and will be funded by an internal loan to be repaid with agency funds. In accordance with the University's Internal Loan Program Policy, the Debt Management Committee has reviewed the financing plan and supports the proposed internal loan.

[Definition – University Capital Project](#)

[University Capital Project Approval Authority](#)

[Procedure for Requesting Board of Trustees Approval to Initiate a University Capital Project](#)

[Emergency University Capital Projects](#)

I. Introduction

This Administrative Regulation outlines the process for all University units to request, through the President, approval of University Capital Projects by the Board of Trustees (Board).

II. Entities Affected

This regulation applies to all units of the University, including but not limited to the Hospital system, affiliated corporations and auxiliary enterprises.

III. Definition

For the purposes of this Administrative Regulation, “University Capital Project” includes those which involve University-owned land or which are for the University’s use and benefit, and:

- A. The construction, reconstruction, improvement, or structural maintenance of buildings estimated to cost \$1,000,000 or more; or
- B. The acquisition or improvement of a building or real property estimated to cost \$1,000,000 or more.

IV. University Capital Project Approval Authority

- A. Prior to initiation, all University Capital Projects, regardless of fund source, shall be approved by the Board, except for emergency University Capital Projects pursuant to Section VI of this regulation.
- B. Prior to initiation, all debt financing transactions for University Capital Projects shall be in compliance with the University Debt Policy.
- C. The Board shall approve scope increases to University Capital Projects that exceed fifteen percent (15%).
- D. The President shall approve scope increases to University Capital Projects that do not exceed fifteen percent (15%).
- E. The President shall provide to the Board a Quarterly Capital Construction Report describing the status of ongoing University Capital Projects.

V. Procedure for Requesting Board of Trustees Approval to Initiate a University Capital Project

- A. Prior to requesting Board approval to initiate a University Capital Project, the unit shall develop a University Capital Project Plan that includes at least the following:
 - 1. Need analysis;
 - 2. Project scope;
 - 3. Financial plan for funding the University capital project and the recurring operating costs; and
 - 4. Legislative authorization.

The unit shall consult, as necessary, with the Capital Projects Management Division and the University Budget Office (UBO) in developing the above plan.

- B. The University Capital Project Plan shall be submitted to the Provost or appropriate executive vice president for review. The Provost or appropriate executive vice president shall, in consultation with the Executive Vice President for Finance and Administration (EVPFA), make a recommendation to the President.
- C. The President shall determine whether to recommend the University Capital Project to the Board.
- D. Project scope increases or decreases and revisions to financial plans shall follow the same procedures.

VI. Emergency University Capital Projects

- A. An "Emergency University Capital Project" is a University Capital Project as defined by this regulation and is:
 - 1. Necessitated by injury or damage resulting from a disaster;
 - 2. Necessary to maintain University operations or to prevent or minimize injury or damage that could reasonably be expected to result from an impending disaster; or

3. Necessitated by an unforeseen mechanical breakdown, electrical breakdown, or structural defect that must be corrected to make a facility or structure usable.
- B. The President shall determine whether a University Capital Project is an Emergency University Capital Project. Upon such a determination, the Emergency University Capital Project may be initiated and shall then be reported to the Board at its next meeting.
- C. Emergency University Capital Projects shall be reported to the Capital Projects and Bond Oversight Committee pursuant to KRS 45.750 – 45.810.

Re: Louisville Arena Authority's CPBOC Report

The purpose of this memo is to satisfy the Corporation's annual requirement pursuant to Section 8.22 of the Loan Agreement and KRS 65.4931 as listed below:

Section 8.22. Compliance with KRS 65.4931. The Corporation shall comply with the requirements of KRS 65.4931 for so long as any Bond is Outstanding under the Bond Indenture, including (i) providing CPBOC a CPBOC Report on or before November 1st each year; and (ii) if the Corporation has not directed the Bond Trustee to redeem Outstanding Bonds within any Redemption Test Period as required by KRS 65.4931(3), the final CPBOC Report for such Redemption Test Period shall contain an Alternative Payment Plan regarding the Corporation's use of Excess Revenues. The Corporation shall provide the Bond Insurer and the Bond Trustee a copy of each CPBOC Report provided to CPBOC pursuant to KRS 65.4931.

