Subject: Thank You and Next Steps – KAS for Mathematics Revision Process

Dear Mathematics Committee Members,

Thank you very much for your time, expertise, and dedication to the process of revising the *Kentucky Academic Standards (KAS) for Mathematics*. We are especially grateful for your continued engagement with this work over the summer months, particularly those of you who were able to join us in Georgetown earlier this week. It has been a pleasure working with all of you over the past year, and your thoughtful feedback has been invaluable at every stage.

Now that the committee has completed its final review of the standards, the document will move forward into the final stages of review and approval. The sections below provide a brief reminder for those who attended the June 22–23 meeting, as well as an overview of next steps as we enter the final phases of the standards revision process.

June 22–23 Travel Reimbursement Reminder:

The attached travel voucher form should be completed and returned to Thomas Clouse (thomas.clouse@education.ky.gov) to begin processing your reimbursement. An example form is included for reference. Please note that meal reimbursements are only provided for those who required overnight accommodations. As we are nearing the end of the fiscal year, we kindly ask that all travel reimbursement forms be submitted by this **Friday, June 26**, at the very latest.

Next Steps in the Standards Revision Process:

With a final committee review now complete, the revised *KAS for Mathematics* document will move into finalization and approval. Over the next two weeks, AIR and KDE will carefully review and incorporate the committee's suggested edits, with multiple levels of required approvals. This will be followed by a final Studio review to ensure all graphics are finalized and that the document meets ADA accessibility requirements.

The document will then proceed through the following stages of the regulatory process this fall:

- KDE will present the recommended revisions to the Interim Joint Committee on Education (IJCE) for legislative review.
- The Standards and Assessment Process Review Committee (SAPRC) will confirm that all required steps in the process have been completed.
- The Kentucky Board of Education (KBE) will review and vote on the revised standards, which is currently scheduled for early December.

Following KBE approval, the standards will be released for a 30-day public comment period. Once finalized after public comment, the standards may be publicly released for implementation as early as July 2027.

Stay Connected:

To stay informed about next steps in the standards process and other updates, we encourage you to sign up for [KDE's Standards Newsletter](#).

Thank you again for being such an integral part of this important work. Your time and commitment have truly made a meaningful impact on the quality of these standards. Please do not hesitate to reach out if you have any questions.

Sincerely,
RaeAnne

Subject: Reminder: June 22-23 Mathematics Standards Committee Meeting

Hello Mathematics Committee Members,

This is a quick reminder for our upcoming standards meeting beginning at 9:00 a.m. on Monday, June 22 at the Hilton Garden Inn Lexington Georgetown (110 Grandstand Dr., Georgetown, KY 40324).

The meeting agenda is attached for your reference. You will also receive a digital copy of the agenda on the first day, which will include links to all materials. As a reminder, please plan to bring a laptop to access the digital files, along with a pen and paper for notetaking.

Thank you for completing the Google Form last month and indicating your availability and housing needs. Room reservations have been secured at the Hilton Garden Inn Lexington Georgetown for those who requested accommodations, and confirmation numbers were shared by KDE last week.

We look forward to seeing many of you next week. Please feel free to reach out if you have any questions in the meantime.

Sincerely,
RaeAnne

Subject: June 22-23 Mathematics Standards Committee Meeting Information

Hello Mathematics Committee Members,

Thank you for your responses to the save-the-date message earlier this month. As a follow-up, we would like to share additional details regarding logistics for the upcoming in-person meeting in June.

The meeting will be held Monday, June 22 and Tuesday, June 23.

- Sessions will run from 9:00 a.m. to 5:00 p.m. ET on both days, with the possibility of ending early on Tuesday, June 23.

The location will be the Hilton Garden Inn Lexington Georgetown (110 Grandstand Dr., Georgetown, KY 40324). The Kentucky Department of Education (KDE) will secure lodging for committee members.

- As a reminder, if you live 40 miles or more away from this location, you may request travel reimbursement and overnight accommodations. Meals will be reimbursed for those staying

overnight. The KDE will also reimburse districts where substitutes are needed to cover the meeting date. Each member will be sent the sub reimbursement form after the meetings and will turn the form into their district office for processing.

- All committee members should complete the following Google Form ([KAS for Mathematics Review Team – June Meeting Information](#)) as soon as possible to confirm your attendance and indicate your lodging needs.
- **Please complete the form no later than Friday, May 29.**

If you have any questions, please feel free to reach out. We appreciate your continued time and commitment and look forward to seeing you in June to complete this important work.

