**Procedures for ARRS Meeting**  
Last Updated 5/8/2020

The meeting will be shown live on KET. If you will not be testifying at the meeting, we recommend watching on KET.

To testify at the meeting:

In order to assist with social distancing, please send only one person per entity or agency to attend the meeting. To gain access to the building, those attending will need to submit their information by 3:30 p.m., Monday, May 11, 2020. **This includes agency representatives.** This information will also be used in lieu of the guest forms usually required for all speakers. *To be added to the list for May's agenda, please email your name, job title, who you represent, and the regulation numbers with which you are concerned to the [Regs Compiler](#).*

To enter the building use the visitor entrance located in the front center of the Capitol Annex. We recommend arriving at approximately 30 minutes prior to the meeting. This will allow time for everyone to check in and to receive any additional procedural instructions for the meeting. **The meeting will be held in Annex Room 171. If needed for social distancing purposes, Room 154 will be available for overflow.** This page will be updated as needed.