The Corporation is currently in a Redemption Test Period which began on the closing date of the Series 2017 bonds and ends on (but excludes) November 1, 2022. The Corporation has not directed the Bond Trustee to redeem Outstanding Bonds. The Alternative Payment Plan of the LAA is to adhere to the flow of funds in the Bond Trust Indenture where an amount of excess revenues will be used to prepay debt service and redeem a portion of the outstanding bonds.

2020 and 2021 Financial Summary

A copy of the LAA's Audited Financial Statements for the period January 1, 2020 to December 31, 2020 is enclosed. The Audited Financial Statements for January 1, 2021 to December 31, 2021 will be prepared by Crowe LLP with expected completion in Spring 2022. The LAA paid \$8.4 million in debt service on June 1, 2021 on the Series 2017 Bonds and has funded its \$12.1 million payment due December 1, 2021. As of today, the Renovation and Replacement Fund has a balance sufficient to meet capital needs of the Authority.

2021 Operating Summary

During ASM's 2020-2021 Fiscal Year, the Arena hosted 68 events including 3 concerts, 11 UofL men's basketball games, 14 UofL women's basketball games, 2 family shows, 11 sporting events, 2 meetings/banquets, 2 other events and 23 community engagement events, which included early general election days and blood drives

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisville Arena Authority, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

There is a high level of uncertainty surrounding the coronavirus outbreak and ongoing pandemic, and its impact to the Authority's financial operations. See Note B – Use of Estimates, C – Contractual Arrangements and K – Liquidity and Availability of Resources of the notes to the financial statements for additional information. Our opinion is not modified with respect to this matter.

NOTE A – NATURE OF AUTHORITY AND OPERATIONS

Louisville Arena Authority, Inc. ("the Authority") is a Kentucky non-stock, non-profit corporation formed in January 2006. The Authority operates a multi-use arena in Downtown Louisville, Kentucky.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting: The financial statements for the Authority have been prepared on the accrual basis of accounting.
2. Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

In March 2020, the World Health Organization declared novel coronavirus disease 2019 ("COVID-19") as a global pandemic. The COVID-19 pandemic has negatively impacted the global economy, disrupted global supply chains, created significant volatility and disruption in financial markets, and increased unemployment levels. In addition, the pandemic has resulted in temporary closures of many businesses and the institution of social distancing and sheltering in place requirements in many states and communities, including those in markets in which the Authority is located or does business.

The extent to which the COVID-19 pandemic impacts the Authority's business, liquidity, asset valuations, results of operations, and financial condition will depend on future developments, which are highly uncertain, including the scope and duration of the pandemic and actions taken by governmental authorities and other third parties in response to the pandemic. Shelter in place and limited capacity requirements on events will cause disruption in the revenue for the Authority. Moreover, the effects of the COVID-19 pandemic may have a material adverse effect on the estimates within the Authority's financial statements. In support of debt service, see further discussion of revenue sources and liquidity in Note C – Contractual Arrangements and Note K – Liquidity and Availability of Resources.

3. Cash and Cash Equivalents: The Authority considers all highly liquid investments with a maturity when purchased of three months or less, and which are not designated for a specific purpose, to be cash equivalents. The Authority typically maintains balances in excess of federally insured limits. Cash and cash equivalents without restrictions are included in the statements of cash flows.
4. Investment Valuation and Income Recognition: The Authority's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Realized gains and losses are reported in the change of net assets when securities are sold. Unrealized holding gains, and losses are reported in the change in net assets at period end.
5. Other Receivables: Receivables from the Authority's various funding sources are recorded at their net realizable value based on contractual agreements. The Authority does not charge interest on past due receivables. At December 31, 2020 and 2019, no allowance was required as management considered all receivables to be collectible.
6. Assets Limited as to Use: The Authority has established separate accounts to hold assets limited as to use for the senior interest fund, senior bond sinking fund, subordinate interest fund, subordinate bond sinking funds, excess net cash flow, arena revenue fund, TIF revenue fund, renovation and

replacement, and Metro revenue fund to be funded and utilized as established in the Bond Trust Indenture (See Note D).

7. **Property and Equipment:** Property and equipment is stated at cost at the date of acquisition or fair value at the date of donation and depreciated on the straight-line basis over the estimated useful lives of the respective assets ranging from 3 to 40 years. Software is being amortized on the straight-line basis over a three-year estimated useful life.

