**Jessamine County FFA Alumni Association, Inc.****A2021-0024***Application County: Jessamine**Date Submitted: 02/17/2021**Total Funds Awarded: \$8,000***FUNDING REQUESTED**

Jessamine County FFA Alumni Association, Inc. is requesting \$8,000 in Jessamine County funds for a Jessamine County 4-H and FFA cost-share program.

**APPLICATION SUMMARY**

Jessamine County FFA Alumni Association, Inc. is requesting county funds to do a 50/50 cost-share program on agriculture projects for Jessamine County 4-H and FFA students. Students will submit their applications, along with a brief essay, on their projects and their future goals. Students can participate for two years in the program with the hope of being self-sustaining by the third year. Students that reapply for funds the second year are asked to reinvest in their previous projects to improve and expand each year. In the past, Jessamine County FFA Alumni Association, Inc. approved \$500 the first year and \$250 the second year this approach they believe allows more student to participate in the program.

The total cost of the project is estimated at \$16,000 with funding from the following sources:

\$8,000 Jessamine County funds (secure)

\$8,000 from Jessamine Community (secure)

**PRODUCER IMPACT**

Fourteen Jessamine County students will directly benefit from this project.

***Board Decision:***

Jessamine County FFA Alumni Association, Inc. was approved for up to \$8,000 in Jessamine County funds for a Jessamine County 4-H and FFA cost-share program.

## **KADF Program Information:**

The **County Agricultural Investment Program** (CAIP) provides farmers with incentives to allow them to improve and diversify their current production practices. CAIP covers a wide variety of agricultural enterprises in its 11 investment areas, including, but not limited to, bees and honey; equine; forage; beef and dairy cattle; goats and sheep; horticulture; poultry; swine; timber and technology, as well as energy efficiency and production; farm infrastructure and water enhancement; marketing; and value-added production.

The **Deceased Farm Animal Removal Program** (DAR) serves as a measure to facilitate the coordination of environmentally sound and cost-effective disposal of deceased livestock for Kentucky producers.

The **Shared-Use Equipment Program** assists broad-based community organizations with the purchase of farm equipment. The equipment purchased is made available for producer use in a specific county on a leased basis.

The **Youth Agricultural Incentives Program** (Youth) encourages youth to engage in and explore agricultural opportunities. All application periods and deadlines for CAIP and Youth programs will be advertised locally.
