## **Kentucky Agricultural Finance Corp. approves more than \$2.9 million in loans**

*Financing bolsters beef, forage, poultry, and grain farmers across the Commonwealth*

---

**FRANKFORT (Jan. 17, 2025)** – The Kentucky Agricultural Finance Corp. (KAFC) approved 14 agricultural loans totaling \$2,909,442.50 for projects across the Commonwealth today at its monthly board meeting.

### **Agricultural Infrastructure Loan Program (AILP)**

Four Agricultural Infrastructure loans totaling up to \$880,442.50 were approved. Loan recipients were in Adair (\$250,000), Anderson (\$130,442.50), Daviess (\$250,000), and Hickman (\$250,000) counties.

KAFC participates with lenders to provide financing to producers making capital expenditures for agricultural projects through the AILP. Eligible projects include permanent farm structures with attached equipment that improves the profitability of farming operations. Producers may be eligible for up to \$250,000 not to exceed 50 percent of the project.

### **Beginning Farmer Loan Program (BFLP)**

Ten Beginning Farmer loans totaling up to \$2,029,000 were approved. Loan recipients were in Adair (\$250,000), Breckenridge (\$70,000), Casey (\$170,000), Fleming (\$250,000), Grayson (\$250,000), Henderson (\$184,000), Madison (\$121,250), Monroe (\$250,000), Todd (\$250,000), and Wayne (\$233,750) counties.

The BFLP is designed to assist individuals with some farming experience who desire to develop, expand, or buy into a farming operation. Beginning farmers may qualify for financing to purchase livestock, equipment, or agriculture facilities; to secure permanent working capital; for the purchase of farm real estate; or to invest in a partnership or LLC.

For more information on the programs offered by the KAFC, contact Bill McCloskey at Kentucky Office of Agricultural Policy at (502) 382-6093 or email [kafc@ky.gov](mailto:kafc@ky.gov).

Approved Project

Kentucky State Beekeepers Association

A2024-0276

Application County: \_ALL

Date Submitted: 12/02/2024

Total Funds Awarded: \$109,000

FUNDING REQUEST

The Kentucky State Beekeepers Association is requesting \$109,000 in state funds over 2 years to support the Certified Kentucky Honey Program.

APPLICATION SUMMARY

The Certified Kentucky Honey Program (CKHP) is the marketing program of the Kentucky State Beekeepers Association (KSBA), which started in 2019 with the support of the Kentucky Agricultural Development Fund. This program was implemented to address the issues with adulterated and/or mislabeling of honey in Kentucky. Honey is currently the 3rd most adulterated commodity in the US (behind milk and olive oil) and there is no national quality standard. There are 3 goals of this program: first, to educate consumers and promote the sale of local honey that is produced by the beekeepers of the KSBA and is a certified product of the state; second, to connect the CKHP beekeepers with consumers who desire to purchase certified local honey; and third, provide Kentucky beekeepers with education and support to grow their apiaries to supply more CKHP honey. KADB funds will be used for part-time salary, travel, marketing, promotional & educational materials, financial & accounting support, supplies, and equipment.

The total cost of the project is estimated at \$218,000 with funding from the following sources:  
\$109,000 KADB State Funds  
\$96,000 Various KY State Beekeepers Association Sources (Secured)

PROJECTED PRODUCER IMPACT

The applicant states that many beekeepers across Kentucky will benefit from this project.

**Board Decision:**

01/17/2025: Kentucky State Beekeepers Association was approved up to \$109,000 in state funds over a 2 year period to support the Certified Kentucky Honey Program.

**Kentucky Young Farmers Association****A2024-0262***Application County: Woodford**Date Submitted: 10/25/2024**Total Funds Awarded: \$0***FUNDING REQUEST**

The Kentucky Young Farmers Association is requesting \$30,885 in state and multi-county funds to purchase welders for 25 farmers who complete the requirements of a welding training program.

**APPLICATION SUMMARY**

The Kentucky Young Farmers Association/KCTCS Adult Ag Program has a rich history of providing valuable training and resources to farmers across the state. In the early 2000's the program successfully implemented welding classes for farmers where they received thorough training and a welder upon completion, allowing them to make repairs on the farm. Building upon the success of the initial project, the program launched a pilot welding program in 2023-2024 in partnership with KCTCS Workforce Solutions. This pilot program was conducted at SKYCTC and involved 25 participants who completed a comprehensive stick welding course. After a successful pilot program, the applicant has decided to conduct it again at SKYCTC with plans underway to offer it at four other locations in Central and Western Kentucky . KADB funds will be used to provide welders for 25 participants at the SKYCTC location. 16 will receive a Miller, Millermatic 215 multiprocess MIG, TIG, & Stick welder and 9 will receive a Miller Millermatic 142 MIG welder. After lengthy discussion with past and present participants, offering this training with welder options at varying prices was indicated as a necessity.

The total cost of the project is estimated at \$61,770.50 with the following funding sources:

\$18,125 KADB State Funds

\$12,760 KADB Multi-County Funds

\$6,000 KADB Warren County (Pending)

\$750 KADB Metcalfe County (Pending)

\$3,000 KADB Butler County (Pending)

\$5,000 KADB Logan County (Pending)

\$1,500 KADB Barren County (Pending)

\$17,400 KCTCS TRAINS Funding – Workforce Solutions (Secured)

\$8,120 Individual Course Payments from Farmers (Pending)

\$5,370 Individual Welder Payments from Farmers (Pending)

**PROJECTED PRODUCER IMPACT**

The applicant states that 25 farm families will benefit from this project directly but plans to benefit 90 with the state-wide programs.

### Committee Recommendation:

The Application Review Committee recommends not funding the applicant's request due to the understanding that they would only be funding the pilot program from 2023.

### Committee Recommendation:

Denied Project

Marksbury Farm Foods, LLC

A2024-0267

Application County: Lincoln

Date Submitted: 11/20/2024

Total Funds Awarded: \$0

FUNDING REQUEST

Marksbury Farm Foods LLC is requesting \$250,000 in state funds to expand processing operations.

APPLICATION SUMMARY

Funding will be used to upgrade multiple domains of processing operations: fabrication floor, inedibles, dry-goods storage, and slaughter operations. The applicant states that current storage for boxes and dry goods are in 8 shipping containers and two offsite garages. The applicant plans to add 1000 square feet of storage space to eliminate this burden. The applicant also plans to install finishes and an auger to the inedible room, build restrooms for employees, and purchase an automatic labeling machine and other tools for the kill floor. This project is part one of a multi-stage upgrade that Marksbury Farm Foods LLC hope to implement over 2-3 years.

The total cost of the project is estimated at \$613,058.40 with funding from the following sources:

\$250,000 KADF State Funds  
\$200,000 Line of Credit  
\$163,058.40 Cash Contributions

PROJECTED PRODUCER IMPACT

The applicant states that they work with over 200 farm families that would directly benefit from this project.

**Committee Recommendation:**

The KADB Application Review Committee unanimously recommended denying the applicant's request due to the project not increasing harvest capacity.
