**I. PROJECT DESCRIPTION**

The City of Lebanon (the City) is requesting a Fund A loan in the amount of \$7,660,000 for the Wastewater Treatment Plant (WWTP) and Sewer System Improvements project. A recent Condition Assessment Study of the WWTP identified several critical components that need to be addressed with either replacement or an upgrade. Existing aerators will be replaced with higher efficiency motors to reduce energy costs. The existing mechanical bar screen will be replaced, and a second redundant screen will be installed. Other work at the WWTP includes the installation of an influent flowmeter and technology upgrades. The project will also involve the installation of a new oxidation ditch, clarifier, and digester for increasing capacity from 3 MGD to 3.75 MGD. This will allow the City to provide continued treatment at the existing site in a more efficient and cost-effective manner.

Two problematic lift stations will be eliminated and replaced with gravity sewer line that will connect to an existing interceptor sewer. This will reduce the overflow issues and eliminate the power and maintenance costs of each station.

The City currently serves 1,944 residential customers and 542 commercial and industrial customers.

## VII. DEMOGRAPHICS

Based on current Census data from the American Community Survey 5-Year Estimate 2016-2020, the Utility's service area population was 6,484 with a Median Household Income (MHI) of \$30,258. The MHI for the Commonwealth is \$52,238. The project will qualify for a 0.50% interest rate.

## VIII. 2021 CAPITALIZATION GRANT EQUIVALENCIES

- 1) Green Project Reserve - This project qualifies for Green Project Reserve funding in the amount of \$882,500.
- 2) Additional Subsidization – This project qualifies for additional subsidization. Principal forgiveness of \$3,609,038 will be deducted from the approved loan amount.

## IX. FINANCIAL ANALYSIS

Financial information was obtained from the financial statements for the years ended June 30, 2020 through June 30, 2022. The non-cash impacts of GASB 68 – Accounting and Financial Reporting for Pensions and GASB 75 – Accounting and Financial Reporting for Other Postemployment Benefit have been removed from the operating expenses. Percentage references in the History section below are based on whole dollar amounts and not the rounded amounts presented.

### HISTORY

Total sewer revenues increased 11.5% from \$1.55 million in 2020 to \$1.72 million in 2022 due to increased usage from Diageo Distillery, a new industrial customer. Operating expenses increased 2.2% from \$1.38 million to \$1.41 million during the same period. The debt coverage ratio was 2.7, 2.1, and 8.7 in 2020, 2021, and 2022.

The balance sheet reflects a current ratio of 8.4, a debt-to-equity ratio of 0.2, 61.7 days of sales in accounts receivable, and 4.1 months of operating expenses in unrestricted cash.

**PROJECTIONS**

Projections are based on the following assumptions:

- 1) Sewer revenues will increase \$250,000 starting in 2025 due to the development of Pernod Ricard Distillery.
- 2) Sewer revenues will increase \$150,000 per year in 2026 to maintain the 1.1 debt coverage ratio requirement.
- 3) Operating expenses will increase 3% annually due to inflation and costs associated with added volume from Pernod Ricard Distillery.
- 4) Debt service coverage is 1.8 in 2025 when principal and interest repayments begin.

Based on the pro forma assumptions, the utility shows adequate cash flow to repay the KIA Fund A loan.

**REPLACEMENT RESERVE**

The replacement reserve will be 5% (\$384,000 total) of the final amount borrowed, prior to principal forgiveness, to be funded annually (\$19,200 yearly) each December 1 for 20 years and maintained for the life of the loan.

**XII. RECOMMENDATIONS**

KIA staff recommends approval of the loan with the standard conditions and the following special condition:

The City will pass a resolution demonstrating their intention to increase revenues as necessary to maintain KIA's required 1.1 debt coverage ratio. KIA staff review indicates that service revenues will need to increase approximately \$150,000, or 10%, by FY2026 to meet the loan requirement.