The Authority reviews for the impairment of long-lived assets subject to depreciation and amortization, including property and equipment, whenever events or changes in circumstances indicate that the carrying amount of these assets may not be recoverable in accordance with ASC 350 and ASC 360. Specifically, this process involves comparing the Authority's asset carrying values to the estimated undiscounted future cash flows the assets are expected to generate over their remaining lives. If this process were to result in the conclusion that the carrying value of long-lived assets would not be recoverable, then a write down of the assets would be recorded through a charge to earnings equal to the difference in the fair value of the assets and their carrying value. No such impairment losses were recognized for the years ended December 31, 2020 and 2019.

8. **Bond Issuance Costs:** Bond issuance costs are amortized using the effective interest method over the life of the respective bond issues. Amortization expense was \$853,700 and \$853,698 for years ended December 31, 2020 and 2019, respectively. Bond issuance costs, net of accumulated amortization is included in bonds payable in the accompanying statements of financial position. The bond issuance cost at December 31, 2020 and 2019 was \$13,819,937 and \$14,673,636, respectively. The related accumulated amortization at December 31, 2020 and 2019 was \$2,561,097 and \$1,707,397, respectively. Amortization expense for future years is approximately \$844,000, in 2021, \$832,000 in 2022, \$820,000 in 2023, \$805,000 in 2024 and \$790,000 in 2025.
9. **Deferred Revenues:** Deferred revenues represent those funds received as deposits for equipment lease revenues, naming rights, and sponsorship revenues. The deferred revenues will be recognized as income in following years based on the duration of the agreement.
10. **Revenue Recognition:** The Metro Louisville guarantee and tax increment financing payments are recognized as revenue in the year that they are received. Naming rights, sponsorships, suite and premium seating, and revenue from operations contracts are recognized on a systematic basis as earned over the term of the contracts. See Note C for a description of the contractual arrangements.
11. **Income Taxes:** The Authority received a ruling from the Internal Revenue Service indicating that it qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no income taxes have been provided in the accompanying financial statements. The Kentucky Department of Revenue has granted the Authority exemption from sales tax on purchases made for its exempt purpose and has also issued the Authority an exemption from ad valorem tax as a "purely public charity."

The Authority has no material uncertain income tax positions which would result in a liability to the Authority. The Authority recognizes interest and/or penalties related to income tax matters in income tax expense. The Authority recognized no interest or penalties on income taxes in its statements of activities and changes in net assets for the years ended December 31, 2020 or 2019. Due to its tax-exempt status, the Authority is not subject to U.S. federal income tax or state income tax.

LOUISVILLE ARENA AUTHORITY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Authority recognizes a tax position as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded. The Authority’s open audit periods are 2017 through 2020. The Authority does not expect its unrecognized tax benefits to significantly change in the next 12 months.

12. Subsequent Events: Subsequent events for the Authority have been considered through the date of the Independent Auditor’s Report, which represents the date the financial statements were issued.

NOTE C – CONTRACTUAL ARRANGEMENTS

1. Event Management Agreements:

AEG Management Louisville, LLC: The Authority entered into an Operations Management Agreement (“Agreement”) with AEG Management Louisville, LLC (“AEG”) to be the sole, independent manager for the arena with complete authority over and responsibility for its day-to-day operations including its management. The Agreement was effective on July 1, 2012 and was extended through June 30, 2027.

The fees for this contract include: 1) a Fixed Fee of \$700,000 for the year adjusted annually up to 1.5% throughout the term of the agreement in accordance with increases in the Consumer Price Index (“CPI”) for all Urban Consumers, 2) an Incentive Fee up to \$35,000 per year subject to operating results, 3) a signing bonus of \$1,000,000 due in May 2016 and \$500,000 due July 2022. The signing bonus was amortized through July 31, 2017.

In 2017, The Agreement was amended as follows: 1) the guaranty of \$1,500,000 annually was replaced with a Performance Expectation of \$1,500,000. In the event that AEG does not meet this or exceed this Performance Expectation during each of any two consecutive Operating Years, upon notice from the Authority, then AEG may opt, but not contractually obligated to, cure such shortfall. In the event AEG declines or fails to cure such shortfall, the parties shall meet to negotiate a mutually agreeable reduction to the Fixed Fee for the following Operating Year. In the event that the parties are not able to agree to a reduction to the Fixed Fee, the Authority may terminate this Agreement.

