Section 2(3)(i)

Line 1

After "facility proposing to", delete "establish or"

Lines 2-3

After "home health service to", insert the following:

provide services exclusively to patients discharged from its facility who require home health services at the time of discharge and no existing, licensed home health agency is available and willing to accept the referral. The hospital or nursing facility shall document its efforts to find a Home Health Agency. A license issued under this subsection shall contain the limitation set forth herein.

Delete the remainder of this paragraph in its entirety.

After agency amendment and this amendment are enrolled, Section 2(3)(i) and (j) will read as follows:

(i) The proposal involves an application by a Kentucky-licensed acute care hospital, critical access hospital, or nursing facility proposing to expand a home health service to provide services exclusively to patients discharged from its facility who require home health services at the time of discharge and no existing, licensed home health agency is available and willing to accept the referral. The hospital or nursing facility shall document its efforts to find a Home Health Agency. A license issued under this subsection shall contain the limitation set forth herein.

(j) Level II PRTFs shall be subject to the nonsubstantive review process.
