SPONSOR ORIENTATION

An Evidence-Based Approach to Foster
Connectedness and Mitigate Reintegration
Difficulties for Transitioning Service Members

What Makes Onward Ops Different?

- **Enrollment before leaving service**: MOAs with VA and DoD allow us to enroll Service members 6–12 months before the end of active military service
- **Sponsor located in Veteran's destination city**: Service members are given the option of a Sponsor and provided a comprehensive set of tools to manage their transition and connect to proven, vetted resources
- **States are provided awareness of incoming veterans**: Destination communities informed of incoming Veterans months in advance, allowing for proactive outreach and positive condition setting through Onward Ops Career Engine
- **Google Workspace Dashboard**: Every enrollee receives a free dashboard secured to IL-4 standard, enabling a seamless digital transition

Only Transitioning Organization with:

- All VA certified and trained Sponsors
- Immediate ability to connect High Risk TSM with VA healthcare within 24 hours
- Upstream enrollment - offering seamless continuity for veterans