A reconciliation of amounts under the contract for the years ended December 31 is as follows:

	<u>2020</u>	<u>2019</u>
Accrued profit from operations	\$ -	\$ 2,200,000
Management fee to AEG	(730,184)	(736,058)
Amount in excess of performance contract	-	966,195
Operational losses	(1,260,473)	-
Other settlement	<u>(46,455)</u>	<u>-</u>
	<u>\$ (2,037,112)</u>	<u>\$ 2,430,137</u>

(Continued)

NOTE C – CONTRACTUAL ARRANGEMENTS (Continued)

2. Galt House Agreement: The Authority has an exchange agreement with the Galt House. The Galt House provided accommodations during the period of construction valued at \$386,427 in exchange for the use of a suite in the arena up to the same value as the accommodations provided. The remaining unutilized balance of \$16,756 and \$35,303 at December 31, 2020 and 2019, respectively, is included in accrued expenses and other in the accompanying statements of financial position.
3. Humana Agreement: As part of the Definitive Property Sale and Relocation Agreement with Humana, Inc., the Authority conveyed to Humana the use of a suite in the Arena rent-free for a period of twenty years. Further, Humana was not to be charged the initial fee and suite build-out charges. As of December 31, 2020 and 2019, the value related to the suite was \$656,225 and \$721,529, respectively, which is included in accrued expenses and other in the accompanying statements of financial position. The amortization period extends through 2028.
4. LASEP, Team Services, and Learfield Agreement: The Authority has an agreement with LASEP, LLC, (“LASEP”) and Learfield Corporation, Inc., (“Learfield”), to provide services in connection marketing and sponsorship sales rights relating to the Arena. The agreement has an effective date of March 31, 2008 and was extended through June 30, 2027.

Under the terms of the agreement, exclusive sponsorship rights have been granted to LASEP by the Authority and are being guaranteed by Learfield. In return for their marketing services, the agreement provides for the allocation of qualified sponsorship payments between LASEP and the Arena.

In exchange for the exclusive sponsorship rights, LASEP agreed to pay the Authority a qualified sponsorship payment (“QSP”) annually. The QSP was calculated as a percentage of gross revenues (as defined per the agreement), or an annual minimum of \$2,500,000 for 2016. For the first \$4,000,000 of gross revenues (as defined per the agreement), the Authority received a QSP of 75% of the gross revenues. On any gross revenues in excess of \$4,000,000, the Authority received a QSP of 65% of the gross revenues.

In 2017, the Agreement as amended as follows: 1) The Term of the agreement was amended with an effective date of July 1, 2017 through June 30, 2027. 2) The Guaranteed QSP was adjusted to start at \$3,750,000, escalating each year up to \$5,650,000 in 2026-27. 3) In addition to the QSP, LASEP shall pay the LAA 50% of the annual Adjusted Gross Revenue (“AGR”) above the defined AGR Share Hurdle amounts noted in the Agreement. The payments for 2021 and 2022 are subject to ongoing negotiation. 4) LASEP shall make Capital Subsidy Payments totaling \$1,625,000 over the life of the amended Term. This totaled \$375,000 and \$250,000 in 2020 and 2019, respectively, and is included in revenue from operations contract in the accompanying statements of activities and changes in net assets.

5. Naming Rights: The current naming rights agreement is with Yum! Brands, Inc. with an effective date from October 1, 2020 through September 30, 2031. The first two years of the contract contain a performance condition based on the number of regular season, televised University of Louisville varsity men’s basketball games in the Arena and the remaining nine years are based on contractual annual payments. There was no performance condition in the prior year. Naming rights revenue recognized in 2020 and 2019 was \$1,226,478 and \$1,414,199, respectively.

