THIS LEASE, entered into between: BNL Investments, LLC, whose address is: 5276 Cedar Grove Rd., Olaton, KY 42361 (Business Phone: 270-256-2303), his heirs and assigns, hereinafter called the "Lessor", and the COMMONWEALTH OF KENTUCKY, hereinafter referred to as the "Commonwealth";

WITNESSETH, that for the consideration hereinafter mentioned, the parties hereto agree as follows:

1a. The Lessor hereby leases to the Commonwealth and agrees to keep in quiet and peaceful possession the following described premises with its appurtenances; property located at <u>947 West 7<sup>th</sup> Street, Beaver Dam KY</u>, in the County of <u>Ohio</u>.

1b. Said premises consisting of 12,700 square feet are to be rented at the cost of \$15.00 per square foot and will be used by the Commonwealth for office space.

2. The Commonwealth agrees to pay rent to the Lessor for the leased premises at the rate of \$47,625.00, payable Quarterly. The Lessor shall provide the Commonwealth with the following services: None; with 40 reserved parking spaces.

3. Subject to the limitations imposed by law and as provided in paragraphs 5 and 6 of this Lease, the term during which the Lease shall be effective shall begin July 1, 2023, and end June 30, 2024.

4. This Lease shall be extended automatically upon the same terms and conditions herein for further periods of 12 months, not to exceed <u>Z</u> extension period(s) unless the Commonwealth shall give the Lessor written notice <u>30</u> days prior to the expiration of the term or any extension that it will not be extended; no extension shall prolong the period of occupancy of the leased premises beyond the <u>30<sup>rd</sup></u> day of <u>June, 2031</u>. The Lessor understands that the Commonwealth's funds cannot be committed beyond its current fiscal year and its applicable appropriation, and the related allotment from rental payments will be made.

5. The Commonwealth shall have the further right to terminate this Lease at any time upon 30 days written notice, time to be computed from date of mailing notice; termination under this paragraph shall not be considered effective until the last day of the month in which the notice period ends.

8. The Commonwealth agrees not to assign this Lease, or to sublet the premises except to a desirable lenant and for a similar purpose, and will not permit the use of the premises by anyone other than the Commonwealth, the Federal Government, or such sub-lessee, and the agents and servants of the Commonwealth, the Federal Government, or such sub-lessee.

7. The Commonwealth shall have the right during the existence of this Lease to make alterations, attach fixtures and erect additional structures or signs in or upon the leased premises, provided such alterations, additions, structures or signs shall not be definiental to or inconsistent with rights granted to other tenants on the property or in the building in which the premises are located. Fixtures, additions, structures or signs placed in or upon or attached to the premises shall remain the Commonwealth's property and may be removed by it prior to the lemmination of this Lease.

8. Unless otherwise specified, the Lessor shall maintain the premises in good repair and lenantable condition, including heating and/or air conditioning equipment, except in case of damage arising from the negligent acts of the Commonwealth's agents or employees. For the purpose of maintaining the premises and to make necessary repairs, the Lessor reserves the right to enter and inspect the premises at reasonable times.

9. The Commonwealth agrees to take good care of the premises and to return them at the expiration of their Lease in as good order as received, ordinary wear and tear and natural decay excepted.

10. The Lessor shall be responsible for procuring and continuously maintaining casualty and liability insurance on the leased pramises.

11. If the premises are destroyed by fire or other casualty, this Lease shall immediately terminate. In case of partial destruction or damage so as to render the premises untenantable, the Commonwealth may terminate or suspend this Lease by giving written notice to the Lessor within 15 days after such partial destruction or damage, and, if so suspended, no rent shall accrue to the Lessor after the date of such partial destruction or damage, and, if so suspended, no rent shall accrue to the Lessor after the date of such partial destruction or damage until such damage is repaired and premises are considered tenantable.