GRANTEE	HARRISON COUNTY WATER ASSOCIATION INC HARRISON COUNTY		
BRIEF DESCRIPTION			
<p>The project entails the replacement or addition of a total of 29,615 linear feet of 6-inch and 4-inch water main along two major roadways in Harrison County. The improvements will benefit a total of 665 households. Along US 27, the project will replace 15,425 linear feet of 6-inch cast iron water pipe that is a constant source of significant maintenance issues for Harrison County Water Association (HCWA). The pipeline was installed in the early 1970s and has had multiple breaks each year for the past several years. These failures result in a disproportional allocation of the limited resources of HCWA to maintain dependable service from this line. The required repairs also leave 650 households without water until the line is put back in service. Just in calendar year 2022, between January and September, this line experienced 3 breaks, resulting in an estimated water loss of 120,000 gallons, over 60 man-hours in repairs, and 3 boil-water advisory notices. Over the 3-year period of 2019, 2020 and 2021, an increasing number of breaks were recorded along this stretch of pipe. With the trend of line breaks increasingly upwards, the replacement of this line is critical to the effective operations of HCWA in their pursuit to provide dependable water service to their customers. The KY 353 portion of the project includes the addition of 14,190 linear feet of 4-inch water main to supply dependable water service to 15 new customers who are currently unserved. These users currently have to haul water if needed. In addition to extending service to these new customers, the project also creates a loop in the pipe infrastructure where there are currently two dead end lines. HCWA maintenance personnel currently flush these lines in order to maintain proper water quality and to meet disinfection by-product regulations. The proposed loop will eliminate the dead ends and the need for flushing while allowing the system to maintain appropriate water turn-over in this line. In addition, the connection will allow more customers to be served from multiple points in the distribution system. This will help maintain service in the event of a water line break.</p>

BRIEF DESCRIPTION			
This project looks to extend the waterline along Frank Luttrell Road to create an emergency interconnect for Lewisport and ECDWA. The extension will be 2,914 LF of 3" PVC along Frank Luttrell Road to US 60. This new interconnection will be vastly important for both the City of Lewisport and EDCWA. Both of these systems have areas of customers that would be able to benefit from the installation of this new emergency interconnect.

GRANTEE	SOUTH LOGAN WATER ASSOCIATION INC LOGAN COUNTY		
BRIEF DESCRIPTION			
<p>The South Logan Water Association is a relatively large water system covering most of Logan County's southern half. The majority of roads within the SLWA boundary have water service. Presently, the Association's biggest problems or needs are in five parts: 1) replacing water meters and meter communication devices which have reached their useful life; 2) replacing a major water transmission line across the Red River which has become exposed and vulnerable to damage; 3) cutting water losses in the distribution system; 4) filling out the distribution system with short, small-diameter waterline extensions &amp; upgrades to fulfill a lengthy list of service requests; and 5) replacing primary transmission lines and installing difficult interconnections to alleviate growing pains on some of the original piping infrastructure. The proposed project involves the purchase and owner installation of approximately 500 encoder receiver transmitters (ERTs), cables and all software/hardware to replace failing units at various water meters. Also, the project includes the replacement of nearly 550 LF of waterline across the Red River at Conn Road. The project has an estimated cost of \$200,000, and it is expected to take 90 days for completion.</p>

**RE: Economic Development Fund Grant - \$500,000 to City of Richmond, Kentucky on behalf of the Richmond Industrial Development Corporation (RIDC).**

Dear Secretary Johnson:

In accordance with KRS 154.12-100, this letter shall serve as notice of my recommendation for the use of \$500,000 in Economic Development Fund (EDF) funds for the purpose of making a grant to the City of Richmond, Kentucky on behalf of the RIDC.

The City of Richmond, Kentucky in partnership with the RIDC is seeking to develop and implement a land grading plan to better prepare the topography for 46.74 acres of land owned by the RIDC and located in the Richmond Industrial Park South III of Bill Robertson Way, Richmond, KY 40475. This project was a potential infrastructure project identified by an independent site selection consultant through the Kentucky Product Development Initiative (KPDI) program as having the potential for future investment/location of an economic development project.

Under the terms of the EDF grant agreement, requests may be submitted no more than monthly and funds shall be disbursed on a reimbursement basis. Supporting documentation of invoices, proof of payment, matching funds, etc. and a progress report will be required to be submitted with each request. Upon staff's review and approval of all documentation, funds will be disbursed to the local government entity to provide to the project applicant.

I respectfully request your concurrence in the funding of this project. If KEDFA approves this proposal, I would ask that you place this project on the next agenda of the State Property and Buildings Commission. Please feel free to contact me if you have any questions.

Sincerely,

# Everyone Deserves a Quality Place to Live.

## Kentucky Fact Sheet

### WE ARE DRIVEN

LDG Development was founded based on our belief that everyone deserves a quality place to live. That is why, for more than 25 years, we have worked to develop close to 20,000 units of high-quality affordable housing for thousands of hardworking families and active seniors across the country, including over 4,000 units right here in KY. From the first responders who are the front lines of keeping our communities safe; to the service workers who have sacrificed income for service, we make sure that those who help our community run have a place they are proud to call home. By building desirable, welcoming housing, we are doing more than just giving families a great place to live. We are helping communities thrive.

