Gov. Beshear and Kentucky Agricultural Development Board Approve Nearly \$3 million for 26 Projects Across Commonwealth *Investments Boost Key Industry During the Fight Against COVID-19*

FRANKFORT, Ky. (May 15, 2020) – The Kentucky Agricultural Development Board approved \$2,820,352 for 26 agricultural diversification and rural development projects across the commonwealth at its monthly board meeting.

“Kentucky’s farmers and producers work hard every day to help feed our commonwealth, and we are especially thankful to them throughout this difficult time,” said Gov. Andy Beshear. “The KADB approvals today will help our farmers improve profitability and markets for their products, and I am proud to support these efforts.”

State Investments:

Integrated Beef Assessment Tool

The University of Kentucky Research Foundation was approved for up to \$256,602 in state funds to launch an online, integrated beef assessment tool. The goal of this project is to facilitate producers to improve their management practices to increase profitability and overall sustainability of their operations. For more information on this project, contact Dr. Darrh Bullock at 859-257-7514 or dbullock@uky.edu.

Farmers Market Pavilion

Winchester Clark County Farmers Market was approved for up to \$210,000 in state funds and \$25,000 in Clark County funds to construct a permanent farmers market structure. Formed in 1991 by local farmers, the Winchester Clark County Farmers Market’s more than 30 farming families and businesses provide the community with locally raised produce and vegetables. For more information on this project, contact Stefan Fink at 859-771-8441 or stefandavidfink@gmail.com.

Facility Upgrade

JSW Farm Chop Shop Inc. was approved for up to \$173,230 in state funds to purchase a carcass washing unit. Located in Wolfe County, JSW Farm Chop Shop Inc. is a Global Food Safety Initiative (GFSI) certified processing facility. Installation of a beef carcass wash system

is required by the U.S. Department of Agriculture (USDA) to process beef trim for customers seeking to use the trim in a ground beef product. For more information on this project, contact Jonathan Whitt at 606-662-4121 or jonathan@jswfarmchopshop.com.

County Investments:

Carroll County

Carroll County Conservation District was awarded \$120,798 in Carroll County funds to administer CAIP. The maximum producer limit for Carroll County farmers is \$2,000 for the 2020 program year. For more information, contact Crystal Willis at 502-732-6098 or crystal.willis@ky.nacdnet.net.

Casey County

Casey County Conservation District was awarded an additional \$247,260 in Casey County funds to administer CAIP for the 2019 program year with the maximum producer limit for Casey County farmers of \$3,000. For more information, contact Joseph Williams at 606-787-2017 or joseph.wiliams@ky.nacdnet.net.

Clark County

Clark County Fair and Horse Show, Inc. was approved for up to \$21,332 in Clark County funds to build a new facility to house the 4-H and FFA exhibits. Funds will be used to construct a metal building for local youth agricultural organization members. For more information on this project, contact Terra Pigg at 859-744-6111 or terra.pigg@clark.kyschools.us.

Clark County Conservation District was awarded \$184,000 in Clark County funds to administer CAIP. The maximum producer limit for Clark County farmers is \$3,000 for the 2020 program year. For more information, contact Angela Embry at 859-744-2322 or angela.embry@ky.nacdnet.net.

Hardin County

Hardin County Fiscal Court was awarded \$12,500 in Hardin County funds to administer DAR for the 2020 program year. Hardin County Pearl Hollow Landfill will provide the service with costs to producers being \$150/feeder, \$160/cow and \$165/bull. For more information, contact Stefanie Givens at 270-360-9207 ext. 1 or sgivens@hcky.org.

Henry County

Henry County Cattlemen's Association, Inc. was awarded a total of \$290,000 in Henry County funds to administer three county programs: \$230,000 was awarded for CAIP with a maximum producer limit of \$2,500 for the 2020 program year; \$45,000 was awarded for NextGen with a maximum producer limit of \$5,000 for the 2020 program year; and \$15,000 was awarded to the Youth Program with the maximum student limit of \$1,500 for the 2020 program year. For more information, contact Laraine Staples at 502-645-8568 or laraine3173@gmail.com.