12. It is agreed by the parties hereto that if any one of the provisions of this Lease shall contravene or be invalid under the laws of the Commonwealth of Kentucky, such contravention or invalidity shall not invalidate the whole Lease, but it shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the parties shall be construed as if not containing that perticular provision or provisions, and the rights and obligations of the perties shall be construed as if not containing that perticular provision or provisions of the perticular provisions of the perticular provision of the perticular pr

#### <u>MEMORANDUM</u>

TO:	Scott Aubrey, Director
	Division of Real Properties
FROM:	Brien S. Hoover, Leasing Manager
DATE:	June 27, 2023
SUBJECT:	PR-4175, Ohio County Cabinet for Health & Family Services

The Cabinet for Health and Family Services currently occupies 12,700 square feet of space, leased at a rental rate of \$8.50 per square foot (\$107,950.00 annually) excluding utilities and janitorial services, with a term expiring June 30, 2023. During regular renewal cycle processing the lessor advised that they would require a rental rate increase. Accordingly, and pursuant to applicable provisions of KRS 56.806, advertisements were placed and one best & final proposal was received as follows:

1. BNL Investments, LLC proposed existing space at 947 West 7<sup>th</sup> Street in Beaver Dam, Kentucky. with 12,700 square feet of office space and 40 reserved paved parking spaces at \$15.50 per square foot excluding utilities, through June 30, 2031.

Efforts to negotiate more favorable terms for the agency were successful with the lessor agreeing to lower the proposed rental rate from \$15.50 to \$15.00 (\$190,500.00 annually) per square foot. The Cabinet for Health and Family Services has recommended acceptance of the proposed lease terms as defined herein. Capital Projects and Bond Oversight Committee approval is required for the proposed lease agreement and your approval of same is recommended to secure continued access to suitable office space for benefit of the Cabinet for Health and Family Services.

#### MEMORANDUM

TO:	Scott Aubrey, Director Division of Real Properties
FROM:	Brien S. Hoover, Leasing Manager Division of Real Properties
DATE:	July 19, 2023
SUBJECT:	PR-4000, Floyd County Cabinet for Health & Family Services

The Cabinet for Health & Family Services presently occupies 10,409 square feet of office space leased at a rental rate of \$10.45 per square foot (\$108,774.00 annually) excluding utilities and janitorial services (PR-4000) and 2,103 square feet of office/clinic space leased at a rental rate of \$9.02 per square foot (\$18,969.12 annually) including utilities and janitorial services (PR-4511). The agency recently submitted a space request indicating a need for approximately 14,563 square feet of supplemental space to accommodate additional staffing associated with the existing office (i.e., Department of Community Based Services (PR-4000)) and to allow for the consolidation of Cabinet operations in Floyd County by providing space for the Office for Children with Special Healthcare Needs (PR-4511). Pursuant to KRS 56.813(1), and subsequent to review of plans and specifications for the additional space, the lessor consented to lease the necessary space at terms that exceed those applied to the existing lease agreement. Specifically, they have agreed to extend the proposed lease term to June 30, 2031 as is permitted under KRS 56.806(1) as opposed to the current expiration date of June 30, 2026.

The renovations necessary to accommodate the Cabinet for Health & Family Services within the proposed supplemental space requires extensive demolition and renovation (e.g., demo/installation of framing and drywall, upgrade of electrical services, all associated interior finish work, and associated HVAC and sprinkler system modifications). Based on the scope and cost of renovations for the project, negotiations with the lessor relative to the Cabinet absorbing renovation expenses resulted in an agreement to limit those costs to fifty percent (50%) of the total cost. In accordance with applicable provisions of KRS 56.813(2), the lessor provided a single estimate for the renovations (\$529,060.00 from Alliance Corporation) and the negotiated cost distribution noted above then results in the amortization of \$264,530.00 in renovation expenses over the extended lease term.

The attached lease modification therefore provides for an increase of 13,121 square feet in the area under lease; from 10,409 square feet to 23,530 square feet, and the corresponding increase of \$137,114.52 in the annual rent; from \$108,774.00 to \$245,888.52. The modification further provides for the five automatic extension periods resulting in a new lease expiration date of June 30, 2031, and for the amortization of \$264,530.00 in improvement expenses as described herein. Capital Projects & Bond Oversight Committee reporting is required for the proposed modification and your approval of same is recommended to secure supplemental space for expansion and consolidation as requested by the Cabinet for Health & Family Services.

Should you require additional information, please advise.

