# 1915(c) Redesign Status Update

Public comment input, specific to Navigant's recommendations, was completed on June 15, 2018.

Navigant will be submitting a final report to the Cabinet of their assessment of Kentucky's 1915(c) waivers and their recommendations for redesign.

Cabinet leadership, in consultation with the Governor's office, will identify which recommendations to implement, utilizing stakeholder input received to help aid decisions.

The Cabinet will release implementation strategies and draft waivers with periods for public comment.