NOTE C – CONTRACTUAL ARRANGEMENTS (Continued)

6. PARC Agreements: The Authority entered into a Garage Operating Agreement with Parking Authority of River City ("PARC"), expiring September 30, 2044. Under the terms of the Agreement, PARC is responsible for the operations and maintenance of the garage. In addition, the agreement specifies parking requirements for basketball games and arena events. Under this agreement, the Authority agreed to pay PARC each fiscal year beginning January 1, 2011, the first \$90,000 and 50% of amounts exceeding \$90,000 of net revenue received by the Authority related to the sale of naming rights to the garage and sponsorship signage sold in and on the garage. As of December 31, 2020 and 2019, there was no signage in and on the garage.
7. Centerplate Agreement: The Authority has a Concessions and Catering Services Agreement with Service America Corporation, d/b/a Centerplate ("Centerplate"). The agreement provides for Centerplate to be the sole provider of concessions and catering services in the arena. The agreement expires on December 31, 2021 with the option to be extended for two additional five-year periods at the agreement of both parties. Effective December 31, 2020, a one year extension was approved. Under the terms of the agreement, Centerplate agrees to pay annual commissions to the Authority based on varying rates of gross receipts (for concessions, catering and merchandise) received at the arena. The new event management contract with AEG effective July 1, 2012 transfers the Centerplate revenue to AEG.

In addition, as part of this agreement, during 2009, Centerplate advanced the Authority \$1,000,000. During 2010, Centerplate advanced the Authority an additional \$6,500,000, for a total of \$7,500,000. This noninterest bearing loan is being amortized monthly on a straight-line basis over a 15-year period, expiring in October 2025. For each monthly period that the agreement remains effective from the first public event, Centerplate will forgive one-one hundred eightieth (1/180th) of the loan in favor of the Authority. During the year ended December 31, 2019, Centerplate forgave approximately \$500,000 of this loan. In 2020, the Agreement was amended as follows: 1) The Term of the Agreement was extended for one year and shall now expire on December 31, 2021; 2) The amortization of the loan as described in the paragraph above was suspended for a period of one-year, effective March 13, 2020 resuming March 13, 2021, due to the disruption of business from the COVID-19 Pandemic. The outstanding balance of this loan is \$2,901,639 and \$2,875,000 as of December 31, 2020 and 2019, respectively, which is classified as a note payable in the accompanying statements of financial position.

8. ULAA Agreement: The Authority entered into a Lease Agreement with the University of Louisville Athletic Association, Inc. ("ULAA") as of July 3, 2008. The agreement ensures the arena is designed to meet ULAA's needs as the primary tenant and established a lease term through September 2044.

In 2017, the Agreement was amended as follows: 1) The Term was adjusted to terminate on the date which is first to occur of (i) September 30 of the year in which the commitment of the Commonwealth of Kentucky to pay tax increments to the Authority under the LAA Tax Increment Financing District terminates, or (ii) the date of the final payment of the Bonds (or any bonds which refund the Bonds), or (iii) September 30, 2054. 2) ULAA may assess a Ticket Surcharge of up \$8.00 per ticket sold on Men's Basketball Games, with the Authority retaining the first \$2.00, and ULAA retaining up to \$6.00. 3) In addition to the obligations of ULAA to pay the Annual Net Payment to the Authority, ULAA shall remit an additional \$2,420,000 ("Additional Amount) annually during each year of the Term to the Authority. This is included in sponsorship revenue and is treated as an operating lease. There is no purchase option at the termination of the lease agreement.

NOTE C – CONTRACTUAL ARRANGEMENTS (Continued)

Under this agreement, the Authority is leasing the arena to ULAA for all ULAA sponsored events. The agreement provides for rental rates regarding ULAA's use of the arena based on the type of event that is held as follows:

Type of Event	Rental Amount
Men's Basketball Game	Minimum of \$10,000 per game, or 10% of gross admissions receipts from the sale of tickets (net of taxes and ticket surcharges)
Women's Basketball Game	Minimum of \$5,000 per game, or 5% of gross admissions receipts from the sale of tickets (net of taxes and ticket surcharges)
Other University-Sponsored Events	Minimum of \$5,000 per event, or 5% of gross admissions receipts from the sale of tickets (net of taxes and ticket surcharges)
Private Suite Rentals and Premium Seating	12% of the net revenue for the year

Total premium suite and seating revenues of \$1,092,120 and \$1,611,428 were recorded for the years ended December 31, 2020 and 2019, respectively. This amount represents the pro-rata portion of the total revenues over the number of men's basketball games of the 2020-2021 and 2019-2020 seasons that have occurred as of December 31, 2020 and 2019.