MEMORANDUM

TO:	Scott Aubrey, Director Division of Real Properties
FROM:	Brien S. Hoover, Leasing Manager Division of Real Properties
DATE:	July 17, 2023
SUBJECT:	PR-5685, Hardin County

Transportation Cabinet

The Transportation Cabinet presently occupies 5,813 square feet of space located in a state-owned facility at a cost of \$104,634.00 annually (reference IA-0630 Hardin County). leased at a rental rate of \$18.00 per square foot (\$104,634.00 annually) including utilities (reference IA-0630, Hardin County). The Cabinet submitted a request for replacement space based on age/condition of the space and limited parking areas suitable for driver testing operations. An Invitation to Lease was also processed relative to this request in late 2021 and failed to produce any responses. The space request from the Cabinet indicated a need for approximately 4,161 square feet of space and a review of properties currently leased by the Commonwealth indicated that suitable space to accommodate this request was available in a facility occupied by the Cabinet for Health and Family Services (reference PR-3720 Hardin County). Subsequent to review of plans and specifications for the proposed space, the lessor has consented to lease 4,527 square feet of space at the rental rate applicable to the existing lease agreement and they have consented to extend the lease term to the maximum permitted under KRS 56.806(1).

The renovations necessary to accommodate the Transportation Cabinet within the proposed space requires complete demolition and renovation (e.g., demo/installation of framing and drywall, upgrade of electrical services, all associated interior finish work, and creation of a new primary entrance on the front side of the proposed building). Based on the scope of work and the cost of renovations to convert the space in a manner that satisfies current specification requirements for Driver Licensing offices the lessor has requested that the Cabinet absorb the entire renovation cost. In accordance with applicable provisions of KRS 56.813(2), the lessor has provided two estimates for renovations/construction (\$322,350.00 from David Company LLC, Louisville KY and \$438,900.00 from Jenkins-Essex Construction, Elizabethtown KY). The Transportation Cabinet has recommended acceptance of the low bid from David Company LLC for \$322,350.00 with this amount amortized over the extended term of the lease as defined above.

Memo to: Scott Aubrey, Director PR-5685, Hardin County Transportation Cabinet July 17, 2023 Page Two

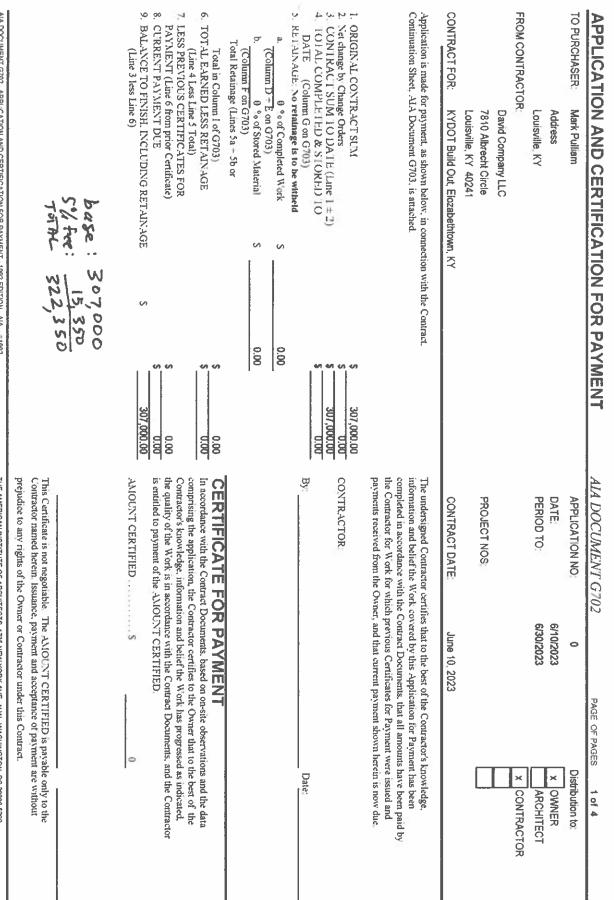

In accordance with applicable provisions of KRS 56.813(1), the attached lease agreement therefore provides for the use of 4,527 square feet of office space at a rental rate of \$9.25 per square foot (\$41,874.76 annually), including partial utilities and excluding janitorial services with a term expiring June 30, 2031. In accordance with applicable provisions of KRS 56.813(2), the attached lease modification agreement then provides for the amortization of \$322,350.00 in renovation expenses per estimates submitted by David Company LLC. The anticipated amortization period of eighty-eight (88) months results in estimated annual amortization costs of \$43,956.84 and a total estimated annual lease cost of \$85,831.60. Capital Projects & Bond Oversight Committee reporting is required for the proposed lease modification and your approval of the attached lease agreement and lease modification agreement is recommended to secure suitable space as requested by the Transportation Cabinet.

Should you require additional information, please advise.

