Four Deceased Farm Animal Removal Programs totaling \$27,000 were approved for Casey (\$7,500), Franklin (\$4,500), Harrison (\$7,500), and Nicholas (\$7,500) counties.

Youth Agricultural Incentives Program

The Youth Agricultural Incentives Program (Youth) was developed to facilitate a growing need for a specialized program that would encourage youth to engage in and explore agricultural opportunities. Three Youth Programs were approved by the board totaling \$45,000 for Carroll (\$15,000), Rowan (\$20,000), and Wayne (\$10,000) counties.

###

Great strides continue being made toward lessening Kentucky's dependence on tobacco production while revitalizing the farm economy by investing a portion of Kentucky's Master Settlement Agreement Funds into the Kentucky Agricultural Development Fund.

To date, Kentucky has invested more than \$605 million in an array of county, regional and state projects designed to increase net farm income and create sustainable new farm-based business enterprises. These funding approvals, made possible by the Kentucky Agricultural Development Fund, represent just a few of the more than 6,100 projects approved, since the inception of the program in January 2001.
