March 12, 2021

Dear Petitioners:

On January 13, 2021, you, the petitioners, Jacob Clark, Tony L. Wheatley, Randall L. Daniel, and Andrew D. Cooperrider, filed a petition for the impeachment of Governor Andrew G. Beshear. On February 23, 2021, the Impeachment Committee issued a report recommending against proceeding with the impeachment.

KRS 63.070 states, in relevant part, that if the committee issues such a report, "the petitioner shall be liable to witnesses and to the accused for the costs of investigation before the committee. These costs shall be taxed by the clerk of the house appointing the committee."

Attached to this letter are the complete lists of costs accrued by the Committee. Some of this information could be considered attorney work product. While the Committee recognizes that some information in attorney invoices may be protected by attorney-client privilege or the work-product doctrine, under these special circumstances it has opted not to redact any information from any invoices. It does, however, reserve the right to do so in the future.

Because multiple petitions were filed and taken up, not all costs will be attributed to you. Instead, the Committee has allocated to you an amount based on work done directly as a result of your petition and a proportion of associated administrative expenses. That proportion includes work done for the days on which yours was the only petition, as well as all other days divided by three. This was calculated because the Committee spent time working on the other petitions. The Committee has, of its own volition, already reduced some of the Governor's submitted costs.

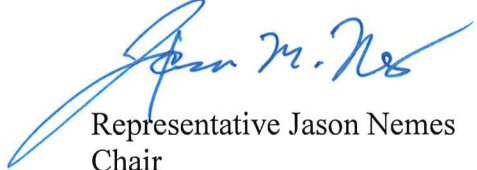

The total amount is \$42,444.05. It is owed jointly and severally, with one exception. In other words, all petitioners are independently responsible for the full amount. Randall L. Daniel, having withdrawn from the petition, effective February 11, shall not be responsible for costs accrued after that date.

The Committee has chosen to allow you to object to any individual costs. A blanket objection to all costs will not be considered, as this is a mandatory process. Objections should be submitted electronically to the Clerk of the Committee at Elishea.Schweickart@LRC.KY.GOV by

March 16 at noon. If no objections are filed, the Committee will submit the bill of costs to the Clerk of the House for further action.

The Committee has treated this matter with the seriousness and gravity that it deserves and expects all petitioners to do so as well.

Sincerely,

Representative Jason Nemes
Chair
2021 RS Impeachment Committee

GOVERNOR ANDY BESHEAR

RESPONDENT

GOVERNOR BESHEAR'S BILL OF COSTS

In accordance with this Committee's request in its February 23, 2021 Report and Recommendation that the Governor submit a bill of costs pursuant to KRS 63.070 related to his defense of this impeachment petition, including attorney's fees, Governor Beshear states as follows:

Attorneys for Governor Beshear recorded a total of 159.5 hours in his defense, at a cost of \$17,730.85. This cost is based on an hourly rate for each attorney as calculated by Mary Elizabeth Bailey, Commissioner of the Department of Human Resources Administration within the Personnel Cabinet. Commissioner Bailey's methodology and calculated hourly rates are documented by Affidavit attached as Exhibit 1. The following table summarizes the cost of the attorney time by attorney name and applicable hourly rate as calculated by Commissioner Bailey. A detailed accounting of the attorneys' time is attached as Exhibit 2.

Amy D. Cabbage	\$118.18	58.0	\$6,854.44
S. Travis Mayo	\$118.90	43.6 34.2	\$5,184.04 \$4066.38
Marc G. Farris	\$105.12	15.3	\$1,608.34