MEMORANDUM

TO:

FROM:

Scott Aubrey, Director **Division of Real Properties** 

Brien S. Hoover, Leasing Manager **Division of Real Properties** 

DATE: July 21, 2023

PR-3791, Jefferson County SUBJECT: Board of Nursing

The subject lease agreement currently provides the Board of Nursing with use of 22,010 square feet of space, leased at a rental rate of \$11.75 per square foot (\$258,617.52 annually) including partial utilities and excluding janitorial services, with a term expiring June 30, 2029. The lease agreement is presently in suspension due to partial damage resulting from burst sprinkler lines, repairs to the facility are estimated to be complete on or about September 1, and the agency is utilizing 1,276 square feet of temporary office space leased in an adjacent facility at a rental rate of \$15.25 per square foot (\$19,459.00 annually) including all utilities and janitorial services (reference PR-5760, Jefferson County). Prior to the aforementioned water damage the Board of Nursing had submitted a request to reduce the area under lease, with the original space request indicating a need for approximately 14,370 square feet of space and the final approved floor plan providing for the use of 16,329 square feet of space.

In accordance with the provisions of KRS 56.813(1), the lessor has consented to the proposed reduction in the area under lease at the terms and conditions applicable to the lease agreement. In the course of finalizing the square footage adjustments and recognizing that three of the four suites retained by the agency would be completely demolished and reconstructed due to the water damage affecting the west side of the building, the agency requested that finishes (i.e., painting, floor coverings, etc.) in the undamaged portion of the facility be replaced so that they entire premises would provide a consistent appearance and age and they requested corner guards be installed to prevent future drywall damage at ten high traffic areas. Subsequent to review of the age/condition of the existing finishes in the undamaged portion of the leased premises, further negotiations with the lessor and agency resulted in a proposed cost distribution of approximately forty-two percent (41.67%) to the tenant agency and approximately fifty-eight percent (58.33%) to the lessor. The total estimated cost of the improvement is \$59,762.54 and the Board of Nursing would assume responsibility for \$24,903.29 of that total.

The attached lease modification therefore provides for a reduction of 5,681 square feet in the area under lease; from 22,010 to 16,329 square feet, and the corresponding decrease of \$66,751.76 in the annual rent; from \$258,517.52 to \$191,865.76. The modification further provides for the amortization of \$24,903.29 in leasehold improvement expenses as described above. Projections based on an estimated amortization period of sixty-nine months indicate that regular annual amortization costs would be approximately \$4,331.04. Capital Projects and Bond Oversight Committee reporting for the proposed modification is required prior to execution in accordance with applicable provisions of KRS 56.823(11), and your approval of the attached modification is recommended to resolve the request to reduce the area under lease and the request for leasehold improvements submitted by the Board of Nursing.

Should you require additional information, please advise.

#### <u>MEMORANDUM</u>

TO:	Scott Aubrey, Director Division of Real Properties
FROM:	Brien S. Hoover, Leasing Manager
DATE:	July 25, 2023
SUBJECT:	PR-5411, Franklin County Energy and Environment Cabinet

The subject agency has submitted a tenant improvement request to complete leasehold improvements at the 300 Building located at 300 Sower Boulevard, Frankfort, Kentucky. This building was originally proposed to accommodate approximately 1,500 staff in state offices from Fair Oaks and the Capital Plaza Tower. The staff and offices were not identified until after the design was complete. Therefore, since the agencies have moved, they are now identifying what improvements to the building are required to meet their programmatic needs.

The agency has submitted the following request for leasehold improvements at this time.

- TIF Installation of 2 new dual cable pedestal mount EV Chargers CPF50 Level 2 on new concrete
- pads. The lessor obtained three estimates one from Arts Electric in the amount of \$88,963.00, another from Blue Sky Electric in the amount of \$52,670.75, and another quote from Fox Electric LLC. in the amount of \$51,146.00.

The agency recommended the low bid. Therefore, the total cost for the improvements is \$51,146.00.

The total amount of the improvements as of today including the one listed above is \$262,764.61. Additional improvements will be requested by the agencies in the future. In addressing these needs we are unable to modify the lease due to the bonds that were issued by the developer to fund the project. That is the reason a tenant improvement fund was included in the executed lease document to address these issues. The fund was initially funded through cost savings in the construction of the building and through a savings created on the issuance of the bonds. The agencies will be responsible for any future funding for improvements they require in order to meet their programmatic needs.

Scott Aubrey July 25, 2023 Page 2

100

Agency requested improvements will not exceed \$600,000 in total. Your approval of this action is recommended to accomplish the improvements to this facility as requested by the agency.

Should you require additional information, please advise.
