Kentucky Surplus Lines Affidavit of Insurance Transaction

806 KAR 10:030 incorporates by reference the “Kentucky Surplus Lines Affidavit of Insurance Transactions” (05/2019), a one page electronic form to be completed by all entities required to report surplus lines transactions and pay the applicable surplus lines tax associated with such transaction. The form is accessible through the Department’s eServices website. The form requires detailed information regarding the insured, the carrier, and premium amount. Additionally, the surplus lines broker or responsible party will be required to include policy specific information including the policy number, the inception date of the policy, the expiration date of the policy, and the invoice date. These dates are all utilized under 806 KAR 10:030 to determine when the affidavit must be completed, which ultimately determines the quarter in which surplus lines premium is reported and any applicable taxes are due.
