The Business Case for Military Hiring

- **Transitioning Service Members:** Each year, nearly 8,000 service members transition out of the military in Kentucky.
- **Employment Rates:** Kentucky veterans have an employment rate of 79.4%, which trails higher than the national average.
- **Skills and Education Transferability:** Over 30% of veterans in Kentucky possess a bachelor's degree or higher. Extensive military training equips them with a unique problem-solving and leadership skillset.

Employer Testimonial

“The Military Hiring Academy helped me gain valuable insights into hiring veterans and their spouses. The amount of resources and knowledge they provided during this course was astonishing.”