Sincerely,
RaeAnne

Subject: Save the Date: Mathematics Standards Committee Meeting, June 22–23

Dear Mathematics Committee Members,

Thank you for taking the time to complete the brief April follow-up survey and for your continued engagement in this important work. Based on your survey responses, **Monday, June 22, and the morning of Tuesday, June 23** emerged as the dates with the greatest availability. We kindly ask that you hold these dates on your calendar for a 1.5-day, in-person meeting to be held in Lexington or the central Kentucky area.

KDE and AIR would like to bring the committee together in person to allow adequate time and space for careful review and discussion of the updated final draft of the revised *Kentucky Academic Standards for Mathematics*. Given the nature of this work and feedback shared by the committee, we believe an in-person setting will better support meaningful dialogue and collective sense-making than a virtual format.

We will share additional details regarding the specific location and meeting times once a venue has been secured. If you already know that you are unable to attend on either Monday, June 22, or the morning of Tuesday, June 23, **please let me know via email by Wednesday, May 13.**

Thank you again for your time, flexibility, and commitment to this revision process. Please feel free to reach out if you have any questions.

Sincerely,
RaeAnne

4.23.2026

Dear Mathematics Committee Members,

Thank you very much for your dedication and hard work wrapping up revisions to the *Kentucky Academic Standards (KAS) for Mathematics* last week. It has truly been a pleasure working with and learning from all of you throughout this process. Follow-ups from the April 14–16 meeting are provided below, along with next steps for the committee's work.

April 14-16 Follow-Up:

- **Travel Reimbursement form** – The attached travel voucher form should be completed and returned to Thomas Clouse (thomas.clouse@education.ky.gov) to begin processing your reimbursement. An example form is attached for reference. Please note that meal reimbursements are only provided for those who required overnight accommodations. Since we are nearing the end of the fiscal year, any travel reimbursement forms should be submitted by **May 15**.
- **Substitute Reimbursement** – The KDE will reimburse districts where substitutes were needed to cover meeting dates. This form is attached and should be returned to your school so that they may process the document.
- **Committee Photos** – The group photos taken on the final meeting day can be found in [this folder](#).

Next Steps:

During the in-person meeting, the committee approved an amendment to review an updated draft of the revised standards prior to finalization and entry into the regulatory process. Rather than hosting a short virtual meeting, as initially mentioned, KDE and AIR would like to propose bringing the committee back together in-person for approximately 1.5 days in mid-June to complete this work. In addition to reviewing the updated standards document, this time could also allow the committee to more closely engage with other components of the standards, such as the front matter, linked Standards for Mathematical Practice (SMPs), and/or the Attending to the SMPs sections. We recognize the committee's desire to ensure that the new *KAS for Mathematics* accurately and thoroughly reflect the needs of Kentucky students and educators, and we would like to support that goal as fully as possible.

To share your thoughts on this proposal and provide your availability in June, **please complete the following survey:** [April 2026 Mathematics Standards Follow-up Survey](#). We would appreciate a response by **Friday, May 1**, so that we can begin to plan arrangements.

Thank you again for being a part of this important work. Please feel free to reach out if you have any questions.

Sincerely,
RaeAnne

Subject: April 14-16 Mathematics Committee Meeting

Hello Mathematics Committee Members,

Thank you very much for completing the Google Form earlier this month and indicating your availability and housing needs for the upcoming in-person standards meeting on **April 14-16, 2026**. Below are some reminders and further details about the sessions.

Meeting Logistics

The sessions will take place at the Embassy Suites Lexington/UK Coldstream (1801 Newtown Pike Lexington, KY 40511) in the Fayette Room. All three days are scheduled to begin at 9AM and end at 5PM with a 1-hour lunch break on your own.

Room reservations have also been secured at the Embassy Suites Lexington/UK Coldstream for those who requested hotel accommodations via the Google Form. Hotel confirmation numbers will be sent to you individually by KDE within the next week.

Reimbursement Reminders

As a reminder, KDE will reimburse travel for participants of this event. This includes mileage and hotel for those traveling greater than 40 miles. Meal reimbursement will only be offered for those staying overnight. The KDE will also reimburse districts where substitutes are needed to cover the meeting dates. Each committee member will be sent the sub reimbursement form after the meetings and will turn into their district office for processing.

