**Re: Agency Amendment to 739 KAR 2:050**

Dear Co-Chairs Nemes and Flannery:

After consideration of the issues raised by 739 KAR 2:050, the Kentucky Fire Commission proposes the attached agency amendment to this ordinary administrative regulation. This proposed agency amendment clarifies that supporting documentation must be submitted with State-Aid Report of Purchase forms and adopts the alternative procedure set forth in KRS 65.037 for submitting an affidavit in lieu of a supporting document when the record has been lost, damaged, or destroyed.

Sincerely,

Ricky King  
Chair, Kentucky Fire Commission

After “currently in the possession of the fire department.”, insert the following new subsections:

(4) A reporting fire department shall submit supporting documentation that provides proof of purchase of each item listed in a State-Aid Report of Purchase form.

(5) If, pursuant to KRS 65.037, a reporting fire department would be authorized to submit an affidavit in the form of a resolution to a government entity in lieu of submitting the record itself, the fire department shall submit the same to the commission in lieu of the document providing proof of purchase of an item listed in a State-Aid Report of Purchase form.