In addition, this agreement also provides for the allocation of certain revenues between the Authority and ULAA as follows:

Type of Revenue	Allocation of Revenues
Program Sales and Program Advertisements	All proceeds will be retained by ULAA.
Concessions and Catering	Payments received from third-party concession and catering sales will be allocated 50% to the Authority and 50% to ULAA for all University sponsored events.
Gift Shop	Payments received from gift shop sales will be allocated 50% to the Authority and 50% to ULAA for all events.

 NOTES TO FINANCIAL STATEMENTS
 December 31, 2020 and 2019

NOTE C – CONTRACTUAL ARRANGEMENTS (Continued)

Type of Revenue	Allocation of Revenues
Signage	Effective 2013, ULAA and the Authority agreed to fixed annual payments for permanent signage sales based on a gross revenue sharing calculation as defined in the Agreement for 2016, which includes signage (noted above).
Video Boards	Effective 2013, ULAA and the Authority agreed to fixed annual payments for permanent signage sales based on a gross revenue sharing calculation as defined in the Agreement for 2016, which includes signage (noted above).

The Authority recorded expenses related to the concessions and catering revenues owed to ULAA; signage and video revenues owed to ULAA; and suites utilized under the sponsorship agreements of \$1,215,020 and \$1,500,813 for the years ended December 31, 2020 and 2019, respectively. The related liabilities included in accounts payable at December 31, 2020 and 2019 are \$267,679 and \$599,691, respectively.

Under the ULAA agreement, all of the previously listed transactions are to be remitted on a net basis, settled April 1 of each year. At December 31, 2020, the Authority had a net payable to ULAA of \$19,735. At December 31, 2019, The Authority had a net receivable from ULAA of \$208,081.

9. TPI Agreement: The Authority has an agreement with Telecommunication Properties, Inc. (“TPI”) to provide consulting and management services of the Distributed Antenna System (“DAS”) project within the arena. Under the terms of the agreement, TPI will solicit license proposals and negotiate licenses with fiber and wireless carriers to utilize the Authority’s DAS, provide project support for the installation of the DAS, maintain the accounting related to the project and assist with the monitoring and collection of the license fees. For these services, TPI will receive a 20% commission of the gross license revenues as defined in the agreement.

As of December 31, 2020, three wireless carriers are participating in the DAS program, and based upon the license terms, these agreements are accounted for as operating leases in accordance with ASC No. 840. Under the term of the agreements, the wireless carriers paid fees of \$1,634,016, net of the 20% commission, which will be amortized over 10 years. At December 31, 2020 and 2019, \$52,691 and \$207,306 is included in deferred revenues in the accompanying statements of financial position.

10. Funding Agreements: The Authority received a grant commitment from the Commonwealth of Kentucky (the “Commonwealth”) that was amended in 2017. With the passage of House Bill 330 during the 2017 legislative session, the Commonwealth of Kentucky’s original pledge of tax increment financing for which payments began in 2010 has changed. The new law extends the tax increment financing through the earliest of (1) the date no bonds are outstanding, (2) December 31, 2054, or (3) upon election of the state to terminate the TIF contract, which cannot occur without the consent of the trustee. The new law eliminates the \$265,000,000 limitation on the aggregate increment paid by the Commonwealth on a cumulative basis and also includes several reporting and compliance provisions.

NOTE C – CONTRACTUAL ARRANGEMENTS (Continued)

The Authority entered into an Amended and Restated Memorandum of Agreement with Louisville/Jefferson County Metro Government (“Metro”). Metro subsequently passed Ordinance No. 143, Series 2007, which provides guaranteed payments from Metro to the Authority not to exceed \$309,000,000 to pay a portion of the cost of acquisition, construction and installation of the arena project. The payments, scheduled to commence November 2010 and continue until November 2039, include minimum annual guaranteed payments ranging from \$6,533,333 to \$7,200,000 plus potential additional annual payments ranging from \$3,266,667 to \$3,600,000 should the required debt service exceed revenue from all sources. The Metro agreement required the Authority to reduce such guaranteed payment by any excess net cash flow (as defined in the agreement) generated by the Authority.

During 2017, a Second Amended and Restated Memorandum of Agreement was entered into concurrent with the delivery date of the bonds, modifying the Metro agreement. Under the 2017 agreement, Metro has agreed to pay an annual payment of \$10,800,000 on or before November 1 of each year starting in 2018 and continuing to the earliest of (1) September 30 of the year in which associated TIF payments cease, (2) the final payment of the bonds, or (3) September 30, 2054. The 2017 agreement with Metro eliminates the concept of minimum and maximum payments contained in the original Metro agreement.