Session Materials

The meeting agenda will be sent out the week of April 6th. Like the first meeting, we will have physical printouts of the current standards, feedback reports, and several other resources; however, most of the materials will be provided digitally. Please plan to bring a laptop to access the digital files and pen/paper for notetaking.

Thank you for your participation in this important work. We look forward to seeing you in a few weeks!

Sincerely,
RaeAnne

Subject: April 14-16 Mathematics Committee Meeting Information

Importance: High

Hello Mathematics Committee Members,

I hope your new year is going well and you've been able to enjoy some warmer spring weather these past few weeks. Our second in-person meeting is quickly approaching next month, and we would like to share some important information on meeting logistics.

The meeting is scheduled for April 14-16, 2026.

- Meetings will begin at 9:00 a.m. ET each day and end by 5:00 p.m. ET.

The location for the workshop will be the Embassy Suites Lexington/UK Coldstream (1801 Newtown Pike Lexington, KY 40511). The Kentucky Department of Education (KDE) is securing lodging for committee members.

- As a reminder, if you live 40 miles or more away from this location, you may request travel reimbursement and overnight accommodations. Meals will be reimbursed for those staying overnight. The KDE will also reimburse districts where substitutes are needed to cover the meeting date. Each member will be sent the sub reimbursement form after the meetings and will turn the form into their district office for processing.
- All participants should complete the following Google Form ([KAS for Mathematics Review Team – April Meeting Information](#)) as soon as possible to confirm attendance at this meeting, let us know if you need a hotel room, and indicate which nights you need lodging.
- **Please complete this form no later than Thursday, March 12.**

Please let us know if you have any questions. We look forward to seeing everyone again soon as we continue important work.

Sincerely,
RaeAnne

Subject: RE: November 18-20 Mathematics Committee Meeting Follow-up

Hello Mathematics Committee Members,

I hope you had a wonderful Thanksgiving holiday! This email is to provide you with a few reminders following the November in-person meeting and an update on future sessions.

November Meeting Wrap-up

Please complete and submit your travel and substitute reimbursement forms if you have not done so already. The travel reimbursement form should be returned to Thomas Clouse (thomas.clouse@education.ky.gov), and the substitute reimbursement form returned to your school. Both forms are attached to this email.

Future Sessions

The tentatively scheduled January 20-22, 2026 virtual meeting has been cancelled. Please remove the hold on your calendars.

Our next committee meeting will be held in-person **April 14-16, 2026**. Location details will be shared in the new year.

The primary goals for our April 2026 session will be to:

- Review public feedback from the second round of the standards survey
- Revise standards and clarification statements based on public feedback
- Review public feedback on the [Mathematics Assessment Blueprint](#) and provide recommendations for changes

To stay informed about the timing of the second standards survey and blueprint assessment survey, you can sign up for KDE's [Standards Newsletter](#).

Please let me know if you have any questions. Thank you for your continued commitment to this important work, and I wish you a joyful holiday season!

Sincerely,

RaeAnne

Subject: November 18-20 Mathematics Committee Meeting Follow-up

Hello Mathematics Committee,

Thank you so much for your dedication and hard work on the *Kentucky Academic Standards (KAS) for Mathematics* revisions over the last few days. It has been a pleasure and honor to share in this process with each and every one of you!

The following is important information about our next in-person meeting and travel reimbursement.

April In-Person Meeting – Based on the results of the Doodle poll, the April in-person session dates will be shifted to **April 14-16, 2026**. Please hold these dates on your calendar. More information on the meeting location will be sent out soon.

Travel Reimbursement form – The attached travel voucher form should be filled out and returned to Thomas Clouse (thomas.clouse@education.ky.gov) to begin processing your reimbursement. An example form is also attached for reference. Current mileage rate for reimbursement is \$0.42 a mile. At the bottom of the excel sheet, you can see the tab titled “Other Expenses”. If you click on that you can see the rates and rules for per diem meals. For Berea, the per diem rates are \$12 breakfast, \$15 lunch, and \$23 for dinner. As you complete the document, please reach out to KDE with any questions. Note that meal reimbursements are only provided for those that required overnight accommodations.

Vendor Number – As a reminder, in order to complete the reimbursement form, you will need to have a vendor ID number. Please see Finance and Administration Cabinet’s Vendor Self-Service (VSS) website at [Welcome to CGI Advantage Vendor Self Service Portal: Home \(ky.gov\)](#) to create new vendor ids (K#) as well as modify existing vendor ids. If the vendor has questions regarding the VSS site, please contact Finance Customer Resource Center at 502-564-9641 or at finance.crcgroup@ky.gov.