Jessamine County

Jessamine County FFA Alumni Association, Inc. was awarded \$100,000 in Jessamine County funds to administer CAIP. The maximum producer limit for Jessamine County farmers is \$4,000 for the 2020 program year. For more information, contact Carl Waits at 859-948-5527 or carl.waits@twc.com.

Lincoln County

Lincoln County Fiscal Court was awarded \$15,000 in Lincoln County funds to administer DAR for the 2020 program year. Tri-K Landfill will provide the service at no cost to producers. For more information, contact Jim Adams at 606-365-2534 or jadams@lincolnky.com.

Marion County

Marion County Conservation District was awarded a total of \$228,624 in Marion County funds to administer two county programs: \$216,000 was awarded for CAIP with a maximum producer limit of \$2,500 for the 2020 program year; and \$12,624 was awarded for DAR for the 2020 program year. Nelson County Landfill will provide the service with a cost to producers of \$20/animal. For more information, contact Natalie Browning at 270-692-2431 or natalie.browning@ky.nacdnet.net.

Mercer County

Mercer County Conservation District was awarded \$206,593 in Mercer County funds to administer CAIP. The maximum producer limit for Mercer County farmers is \$4,000 for the 2020 program year. For more information, contact John Overing at 859-734-4326 or john.overing@ky.nacdnet.net.

Montgomery County

Montgomery County Conservation District was awarded \$200,000 in Montgomery County funds to administer CAIP. The maximum producer limit for Montgomery County farmers is \$5,000 for the 2020 program year. For more information, contact Tracy Mapel at 859-585-2702 or tracy.mapel@ky.nacdnet.net.

Muhlenberg County

Muhlenberg County Cattlemen's Association Inc. was awarded \$42,413 in Muhlenberg County funds to administer CAIP. The maximum producer limit for Muhlenberg County farmers is \$5,000 for the 2020 program year. For more information, contact Emily Knight at 270-641-3002 or emily.knight@ky.nacdnet.net.

Oldham County

Oldham County Farm Bureau was awarded a total of \$34,000 in Oldham County funds to administer two county programs: \$30,000 was awarded for CAIP with a maximum producer limit of \$1,500 for the 2020 program year; and \$4,000 was awarded for the Youth Program. The maximum student limit of \$4,000 for the 2020 program year. For more information, contact Laraine Staples at 502-645-8568 or laraine3173@gmail.com.

Oldham County Fiscal Court was awarded \$5,000 in Oldham County funds to administer DAR for the 2020 program year. Blueline Outdoor will provide the service with a cost to producers of \$35/animal. For more information, contact Polly Helton at 502-222-7387 or phelton@oldhamcountky.gov.

Owen County

Owen County Farm Bureau was awarded an additional \$275,000 in Owen County funds to administer CAIP. The maximum producer limit for Owen County farmers is \$5,000 for the 2020 program year. For more information, contact Gayla Lewis at 502-750-0797 or gayla.lewis@ymail.com.

Shelby County

Shelby County Fiscal Court was awarded \$7,500 in Shelby County funds to administer DAR for the 2020 program year. Conboy Enterprises and Countryside Industries will provide the service at no cost to producers. For more information, contact Janet Cuthrell at 502-633-1220 or janet.cuthrell@shelbycoky.com.

Shelby County Farm Bureau, Inc. was awarded an additional \$15,500 in Shelby County funds to administer CAIP with the maximum producer limit for Shelby County farmers of \$2,500 for the 2019 program year. For more information, contact Judy White at 502-633-4593 or shelby.caip@gmail.com.

Trimble County

Trimble County Cattlemen's Association, Inc. was awarded a total of \$150,000 in Trimble County funds for two county programs: \$130,000 was awarded for CAIP with a maximum producer limit of \$2,000 for the 2020 program year; and \$20,000 was awarded for the Youth Program with a maximum student limit of \$1,500 for the 2020 program year. For more information, contact Laraine Staples at 502-645-8568 or laraine3173@gmail.com.

The County Agricultural Investment Program (CAIP) provides farmers with incentives to allow them to improve and diversify their current production practices. CAIP covers a wide variety of agricultural enterprises in its 11 investment areas, including, but not limited to, bees and honey; equine; forage; beef and dairy cattle; goats and sheep; horticulture; poultry; swine; timber and technology, as well as energy efficiency and production; farm infrastructure and water enhancement; marketing; and value-added production.