NOTE D – CONTRACTUAL ARRANGEMENT OF BONDS

Pursuant to the issue of Kentucky Economic Development Finance Authority Louisville Arena Project Revenue Bonds (see Note H) and the Bond Trust Indenture dated December 1, 2017, Regions Bank (the “Trustee”), holds investments, conducted transactions as directed by the Authority, and maintained appropriate books and records to account for all funds established under the trust indenture.

The 2017 Bond Trust Indenture provides for the issuance of the bonds and the establishment of the following accounts to be held by the Trustee:

Senior Reserve Fund: This fund is to be maintained while the bonds remain outstanding and is to be used to satisfy Senior Bond Sinking Fund and Senior Interest Fund (the “Senior Funds”) obligations, if such amounts in the Senior Funds are insufficient. At December 31, 2020 and 2019, the balance at cost was \$15,593,882 and \$15,593,883, respectively.

Senior Interest Fund: This fund is used to hold deposits used solely to pay interest on the Senior Bonds and to pay any reimbursement obligations to the bond issuer (the “Senior Interest Funds”). At December 31, 2020 and 2019, the balance was \$82,893 and \$368,652, respectively.

Renovation Replacement Fund: This fund is used to hold deposits for potential future repairs, renovations and replacements. At December 31, 2020 and 2019, the balance was \$11,633,534 and \$11,572,050, respectively.

Excess Net Cash Flow Fund: This fund is available for transfer to the Renovation and Replacement Fund, and Operation and Maintenance account on Senior Reserve Fund. At December 31, 2020 and 2019, the balance was \$38,922,371 and \$23,656,674, respectively.

Operation and Maintenance Account: This Fund is used for the payment of debt service and to restore amounts to the Senior Reserve Fund. At December 31, 2020 and 2019, the balance was \$0.

NOTE H – BONDS PAYABLE

On December 1, 2017, the Authority issued \$202,125,000 Series 2017A Bonds and \$175,640,000 Taxable Series 2017B Bonds, in order to a) refund the outstanding Series 2008A, 2008B and 2008C Series Bonds; b) fund a debt service reserve; c) provide certain working capital funds; d) fund a renovation and replacement fund; and d) pay expenses and costs incurred in connection with the issuance of the Bonds. \$365,458,292 has been deposited into escrow and held in cash or used to purchase permitted investments and will provide for all future debt service on the Series 2008 Bonds. Should amounts in escrow be insufficient to service debt, the Authority would be responsible for any shortfall. As of December 31, 2020, no shortfall is projected, and no liability is accrued. The Authority has removed the 2008 Series Bonds from its accounts, in the amount of \$345,113,246, net debt issuance costs and discounts including accreted interest. The legally defeased principal amount outstanding as of December 31, 2020 and 2019 was \$15,023,728 and \$16,141,732, respectively.

The Series 2017 bonds were issued at a premium. The amount of the original premium for the Series 2017 bonds was \$16,677,163. This premium is being amortized using the effective interest method over the life of the respective bonds. There was no amortization (interest expense) recognized during 2017 related to this bond issue. Total amortization recognized in 2020 and 2019 was \$649,959.

At December 31, 2020 and 2019, bonds payable was as follows, including unamortized discount and debt issuance costs:

	<u>2020</u>	<u>2019</u>
Series 2017A Bonds	\$ 208,325,425	\$ 208,599,069
Series 2017B Bonds	<u>170,346,924</u>	<u>169,869,540</u>
Total	<u>\$ 378,672,349</u>	<u>\$ 378,468,609</u>

The bonds are insured by a municipal bond insurance policy issued by Assured Guaranty Municipal Corp. (the "Bond Insurer"), which guarantees the scheduled payments of principal and interest on the bonds when due. The Bond Insurer also issued a municipal bond debt service reserve insurance policy in the amount of \$15,393,882, and a \$10,000,000 liquidity reserve policy to make cash available to the Authority under certain circumstances through December 1, 2024.