Substitute Reimbursement – This form is also attached to this email. Please turn it into your school so that they may process the document.

Thank you all once again! Please let me know if you have any questions.

Sincerely,

RaeAnne

Subject: November 18-20 Mathematics Committee Meeting Information

Hello Mathematics Committee Members,

I hope you are doing well. We are looking forward to our first in-person standards meeting scheduled for **November 18-20, 2025**. Below are some reminders and further details about the sessions.

Session Materials

The meeting agenda is attached to this email. The agenda provides a daily breakdown of the work along with relevant resources we will be using during the sessions. You will be provided with a digital copy of the agenda on the first day that includes links to all files.

For the session, please bring the following:

- Laptop or similar device to access files and folders
- Pen/paper for individual notetaking

We will have physical printouts of the current standards, feedback report, and several other resources; however, most of the materials will be provided digitally.

Meeting Logistics

The sessions and lodging accommodations are located at Historic Boone Tavern Hotel (100 S Main St North, Berea, KY 40403). The sessions will take place in the Boone Tavern Event Center. All three days are scheduled to begin at 9AM and end at 5PM with a 1-hour lunch break on your own.

As a reminder, KDE will reimburse travel for participants of this event. This includes mileage and hotel for those traveling greater than 40 miles. To complete the reimbursement form, you will need to have a vendor ID number. Please see Finance and Administration Cabinet's Vendor Self-Service (VSS) website at [Welcome to CGI Advantage Vendor Self Service Portal: Home \(ky.gov\)](#) to create new vendor IDs (K#) as well as modify existing vendor IDs. If the vendor has questions regarding the VSS site, please contact Finance Customer Resource Center at 502-564-9641 or at finance.crcgroup@ky.gov.

The KDE will also reimburse districts where substitutes are needed to cover the meeting dates. Each committee member will be sent the sub reimbursement form after the meetings and will turn into their district office for processing.

Thank you for your participation in this important work. We look forward to seeing you all next week!

Sincerely,

RaeAnne

Subject: RE: November 2025 Mathematics Airtable Training

Hello Team Leads,

Thank you for responding to the Doodle poll with your availability for next week's Airtable training. To accommodate different schedules, we will be offering two session options:

- **Wednesday, 11/12 from 3:00-3:30 PM ET**
- **Thursday, 11/13 from 1:30-2:00 PM ET**

I will be sending out two calendar invites with Teams links shortly. Please RSVP to let us know which session you plan attend.

Sincerely,
RaeAnne

Subject: November 2025 Mathematics Committee Meeting Information

Hello Mathematics Committee Members,

We are looking forward to our first in-person standards review meeting! Today, we would like to share some important information and next steps.

The meetings are scheduled for November 18 – 20, 2025.

- Meetings will begin at 9:00 a.m. ET each day and end by 5:00 p.m. ET.

The location for the workshop will be the Boone Tavern Hotel (100 Main St. Berea, KY 40403). The Kentucky Department of Education (KDE) is securing lodging for committee members.

- KDE will cover the cost of lodging directly with the hotel for participants traveling greater than 40 miles, and travel costs for all participants.

- All participants should complete the following [Google Form \(KAS for Mathematics Review Team – November Meeting Information\)](#) as soon as possible to confirm attendance at this meeting, let us know if you need a hotel room, and indicate which nights you need lodging.
- **Please complete this form no later than Friday, October 24.**

You will be asked to complete a reimbursement form which requires a vendor ID number.

- Please see Finance and Administration Cabinet's Vendor Self-Service (VSS) website at [Welcome to CGI Advantage Vendor Self Service Portal: Home \(ky.gov\)](#) to create new vendor IDs (K#) as well as modify existing vendor IDs.
- If you have questions regarding the VSS site, please contact Finance Customer Resource Center at 502-564-9641 or finance.crcgroup@ky.gov.

KDE will also reimburse districts where substitutes are needed to cover the meeting dates.

- Each committee member will be sent the sub reimbursement form after the meetings and will turn it into their district office for processing.

Thank you for your participation in this important work, and please let us know if you have any questions.

Sincerely,

RaeAnne & Melinda

(rfriesenhahn@air.org & mgriffin@air.org)