The Deceased Farm Animal Removal Program (DAR) serves as a measure to facilitate the coordination of environmentally sound and cost-effective disposal of deceased livestock for Kentucky producers.

The Next Generation Farmer Program (NextGen) addresses the growing need for a specialized program that would benefit producers ages 18 to 40 that have been engaged in an agricultural operation for a minimum of three years.

The Youth Agricultural Incentives Program (Youth) encourages youth to engage in and explore agricultural opportunities.

All application periods and deadlines for CAIP, NextGen and Youth programs will be advertised locally. For more information about application dates and guidelines in each county, please call or email the contact list above under the appropriate county.

Gov. Beshear and Kentucky Agricultural Development Board Approve Additional Investment for Capital Access Loan Programs *Kentucky Agricultural Finance Corporation Receives \$5 Million Investment*

FRANKFORT, Ky. (May 15, 2020) – The Kentucky Agricultural Development Board (KADB) recently approved \$5 million for the Kentucky Agricultural Finance Corporation's (KAFC) revolving loan programs.

“During this uncertain time, capital availability for our agriculture industry is extremely important,” said Gov. Andy Beshear. “The investment today will ensure that our farmers and producers can continue to provide necessary services and products to the commonwealth.”

The KAFC provides financial assistance to individuals and enterprises interested in launching or expanding their agricultural manufacturing or value-added processing operations. This is comprised of investments for the purchase of livestock, land and machinery, the production of agricultural infrastructure and the expansion of agriculture-associated endeavors.

The demand for KAFC participation in agricultural projects has continued to increase since its revitalization in 2004. KAFC assets exceed \$89 million, with more than 74 percent of the disbursed portfolio being comprised of Beginning Farmer loans (\$56 million), which continue to be a priority of the KADB and KAFC boards. One hundred percent of principal and interest payments received by KAFC are invested directly back into the loan programs.

For more information on the programs offered by the KAFC, contact Ali Hulett, loan programs manager, at 502-782-1760 or visit the KAFC webpage at kafc.ky.gov.

Gov. Beshear and Kentucky Agricultural Development Board Approve \$1 Million Investment for Meat Processing Expansion *Investment Aids Critical Expansion During Pandemic*

FRANKFORT, Ky. (May 19, 2020) – The Kentucky Agricultural Development Board (KADB) recently approved \$1 million for the Kentucky Agricultural Development Fund (KADF) Meat Processing Investment Program.

“We want to take every step we can to help the farmers and producers who are keeping food on our table during this pandemic,” said Gov. Andy Beshear. “This program will help our smaller processors, who have been overwhelmed during this outbreak, to adapt, expand their operations and maintain the food chain we all depend on.”

In response to COVID-19, the KADB developed the Meat Processing Investment Program to provide financial incentives for Kentucky meat processors to expand their operations to process more Kentucky beef, dairy, pork, lamb, sheep, goat and poultry products. Three separate investment areas include Kentucky Meat Processor Incentives, Simplified Processor Capacity Expansion and Large-Scale Processing Expansion.

Through the Level 1 Kentucky Meat Processor Incentives (Level 1) investments, eligible applicants can receive up to \$20,000 per facility. This is for processors needing support with costs related to increasing processing capacity of Kentucky animals custom processed under U.S. Department of Agriculture (USDA) inspection. Level 1 incentives will be paid per head processed above a pre-determined baseline at the following rates: \$100/cattle; \$50/hog; \$25/sheep or goat; and \$1/poultry. For more information or to apply for Level 1, contact Danielle Milbern, Project Manager, at 502-782-1771 or danielle.milbern@ky.gov.

Eligible applicants for the Simplified Processor Capacity Expansion (Level 2) can receive up to \$37,500 in funding for expenses related to small to modest facility expansion, improvements or upgrades. Level 2 eligible investments include freezers, coolers, penning areas, kill floors, machinery and equipment, restorations, food safety certifications, and building expenses. Request for items or practices not listed may be considered upon approval

from the KADB Meat Processing Expansion Committee. For Level 2 inquiries, contact Renee Carrico, Project Manager, at 502-782-2719 or renee.carrico@ky.gov.

