

BUDGET REVIEW SUBCOMMITTEE ON TRANSPORTATION

October 15, 2025

KYTC Alternative Delivery

Jason Siwula, Deputy State Highway Engineer

Vision

Striving to be national leaders in transportation who provide transportation infrastructure and services for the 21st century and deliver new economic opportunities for all Kentuckians.

Mission

To provide a safe, efficient, environmentally sound and fiscally responsible transportation system that delivers economic opportunity and enhances the quality of life in Kentucky.

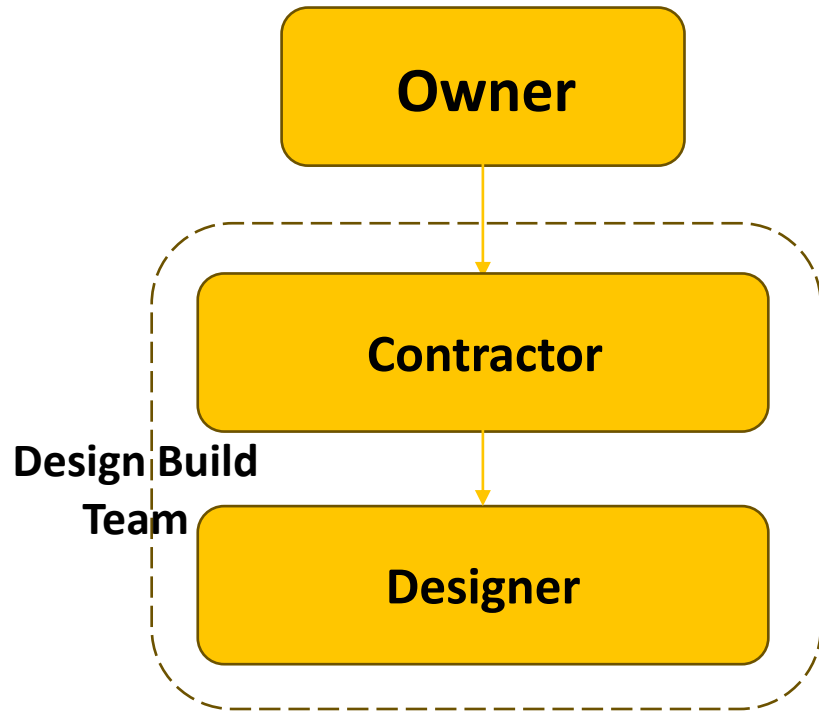

When developing and delivering transportation projects, KYTC strives to deliver the best value to the taxpayer in terms of **quality**, **cost** and **time**.

Alternative Delivery Methods

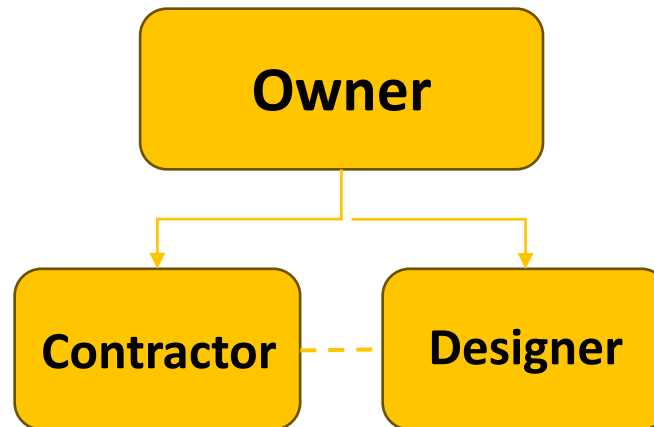

- Design Build
- Construction Manager/General Contractor (CM/GC)
- Public Private Partnership (P3)