### WE BEGIN WITH THE END IN MIND

We understand that the needs of each city are different. That is why we partner with local leaders and organizations that meet the needs of the community and reflect those characteristics that make it a special place.

Because we have our own architectural and design firm, as well as a construction management team, you will have a single point of contact throughout the development and construction stages. Ultimately, this "one stop" experience can lead to significant cost and time savings.

### WE ARE BUSTING THE MYTHS THAT SURROUND AFFORDABLE HOUSING

To start, we never cut corners. Instead, we go above and beyond design and maintenance standards to ensure our communities stay gorgeous and our residents have a place they are proud to call home.

**LDG**  
DEVELOPMENT

## WE ARE BUSTING THE MYTHS THAT SURROUND AFFORDABLE HOUSING

At LDG, we are in it for the long haul. That means we view every development as an opportunity to make an investment in a community that we will be a part of for decades to come. This approach ensures that our properties will be maintained to look as beautiful as the day they were built.

What's more, our onsite local teams all have a direct line to LDG senior leaders, ensuring decisions can be made quickly and with the needs of the local community in mind and are empowered to make decisions that are driven by our "residents first" philosophy.

## WE IMPROVE LIVES

Because our hard-working residents live busy lives, we go out of our way to support them by offering a variety of residents-first support services.

This includes a partnership with the state's largest healthcare system to provide weekly onsite medical services to all residents regardless of their health insurance status. These services range from routine primary care services focused on prevention and wellness; to more complex patient care typically performed at a physician's office. Residents can also receive assistance enrolling in Medicaid or other federal or state sponsored programs—all without leaving their home!

## HIGH-QUALITY, AFFORDABLE HOUSING ISN'T THE ONLY WAY WE GIVE BACK

We believe in the power of education and its ability to change the trajectory in our residents' lives. This guiding philosophy is reflected in a partnership with the National Association of Housing and Redevelopment Officials that is designed to provide scholarships to students living in public housing. Through a \$1 million scholarship fund, students receive up to \$6,000 annually for four years that can be used to pay tuition and other expenses associated with obtaining a college degree. The foundation also supports dozens of local community groups focused on helping some of the nation's most vulnerable and at-risk populations.

To help ensure students living in our communities have the support they need to succeed academically, we are piloting an initiative with a local non-profit focused on improving academic outcomes for underserved populations that is designed to boost reading scores for elementary and middle school students.

## WHEN YOU'RE GOOD AT WHAT YOU DO, PEOPLE NOTICE

In addition to our scholarship fund, we are also proud to have been selected for the following awards:

- **#1** Best Places to Work in Louisville (2022)
- **#1** Developer of Affordable Housing (2020, 2019, 2017)
- **#2** Developer of Affordable Housing (2021)

RE: \$750,000 Fort Thomas Ind. School District Finance Corporation  
School Building Revenue Bonds, Series of 2023

Dear Ms. Couch:

Please find enclosed a Bond Payee Disclosure Form and Plan of Financing related to the above-referenced series of Bonds. The Bonds will be used to finance middle school improvements.

We would like to go ahead and submit the plan to Bond Oversight so that we will be ready to proceed with the bond sale in the coming months. The Bonds will be funded with 12.00% SFCC funds.

Please process this bond disclosure form for review by the Bond Oversight Committee at their next meeting. Should you have any questions or require any additional information, please contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "L Theinert", with a long horizontal flourish extending to the right.

## **Municipal Advisor Disclosure of Conflicts of Interest and Other Information**

RSA Advisors, LLC (“RSA Advisors”)

### **Introduction**

RSA Advisors is a registered municipal advisory firm registered with the Securities and Exchange Commission (the “SEC”) and the Municipal Securities Rulemaking Board (the “MSRB”). In accordance with MSRB rules, this disclosure statement is provided by RSA Advisors to each client prior to the execution of its advisory agreement with written disclosures of any material conflicts of interest and legal or disciplinary events that are required to be disclosed with respect to providing financial advisory services pursuant to MSRB Rule G-42(b) and (c) (ii).

RSA Advisors employs a number of resources to identify and subsequently manage actual or potential conflicts of interest. These resources include the implementation of policies and procedures and a supervisory structure.