USDA-inspected processors or those actively planning to become USDA-inspected may be eligible for the Large-Scale Processing Expansion (Level 3) investments. Processors interested in making extensive facility improvements to process more Kentucky meat products can receive up to \$250,000 in funding. For more information on Level 3, contact Danielle Milbern, Project Manager, at 502-782-1771 or danielle.milbern@ky.gov.

“This three-tiered investment approach incentivizes our processors to do more with what they have to increase the volume of meat processed in Kentucky,” said Warren Beeler, executive director of the Governor’s Office of Agricultural Policy (GOAP). “I am very proud of the board’s bold action that will help grow an area of our food chain that has been overwhelmed due to the pandemic.”

GOAP staff, working in conjunction with the Kentucky Center for Agriculture and Rural Development (KCARD) and the University of Kentucky, are currently available to assist Kentucky processors interested in applying for funding in any of the program areas.

For more information on the programs offered through GOAP, visit our webpage at agpolicy.ky.gov.

Total County KADF Approved for Programs: \$1,596,428.00

App # **A2020-0037**
Applicant Name **Owen County Farm Bureau**
Original Amount Approved \$25,000
Execution Date 04/17/2020
Requested Change The applicant requests an additional \$275,000 in Owen County funds for the *CAIP Program*. The request received a high priority from the County Council.

This is the first request for an amendment to this application number. The term of the program shall remain 12-months from the execution date of the original agreement.
Approval of this request would bring the program total to \$300,000.

Recommend Approval

App# **A2019-0230**
Applicant Name **Casey County Conservation District**
Original Amount Approved \$290,000
Execution Date 10/28/2019
Requested Change The applicant requests an additional \$247,260 in Casey County funds for the *CAIP Program*. The request received a high priority from the County Council.

This is the first request for an amendment to this application number. The term of the program shall remain 12-months from the execution date of the original agreement.
Approval of this request would bring the program total to \$537,260

Recommend Approval

App# **A2019-0174**
Applicant Name **Shelby County Farm Bureau, Inc**
Amount Approved \$275,000
Execution Date 9/3/19
Requested Change The applicant requests an additional \$15,500 in Shelby County funds for the *CAIP Program*. The request received a high priority from the County Council.

This is the first request for an amendment to this application number. The term of the program shall remain 12-months from the execution date of the agreement.
Approval of this request would bring the program total to \$290,500

Recommend Approval

Approved Project

JSW Farm Chop Shop, Inc.**A2019-0283***Application County: Wolfe**Date Submitted: 12/27/2019**Total Funds Awarded: \$173,230***FUNDING REQUEST**

JSW Farm Chop Shop, Inc. is requesting \$783,367 in State funds to purchase equipment for wastewater treatment facility system and a carcass washing unit. The applicant has revised their budget is requesting \$230,339 in State funds.

APPLICATION SUMMARY

The applicant estimates with the upgrades it will be able to process 24,000 beef cattle per year by 2021. The funds will be used to install an efficient waste water treatment facility system and to purchase a carcass washing unit. Currently the USDA is only allowing the applicant to process beef trim that will be sold to customers seeking beef trim for a cooked, finished product.

The total cost of the project is estimated at \$1,238,895 with the following funding sources:

\$783,367 KADF State funds

\$ 455,528 In Kind Match

PROJECTED PRODUCER IMPACT

The applicant states that it will process 24,000 beef cattle by 2021, with most of them being raised by Kentucky farmers.

Board Decision:

JSW Farm Chop Shop Inc. was approved for up to \$173,230 in state funds to purchase a carcass washing unit.

Approved Project

Winchester Clark County Farmers Market**A2020-0023***Application County: Clark**Date Submitted: 02/05/2020**Total Funds Awarded: \$235,000***FUNDING REQUEST**

Winchester Clark County Farmers Market is requesting \$25,000 in Clark County funds and \$225,000 in State funds to construct a permanent farmers market structure.

