BIG I Legislative Principles

We support:

- Fair and Equitable Statebased regulation
- Fair underwriting guidelines and policies that allow for rate to match risk
- Policies that protect the agents role in informing the customer about the insurance products they purchase
- Policies that allow for a vibrant and competitive insurance market, so that agents and customers have choice
- Policies that protect our consumers/customers

BIG I Legislative Issues

- **BIG THANKS** to this Committee & General Assembly for passage of NAIC Data Security Model & Rebating Reforms in 2022!!!!!!
- No specific Big I proactive legislative agenda this upcoming session.
- Future issues: Apprenticeship Incentives, PIP Reform...