### **General Conflict of Interest Disclosures**

**Disciplinary History:** As a registered municipal advisory firm registered with the “SEC” and the “MSRB”, our disciplinary events are required to be disclosed on our forms MA and MA-I filed with the SEC. To review the disclosures on these forms, you may access them electronically via the SEC's Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) at: [www.sec.gov](http://www.sec.gov)

**Compensation Based:** The fees due under a Municipal Advisor Agreement may be based on the size of the transaction and the payment of such fees shall be contingent upon the closing of the transaction. While this form of compensation is usual and customary in the municipal securities market, this may present a conflict of interest. RSA believes that this conflict of interest will not impair our ability to render unbiased advice or to fulfill our fiduciary duty to the client.

**Sponsorships and Donations:** Upon request, RSA Advisors may provide sponsorships or donations to various municipal organizations (to which you may be a member), charitable organizations or client sponsored events. RSA Advisors limits the size of any such sponsorship or donation to a reasonable level taking into consideration various matters such as the purpose of the organization, other sponsorships or donations made to the organization and RSA Advisors' role and physical presence in the community and the state.

**Other Municipal Advisory Relationship:** RSA Advisors serves a wide variety of clients that may potentially have interests that could have a direct or indirect impact on the interests of the client. RSA Advisors could potentially face a conflict of interest arising from these competing client interests. None of these other relationships or engagements would impair RSA Advisors' ability to fulfill its regulatory duties to the client.

To our knowledge, following reasonable inquiry, we are not aware of any actual or potential conflicts of interest that could reasonably be anticipated to impair our ability to provide advice to or on behalf of the client in accordance with the applicable standards of conduct of MSRB Rule G-42. If RSA becomes aware of any potential or actual conflict of interest after this disclosure, we will disclose the detailed information in writing to the client in a timely manner including a plan for mitigation.

RE: \$3,150,000 Lewis County School District Finance Corporation  
School Building Revenue Bonds, Series of 2023

Dear Ms. Couch:

Please find enclosed a Bond Payee Disclosure Form and Plan of Financing related to the above-referenced series of Bonds. The Bonds will be used to finance construction of a new Career and Technical Education Center.

We would like to go ahead and submit the plan to Bond Oversight so that we will be ready to proceed with the bond sale in the coming months. The Bonds will be funded with 4.48% SFCC funds.

Please process this bond disclosure form for review by the Bond Oversight Committee at their next meeting. Should you have any questions or require any additional information, please contact our office.

Sincerely,

## **Municipal Advisor Disclosure of Conflicts of Interest and Other Information**

RSA Advisors, LLC (“RSA Advisors”)

### **Introduction**

RSA Advisors is a registered municipal advisory firm registered with the Securities and Exchange Commission (the “SEC”) and the Municipal Securities Rulemaking Board (the “MSRB”). In accordance with MSRB rules, this disclosure statement is provided by RSA Advisors to each client prior to the execution of its advisory agreement with written disclosures of any material conflicts of interest and legal or disciplinary events that are required to be disclosed with respect to providing financial advisory services pursuant to MSRB Rule G-42(b) and (c) (ii).

RSA Advisors employs a number of resources to identify and subsequently manage actual or potential conflicts of interest. These resources include the implementation of policies and procedures and a supervisory structure.

### **General Conflict of Interest Disclosures**

**Disciplinary History:** As a registered municipal advisory firm registered with the “SEC” and the “MSRB”, our disciplinary events are required to be disclosed on our forms MA and MA-I filed with the SEC. To review the disclosures on these forms, you may access them electronically via the SEC's Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) at: [www.sec.gov](http://www.sec.gov)

**Compensation Based:** The fees due under a Municipal Advisor Agreement may be based on the size of the transaction and the payment of such fees shall be contingent upon the closing of the transaction. While this form of compensation is usual and customary in the municipal securities market, this may present a conflict of interest. RSA believes that this conflict of interest will not impair our ability to render unbiased advice or to fulfill our fiduciary duty to the client.

**Sponsorships and Donations:** Upon request, RSA Advisors may provide sponsorships or donations to various municipal organizations (to which you may be a member), charitable organizations or client sponsored events. RSA Advisors limits the size of any such sponsorship or donation to a reasonable level taking into consideration various matters such as the purpose of the organization, other sponsorships or donations made to the organization and RSA Advisors' role and physical presence in the community and the state.

**Other Municipal Advisory Relationship:** RSA Advisors serves a wide variety of clients that may potentially have interests that could have a direct or indirect impact on the interests of the client. RSA Advisors could potentially face a conflict of interest arising from these competing client interests. None of these other relationships or engagements would impair RSA Advisors' ability to fulfill its regulatory duties to the client.

