POPOP DRIVER LICENSING

PORTABLE DRIVER LICENSING OFFICE

IS COMING TO OUR COUNTY!

The PopUp Driver Licensing Program has already been in 82 of the state's 94 PopUp-eligible counties in just five months. Northern Kentucky counties include Carroll, Gallatin, Grant, Henry, Owen and Pendleton. It will travel to Bracken and Harrison counties in July.

- For renewing, updating, or replacing a license/ID card, use "**Compare My Options Tool**" for your best option: <https://drive.ky.gov/driver-licensing/Pages/Drivers-License-Compare.aspx>
- **Driver Testing:** Kentucky State Police administers all permit, driver and commercial driver license testing for the Commonwealth. Testing services are offered Monday through Friday by appointment only. Applicants who require testing by KSP for a permit, driver license or commercial driver license may make an appointment with KSP through its website: <https://kentuckystatepolice.org/driver-testing>.
- **REAL ID Enforcement Date:** Beginning May 3, 2023, a form of REAL ID will be required for U.S. commercial air travel, to visit military bases, and to visit federal facilities that require identification. Other federally approved documents, like a valid passport or passport card, are acceptable forms of REAL ID. <https://drive.ky.gov/REALID>.
