**RE: Economic Development Fund Grant - \$100,000 to Christian County on behalf of Grupo Antolin Kentucky, Inc.**

Dear Secretary Johnson:

In accordance with KRS 154.12-100, this letter shall serve as notice of my recommendation for the use of \$100,000 in Economic Development Fund (EDF) funds for the purpose of making a grant to Christian County on behalf of Grupo Antolin Kentucky, Inc.

Grupo Antolin Kentucky Inc. was founded in Hopkinsville, KY in 1996 to supply the automotive industry with interior components necessary for new vehicle production. The Kentucky location was the first manufacturing facility in the U.S. for the Spanish owned Grupo Antolin. The company currently manufactures around 1.5 million headliners per year and employs 400+ persons at the Hopkinsville location. In an effort to improve the facility and operations, the company is looking to widen their loading dock access road, which will also help keep the condition of the current asphalt up the industry standard.

Under the terms of the EDF grant agreement, requests may be submitted no more than monthly, and funds shall be disbursed on a reimbursement basis. Supporting documentation of invoices, proof of payment, matching funds, etc. and a progress report will be required to be submitted with each request. Upon staff's review and approval of all documentation, funds will be disbursed to the local government entity to provide to the project applicant.

I respectfully request your concurrence in the funding of this project. If KEDFA approves this proposal, I would ask that you place this project on the next agenda of the State Property and Buildings Commission. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. M. M." followed by a stylized "N".

Jeff Noel  
Secretary