To our knowledge, following reasonable inquiry, we are not aware of any actual or potential conflicts of interest that could reasonably be anticipated to impair our ability to provide advice to or on behalf of the client in accordance with the applicable standards of conduct of MSRB Rule G-42. If RSA becomes aware of any potential or actual conflict of interest after this disclosure, we will disclose the detailed information in writing to the client in a timely manner including a plan for mitigation.

RE: \$5,725,000 Oldham School District Finance Corporation  
School Building Refunding Revenue Bonds, Series of 2023

Dear Ms. Couch:

Please find enclosed a Bond Payee Disclosure Form and Plan of Financing related to the above-referenced series of Bonds. The Bonds will be used to refinance the Series 2013 Bonds.

We would like to go ahead and submit the plan to Bond Oversight so that we will be ready to proceed with the bond sale in the coming months. The Bonds will be funded with 25.06% SFCC funds.

Please process this bond disclosure form for review by the Bond Oversight Committee at their next meeting. Should you have any questions or require any additional information, please contact our office.

Sincerely,

A handwritten signature in blue ink that reads 'Dwight G. Salsbury'.

RE: \$2,800,000 Paintsville Ind. School District Finance Corporation  
School Building Revenue Bonds, Series of 2023

Dear Ms. Couch:

Please find enclosed a Bond Payee Disclosure Form and Plan of Financing related to the above-referenced series of Bonds. The Bonds will be used to finance middle/high school improvements.

We would like to go ahead and submit the plan to Bond Oversight so that we will be ready to proceed with the bond sale in the coming months. The Bonds will be funded with 10.71% SFCC funds.

Please process this bond disclosure form for review by the Bond Oversight Committee at their next meeting. Should you have any questions or require any additional information, please contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read 'L Theinert', with a long horizontal flourish extending to the right.

## **Municipal Advisor Disclosure of Conflicts of Interest and Other Information**

RSA Advisors, LLC (“RSA Advisors”)

### **Introduction**

RSA Advisors is a registered municipal advisory firm registered with the Securities and Exchange Commission (the “SEC”) and the Municipal Securities Rulemaking Board (the “MSRB”). In accordance with MSRB rules, this disclosure statement is provided by RSA Advisors to each client prior to the execution of its advisory agreement with written disclosures of any material conflicts of interest and legal or disciplinary events that are required to be disclosed with respect to providing financial advisory services pursuant to MSRB Rule G-42(b) and (c) (ii).

RSA Advisors employs a number of resources to identify and subsequently manage actual or potential conflicts of interest. These resources include the implementation of policies and procedures and a supervisory structure.

### **General Conflict of Interest Disclosures**

**Disciplinary History:** As a registered municipal advisory firm registered with the “SEC” and the “MSRB”, our disciplinary events are required to be disclosed on our forms MA and MA-I filed with the SEC. To review the disclosures on these forms, you may access them electronically via the SEC's Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) at: [www.sec.gov](http://www.sec.gov)

**Compensation Based:** The fees due under a Municipal Advisor Agreement may be based on the size of the transaction and the payment of such fees shall be contingent upon the closing of the transaction. While this form of compensation is usual and customary in the municipal securities market, this may present a conflict of interest. RSA believes that this conflict of interest will not impair our ability to render unbiased advice or to fulfill our fiduciary duty to the client.

**Sponsorships and Donations:** Upon request, RSA Advisors may provide sponsorships or donations to various municipal organizations (to which you may be a member), charitable organizations or client sponsored events. RSA Advisors limits the size of any such sponsorship or donation to a reasonable level taking into consideration various matters such as the purpose of the organization, other sponsorships or donations made to the organization and RSA Advisors' role and physical presence in the community and the state.

**Other Municipal Advisory Relationship:** RSA Advisors serves a wide variety of clients that may potentially have interests that could have a direct or indirect impact on the interests of the client. RSA Advisors could potentially face a conflict of interest arising from these competing client interests. None of these other relationships or engagements would impair RSA Advisors' ability to fulfill its regulatory duties to the client.

To our knowledge, following reasonable inquiry, we are not aware of any actual or potential conflicts of interest that could reasonably be anticipated to impair our ability to provide advice to or on behalf of the client in accordance with the applicable standards of conduct of MSRB Rule G-42. If RSA becomes aware of any potential or actual conflict of interest after this disclosure, we will disclose the detailed information in writing to the client in a timely manner including a plan for mitigation.
