(1) Authorization: The above authorization is approved pursuant to KRS 45.763.

Note: This is an edit to priority project #8 in the University's 2026-28 Capital Budget Request. The edits from the original submission are: (1) change the title to include "Arts" and (2) increase the Agency Bonds from \$100,000,000 to \$175,000,000 which thereby increases the scope from \$700,000,000 to \$775,000,000. These edits are needed to ensure consistency with the donor's intent and cash flow for the project according to the pledge payment schedule.