APPLICATION SUMMARY

The Winchester Clark County Farmers Market was formed in 1991 by local farmers whose vision was to provide the community with locally raised produce and vegetables. Since then the market membership has expanded to over 30 farming families/businesses that currently line Depot Street every Saturday morning from May through September. The market has been on this street for numerous years, however with the recent demolition of the Sphar Building has led to three years of planning and designing to construct a permanent farmers market location on that property. A long term lease agreement has been made with the city of Winchester to allow the construct and use of the property. Funds will be used for construction cost of the new structure.

The total cost of the project is estimated at 485,000 with funding from the following sources:

\$210,000 KADF State funds

\$ 25,000 Clark County funds (secured)

\$200,000 City of Winchester & Greater Clark fund (secured)

\$ 50,000 Winchester Clark County Farmers Market Savings (secured)

PROJECTED PRODUCER IMPACT

The applicant states that approximately 30 farm families will be impacted from this project in the first year.

Board Decision:

Winchester Clark County Farmers Market was approved for up to \$210,000 in state funds and \$25,000 in Clark County funds to construct a permanent farmers market structure.

Approved Project

University of Kentucky Research Foundation**A2020-0062***Application County: Fayette**Date Submitted: 03/27/2020**Total Funds Awarded: \$256,602***FUNDING REQUEST**

The University of Kentucky Research Foundation is requesting \$311,802 in State funds to launch an online integrated beef assessment tool.

APPLICATION SUMMARY

The University of Kentucky (UK) Beef and Forage Specialists were requested by the Kentucky Agricultural Development Board's (KADB) Program Evaluation Committee to develop an integrated approach for County Agricultural Investment Program (CAIP) funding for beef cattle producers across the state. As a result, the group of 14 UK Specialists will be collaborating in an effort to develop an online assessment tool that will assist in identifying the areas of greatest need for each producer and track the progress they make over time. Additionally, educational materials will be developed to assist producers in the implementation of the recommended practices. The applicant states that, to their knowledge, no tool of this kind exists for beef cattle or any other agricultural product. The overall goal will be to facilitate producers to improve their management practices to increase profitability and overall sustainability of their operations. KADF funds will be utilized for development of the software, video production for education components and travel for specialists as they develop these materials.

The total cost of the project is estimated at \$598,693 with funding from the following sources:

\$256,602 KADF State funds

\$ 79,187 University of Kentucky Research Foundation (secured)

\$232,904 UK Specialists' Salaries (secured)

\$ 30,000 Kentucky Cattlemen's Association (secured)

*Revised budget attached

PROJECTED PRODUCER IMPACT

The applicant states that this is a statewide project and all counties will have the opportunity to utilize the resources once developed.

Board Decision:

The University of Kentucky Research Foundation was approved for up to \$256,602 in state funds to launch an online, integrated beef assessment tool.

Approved Project

Clark County Fair and Horseshow, Incorporated**A2020-0063***Application County: Clark**Date Submitted: 03/27/2020**Total Funds Awarded: \$21,332***FUNDING REQUEST**

Clark County Fair and Horse Show, Inc. is requesting \$ 21,332 in Clark County funds to build a new facility to house the FFA and 4-H exhibits.

PROJECT SUMMARY

The applicant plans to construct a 40'x56'x10' metal building for local 4-H and FFA members to exhibit their projects. The current structure has aged to the point of being unsafe, and students have been sharing a space with the local homemakers. With a new building, the applicant indicates that both groups will greatly benefit. KADF funds will be utilized for purchase and construction of building, tables, chairs and heater.

The total cost of the project is estimated at \$42,665 with the following funding sources:

- \$ 21,333 KADF Clark County funds (secure)
- \$ 1,197 Clark County FFA Alumni Cash (secure)
- \$ 5,000 Clark County Fair Board and Horse Show Cash (secure)
- \$ 1,680 Overhead Doors Donation (secure)
- \$ 6,950 Construction by Frank Hicks (secure)
- \$ 1,856 Electric Donation (secure)
- \$ 3,000 Concert Doors Donation (secure)
- \$ 1,650 Mansea Metal Donation of materials (secure)

PROJECTED PRODUCER IMPACT

The applicant indicates 300 youth will be directly impacted from this project annually.

Board Decision:

Clark County Fair and Horse Show, Inc. was approved for up to \$21,332 in Clark County funds to build a new facility to house the 4-H and FFA exhibits.