NOTE H – BONDS PAYABLE (Continued)

Aggregate maturities on bonds payable (at their repayment value) at December 31, 2020 are as follows:

<u>Year ending December 1,</u>	<u>Principal</u>	<u>Accrued Interest</u>
2021	\$ 3,705,000	\$ 16,853,408
2022	4,165,000	16,743,481
2023	4,650,000	16,609,493
2024	5,225,000	16,453,765
2025	5,765,000	16,268,329
Thereafter	<u>354,255,000</u>	<u>263,290,439</u>
Total aggregate maturities	<u>\$ 377,765,000</u>	<u>\$ 346,218,915</u>

The fair value of the bonds at December 31, 2020 and 2019 was approximately \$415,228,539 and \$412,389,402, respectively. The fair value of long-term bonds payable are primarily based on the prices at which similar bonds have recently traded in the market and also considering the overall market conditions on the date of valuation.

The bonds are collateralized by funds held by the Trustee, assignment of agreements related to the operations of the Authority, TIF and Metro guarantee, along with a mortgage on the arena property and equipment.

NOTE I – FAIR VALUE

The fair values of cash and cash equivalents, other receivables, and accounts payable approximate the carrying amounts due to the short maturities of these instruments. The fair values of investments that are readily marketable are determined by obtaining quoted prices on nationally recognized securities exchanges or by quoted market prices of similar securities with similar due dates.

The fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels. These levels, in order of highest to lowest priority are described below:

Level 1 - Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. Level 3 includes values determined using pricing models, discounted cash flow methodologies, or similar techniques reflecting the Authority's own assumptions.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

 NOTES TO FINANCIAL STATEMENTS

NOTE I – FAIR VALUE (Continued)

Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would result in material changes in the fair value of investments and net assets of the Authority.

Assets measured at fair value on a recurring basis are summarized below:

	Fair Value Measurement at December 31, 2020 <u>(Level 1)</u>	Fair Value Measurement at December 31, 2019 <u>(Level 1)</u>
Assets limited to use:		
Money market funds	<u>\$ 81,979,267</u>	<u>\$ 70,672,126</u>

Money Market Funds: For these instruments, the carrying amount approximates the fair value (Level 1 Inputs).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the Authority believes its valuation methods are appropriate and consistent with other market participants. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE J – COMMITMENTS AND CONTINGENCIES

During the ordinary course of business, the Authority has been named as a defendant in certain legal actions. The ultimate resolution of these matters is not ascertainable at this time. Management anticipates that the resolution of these claims will have no material adverse effect on the Authority's operating results or financial position. Consequently, no provisions have been made in the financial statements related to these claims.

NOTE K – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure (professional fees, sponsorships, signage and other expenses), that is, without donor or other restrictions limiting their use, within one year of the statement of net position date, comprise the following:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 4,440,836	\$ 7,331,846
Other receivables	<u>587,296</u>	<u>1,177,801</u>

NOTE K – LIQUIDITY AND AVAILABILITY OF RESOURCES (Continued)

Assets limited as to use are a series of funds that were established by the Bond Trust Indenture and are not available for general expenditure (See Note D and Note F). These funds are designed whereby balances will be sufficient to cover annual debt service in addition to funding renovation and replacement and operations and maintenance accounts to be used for those purposes. The funds could be made available if necessary, to make interest and principal payments on the bonds as they come due.

The bonds are insured by a municipal bond insurance policy issued by Assured Guaranty Municipal Corp. (the “Bond Insurer”), which guarantees the scheduled payments of principal and interest on the bonds when due. The Bond Insurer also issued a municipal bond debt service reserve insurance policy in the amount of \$15,393,882, and a \$10,000,000 liquidity reserve policy to make cash available to the Authority under certain circumstances through December 1, 2024. The Policy was issued by the Bond insurer to be used solely to pay scheduled payments of principal and interest if necessary.

All future debt service on the Series 2008 Bonds will be funded by funds placed in escrow as described in Note H.

As part of the Authority's liquidity management plan and the structure of the contractual arrangements described in Note C, liquid financial assets are expected to be available as the general expenditures, liabilities and other obligations become due.

On or before November 15th of each year, the Authority is required to file with the Trustee and Bond Insurer a written budget describing in reasonable detail the anticipated revenues and expenditures of the Arena.

NOTE L – FUNCTIONAL EXPENSES

Expenses categorized by their functional classification for the year ended December 31, 2020 are as follows:
