State	Bill Number	Bill Title	Bill Summary	Focus Area
Alabama	H 168	Age of a Child for Offenses	Relates to child sexual abuse material; provides for the age of a child for offenses involving child sexual abuse material; provides a cause of action for certain offenses involving child sexual abuse material.	Child Pornography; Criminal Use
Alabama	H 172	Distribution of Materially Deceptive Media	Relates to elections; provides that the distribution of materially deceptive media to influence an upcoming election is a crime; authorizes certain parties to seek permanent injunctive relief against anyone who distributes materially deceptive media to influence an upcoming election; provides definitions.	Elections
California	A 107	Budget Act of 2024	Makes appropriations for the support of state government for the specified fiscal year. Declares the bill as a budget bill. Provides funds to the Government Operations Agency to coordinate with legislative staff and other state agencies on ongoing efforts to implement Executive Order N-12-23, related to AI use in state government.	Government Use
California	S 108	Budget Act of 2024	Makes appropriations for the support of state government for the specified fiscal year. Requires the Government Operations Agency to establish monthly generative AI meetings to implement Executive Order N-12-23. Requirements for departments participating in GenAI pilot projects.	Government Use
Colorado	H 1147	Candidate Election Deepfake Disclosures	Concerns the use of a deepfake in a communication related to a candidate for elective office, and, in connection therewith, requiring disclosure, providing for enforcement, and creating a private cause of action for candidates.	Elections
Colorado	H 1468	Artificial Intelligence Impact Task Force	Concerns the creation of the Artificial Intelligence Impact Task Force; modifies definitions; provides membership duties; provides compensation; provides staff support.	Studies

State	Bill Number	Bill Title	Bill Summary	Focus Area
Colorado	S 205	Consumer Protections for Artificial Intelligence	Concerns consumer protections in interactions with AI systems; requires a developer of a high-risk AI system to use reasonable care to avoid algorithmic discrimination in the high-risk system.	Impact Assessment; Notification; Responsible Use
Connecticut	H 5524	Adjusting Bonds of the State and Concerning Provisions	Provides funding to the Department of Education for grants to administer an AI education tool pilot program, including professional development for educators.	Appropriations; Education Use
Delaware	H 333	Artificial Intelligence Commission	Creates the Delaware Artificial Intelligence Commission; provides that this commission shall be tasked with making recommendations to the General Assembly and Department of Technology and Information on AI utilization and safety within the state; provides that the commission shall additionally conduct an inventory of all generative AI usage within state executive, legislative and judicial agencies and identify high risk areas for the implementation of generative AI.	Government Use; Studies
Florida	H 919	Artificial Intelligence Use in Political Advertising	Requires certain political advertisements, electioneering communications, or other miscellaneous advertisements to include a specified disclaimer; specifies requirements for the disclaimer; provides for criminal and civil penalties; authorizes any person to file certain complaints; provides for expedited hearings.	Elections
Florida	H 1361	Education	Provides for the award of grants to school districts to implement AI in support of students and teachers; provides requirements for the use of such AI; revises provisions relating to New Worlds Scholarship Accounts, New Worlds Reading Initiative, and coordinated screening and progress monitoring systems.	Education Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Florida	S 1680	Artificial Intelligence Transparency	Creates the Government Technology Modernization Council; requires the council to submit specified recommendations to the Legislature and specified reports to the governor and the Legislature by specified dates; prohibits a person from knowingly possessing or controlling or intentionally viewing photographs, motion pictures, representations, images, data files, computer depictions, or other presentations which the person knows to include generated child pornography; provides for criminal penalties.	Elections; Government Use; Notification; Oversight/Governance; Private Sector Use; Provenance; Responsible Use
Florida	S 7018	Health Care Innovation Council	Creates the Health Care Innovation Council to tap into the best knowledge and experience available by regularly bringing together subject matter experts to explore and discuss innovations in technology, workforce, and service delivery models that can be exhibited as best practices, implemented, or scaled in order to improve the quality and delivery of health care; provides for a revolving loan program for applicants seeking to implement innovative solutions; appropriates funds to the Department of Health.	Health Use; Studies
Hawaii	HCR 71	Health Care Language Assistance Services	Requests the Department of Health to convene a stakeholder working group to make recommendations to enhance meaningful access to health care in the state through the provision of language assistance services.	Health Use
Hawaii	S 2284	Wildfire Forecast System	Provides that the University of Hawaii shall establish and implement a program to develop a wildfire forecast system for the state using AI approaches; provides that the university shall develop the system to forecast the risk of wildfire statewide to enhance public safety, preparedness and risk mitigation, including improving the preparedness of firefighters and enabling residents to take proactive fire mitigation measures for their homes and plan for evacuations; appropriates funds.	Government Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Illinois	H 2472	Managed Care Reform and Patient Rights Act	Amends the Managed Care Reform and Patient Rights Act; provides that no law or rule shall be construed to exempt any utilization review program from the requirements of section 85 of the Managed Care Reform and Patient Rights Act with respect to any insurance described in this section.	Health Use
Illinois	H 3773	Human Rights Act	Amends the Human Rights Act; provides that an employer that uses predictive data analytics in its employment decisions may not consider the applicant's race or ZIP code when used as a proxy for race to reject an applicant in the context of recruiting, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges, or conditions of employment.	Effect on Labor/Employment; Private Sector Use; Responsible Use
Illinois	H 4844	First 2024 General Revisory Act	Revises the law by combining multiple enactments and making technical corrections; amends provisions regarding the Generative AI and Natural Language Processing Task Force.	Studies
Illinois	H 5395	Network Adequacy and Transparency Act	Amends the Network Adequacy and Transparency Act; provides that the minimum ratio for each provider type shall be no less than any such ratio established for qualified health plans in federally-facilitated exchanges by federal law or by the federal Centers for Medicare and Medicaid Services, even if the network plan is issued in the large group market or is otherwise not issued through an exchange; provides that federal standards for stand-alone dental plans shall only apply to such network plans.	Health Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Indiana	H 1047	Sexual Offenses	Provides that certain images created by AI or similar means constitute an intimate image for purposes of: (1) a civil action involving nonconsensual pornography; or (2) the crime of distributing an intimate image. Specifies that an intimate image, for purposes of the criminal offense, must appear to depict the alleged victim. Exempts certain news media and internet and cloud service providers from the criminal offense under certain circumstances. Makes conforming amendments.	Criminal Use
Indiana	S 150	Technology	Creates the Artificial Intelligence Task Force; provides that political subdivisions, state agencies, school corporations, and state educational institutions may adopt a technology resources policy and cybersecurity policy, subject to specified guidelines; provides that a person with which a state agency enters into a licensing contract for use of a software application designed to run on generally available desktop or server hardware may not restrict the hardware on which the agency runs the software.	Government Use; Studies
Iowa	S 2435	Appropriations to the Education System	Appropriations to the education system, including the funding and operation of the Department for the Blind, Department of Education, and State Board of Regents. Provides funding to Iowa State University to address the state's workforce needs in the areas of science, technology, engineering, and mathematics by expanding degree and certificate programs in the areas of AI, cybersecurity, computer science, computer engineering, data science, software engineering and other high-demand areas related to technology, including fostering innovation in the areas of digital agriculture, manufacturing, water quality, vaccine delivery technologies and biosciences.	Appropriations; Education Use; Education/Training

State	Bill Number	Bill Title	Bill Summary	Focus Area
Louisiana	HCR 66	Legislative Committees	Provides for a joint legislative committee to study regulations regarding AI.	Education Use; Government Use; Judicial Use; Responsible Use; Studies
Maryland	H 582	Economic Development Entrepreneurial Innovation	Establishes the Pava LaPere Innovation Acceleration Grant Program in the Maryland Technology Development Corporation to provide grants to certain technology-based startup companies; establishes the Baltimore Innovation Initiative Pilot Program within the Maryland Innovation Initiative of the corporation; requires certain appropriations for the programs to be included in the annual budget bill in certain fiscal years; repeals a mandated appropriation for a certain telework assistance grant program.	Appropriations; Health Use; Private Sector Use
Maryland	H 1128	Talent Innovation Program and Fund	Establishes the Talent Innovation Program in the Maryland Department of Labor to increase access to high-quality job training; establishes the Talent Innovation Fund as a special, non-lapsing fund; requires interest earnings of the Fund to be credited to the Fund; relates to the Talent Innovation Program and Talent Innovation Fund; includes cybersecurity, health care, biotechnology, manufacturing and AI.	Effect on Labor/Employment

State	Bill Number	Bill Title	Bill Summary	Focus Area
Maryland	H 1390	Public School Construction Funding and Administration	Establishes the state share for certain school construction projects that meet certain criteria; repeals the provision of law that established the intent of the General Assembly that a new Workgroup on the Assessment and Funding of School Facilities be formed on or before a certain date; repeals certain requirements for the Prince George's County Board of Education relating to a certain public-private partnership agreement; requires the Interagency Commission on School Construction, on or before Dec. 15, 2024, to report to the General Assembly on the eligibility for school construction funding for AI weapon detection systems.	Education Use; Government Use
Maryland	H 1487	Entertainment Industry Council	Reestablishes the State Entertainment Council to be the state Entertainment Industry Council within the Department of Commerce to study and make recommendations regarding Maryland's film, television, and entertainment industry.	Private Sector Use
Maryland	S 360	Budget Bill Fiscal Year 2025	Makes the proposed appropriations contained in the state budget for the fiscal year ending specified date, in accordance with Article III, specified section of the Maryland Constitution. Appropriates funds to Morgan State University for the purpose of supporting the Center for Equitable Artificial Intelligence and Machine Learning Systems.	Appropriations; Education Use
Maryland	S 473	Entrepreneurial Innovation Programs	Establishes the Pava LaPere Innovation Acceleration Grant Program in the Maryland Technology Development Corporation; establishes the Baltimore Innovation Initiative Pilot Program within the Maryland Innovation Initiative of the Corporation; requires certain appropriations for the programs to be included in the annual budget bill in certain fiscal years; repeals a mandated appropriation for a certain telework assistance program.	Appropriations; Health Use; Private Sector Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Maryland	S 818	Artificial Intelligence Governance Act of 2024	Requires each unit of state government to conduct certain inventories and assessments; requires the Department of Information Technology to conduct certain monitoring and adopt certain policies and procedures; prohibits a unit of state government from implementing or using a system that employs AI under certain circumstances; establishes the Governor's Artificial Intelligence Subcabinet of the Governor's Executive Council.	Education Use; Government Use; Impact Assessment; Oversight/Governance; Responsible Use; Studies
Maryland	S 1068	Evaluation and Development of a 3-1-1 Portal	States the intent of the General Assembly that the Department of Information Technology evaluate the feasibility of creating a 3-1-1 portal utilizing AI and that the Department prioritize the creation of the portal if feasible.	Government Use
Massachusetts	H 4885	Firearm Laws	Modernizes firearm laws; establishes the Violence Prevention Federal Reinvestment Trust Fund. Creates a special legislative commission to study and investigate emerging firearm technology. Directs the commission to investigate and study the risks associated with the use of a digital firearm manufacturing code for machine learning and AI.	Government Use; Private Sector Use; Studies
Massachusetts	H 4889	Technology Needs	Provides for the future information technology needs of the commonwealth. Makes appropriations for costs associated with initiatives, projects and expenditures for preparation of plans and specifications, purchase, procurement, acquisition, licensing and implementation of AI and machine learning systems for the various state agencies and instrumentalities of the commonwealth.	Appropriations; Government Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Michigan	H 5507	School Aid	Makes appropriations to aid in the support of public schools, intermediate school districts, community colleges and public universities; makes appropriations for other purposes relating to education; appropriates funding to the Michigan Virtual University to enhance awareness about the responsible utilization of AI in schools.	Appropriations; Education Use
Nebraska	L 1284	Teacher Incentive Programs	Develops a pilot program to make menstrual products available to schools as prescribed; creates the Dyslexia Research Grant Program to research artificial-intelligence-based writing assistance that can be used to assist individuals with dyslexia; makes changes to the Psychology Practice Act and the Nebraska Teacher Recruitment and Retention Act; changes provisions relating to the eligible uses of the Education Future Fund; terminates loan repayment assistance and provide grants to teachers under the Teach in Nebraska Today Act.	Education Use; Health Use
New Hampshire	H 1432	Deepfakes	Prohibits certain uses of deepfakes and creates a private claim of action; establishes the crime of fraudulent use of deepfakes and sets penalties therefor; establishes a cause of action for fraudulent use of deepfakes; prohibits registration of lobbyists who have been found to have fraudulently used deepfakes in certain cases.	Elections
New Hampshire	H 1688	Artificial Intelligence	Relates to the use of AI by state agencies; prohibits state agencies from using AI to manipulate, discriminate against or surveil members of the public.	Government Use; Responsible Use
New Jersey	AR 141	Generative Artificial Intelligence and Content Sharing	Urges generative AI and content sharing platforms to make voluntary commitments to prevent and remove harmful content.	Responsible Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
New Jersey	A 4700	State Budget	Makes appropriations for the support of the state government and the several public purposes for the fiscal year; including funding for AI career and technical education expansion, AI innovation in education grants and AI Innovation Challenge.	Appropriations; Education/Training
New Jersey	S 3432	Artificial Intelligence Investments	Establishes the Next New Jersey Program for Artificial Intelligence Investments; provides that the Economic Development Authority would provide tax credits to eligible businesses, following approval of an application, to eligible AI businesses; provides that eligible AI businesses would include a business or division that is primarily engaged in the AI industry or large-scale AI data center industry.	Effect on Labor/Employment
New Mexico	H 182	Campaign Reporting Act	Provides that if a person creates, produces or purchases an advertisement that contains materially deceptive media, which includes but is not limited to AI, the advertisement shall include a disclaimer; creates the crime of distributing or entering into an agreement with another person to distribute materially deceptive media to, among other things, mislead electors; provides for civil and criminal penalties.	Elections

State	Bill Number	Bill Title	Bill Summary	Focus Area
New York	A 8808	Transportation and Economic Development Budget	Enacts into law major components of legislation necessary to implement the state transportation, economic development and environmental conservation budget for the specified state fiscal year. Amends the economic development law and the urban development corporation act, in relation to establishing the New York State Empire Artificial Intelligence Research Program and the empire AI consortium; and in relation to the plan of operation and financial oversight of the empire AI consortium; and provides for the repeal of certain provisions upon expiration thereof (Subpart A); and authorizes the state university of New York at Buffalo to lease a portion of lands to the empire AI consortium to create and launch a state-of-the-art AI computing center (Subpart B) (Part TT).	Education Use; Private Sector Use
North Carolina	H 591	Sexual Exploitation of a Minor	Establishes sexual extortion offenses, to update offenses related sexual exploitation of a minor, to update sex offender and public protection registration programs, and to clarify the offense of disclosure of private images.	Child Pornography; Criminal Use
North Carolina	S 508	Operations Appropriations Act	Makes technical, clarifies, and other modifications to the current operations appropriations act of the specified year and to other legislation; provides that to account for the demand for certain scholarships, the Board of Governors of the University of North Carolina may reallocate funds appropriated for the North Carolina Patriot Star Family Scholarship Program between the Patriot Foundation and the Marine Corps Scholarship Foundation in each fiscal year funds are made available for the Program.	Appropriations; Health Use; Studies

State	Bill Number	Bill Title	Bill Summary	Focus Area
Oregon	H 4153	Artificial Intelligence	Establishes the Task Force on Artificial Intelligence; provides that the task force shall examine and identify terms and definitions related to AI that are used in technology-related fields and may be used for legislation; provides that the task force shall begin its work by examining the terms and definitions used by the U.S. government and relevant Federal agencies.	Studies
Oregon	S 1571	AI in Campaign Ads	Relates to the use of AI in campaign communications; provides that a campaign communication that includes any form of synthetic media must include a disclosure stating that the image, audio recording or video recording has been manipulated; provides that the secretary of state may institute proceedings to enjoin any violation of this requirement; provides that the court shall impose a civil penalty.	Elections
Oregon	S 5701	State Financial Administration	Relates to state financial administration; increases certain funding to the Department of Corrections; provides that the limitation on expenditures as the maximum limit for payments of grants-in-aid, program costs and purchased services by the Department of Education from the Early Learning Account, for early intervention services and early childhood special education programs, is increased by a specified amount; relates to funding for Early Literacy Success Community Grants; appropriates funds to the University of Oregon Labor Education and Research Center to research the potential workforce impacts across Oregon's key economic industries to understand the impact of automation and AI.	Appropriations; Effect on Labor/Employment; Studies
Pennsylvania	HR 170	Artificial Intelligence	Directs the Joint State Government Commission to establish an advisory committee to conduct a study on the field of AI and its impact and potential future impact.	Government Use; Private Sector Use; Responsible Use; Studies

State	Bill Number	Bill Title	Bill Summary	Focus Area
South Carolina	H 4754	Real Estate Brokers	Outlines requirements for providers of pre-licensing and continuing education courses for real estate brokers, brokers-in-charge, associates, and property managers; establishes administrative citations and penalties and appeals; allows for reciprocal agreements with other jurisdictions, prohibits bad faith agreements, reduces the amount of required classroom instruction for brokers-in-charge, prohibits engaging in, representing others in, or assisting others in the practice of wholesaling. Provides that a licensee under this chapter is responsible for all work product produced by him or with the assistance of AI, machine learning, or similar programs. A violation of this chapter that is committed using these programs will be treated as if the violation was committed directly by the licensee.	Private Sector Use
South Carolina	H 5100	Appropriations and Revenue	Makes appropriations and to provide revenues to meet the ordinary expenses of state government for the fiscal year beginning on a specified date; regulates the expenditure of such funds; provides for the operation of state government during this fiscal year and for other purposes. Appropriations include funding to develop, pilot, and implement a high school curriculum for high school students in an AI (AI) career and technology program.	Appropriations; Education/Training; Education Use
South Dakota	S 79	Child Pornography	Revises provisions related to the possession, distribution and manufacture of child pornography; provides that a person is guilty of possessing child pornography if the person knowingly possesses any visual depiction of a minor engaging in a prohibited sexual act, or in a simulation of a prohibited sexual act, or any computer-generated child pornography; provides that a violation is a Class 4 felony; defines the crime of distributing child pornography.	Child Pornography; Criminal Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Tennessee	H 2325	Artificial Intelligence Advisory Council	Creates the Artificial Intelligence Advisory Council to recommend an action plan to guide awareness, education and usage of AI in state government that aligns with the state's policies and goals and that supports public employees in the efficient and effective delivery of customer service.	Government Use; Studies
Tennessee	S 1711	Use of Artificial Intelligence Technology by Students	Requires the governing board of each public institution of higher education to promulgate rules and requires each local board of education and governing body of a public charter school to adopt a policy, regarding the use of AI technology by students, teachers, faculty and staff for instructional and assignment purposes.	Education Use
Utah	H 249	Utah Legal Personhood Amendments	Addresses legal personhood; prohibits a governmental entity from granting or recognizing legal personhood in certain categories of nonhumans.	Personhood
Utah	H 366	Criminal Justice Amendments	Amends provisions regarding the chair of a Criminal Justice Coordinating Council; amends the crime for an escape; moves the crime for an aggravated escape to a separate statute; addresses the use of an algorithm or a risk assessment tool score in determinations about pretrial release, diversion, sentencing, probation and parole; relates to pretrial risk assessment tools; provides that the court may not rely solely on an algorithm or a risk assessment tool score when making any decision regarding probation.	Government Use; Judicial Use
Utah	H 534	Boards and Commissions Modifications	Modifies boards and commissions; repeals on May 1, 2024, the Deep Technology Talent Advisory Council.	Effect on Labor/Employment

State	Bill Number	Bill Title	Bill Summary	Focus Area
Utah	S 84	Governor's Office of Economic Opportunity	Modifies provisions related to the Governor's Office of Economic Opportunity; revises definitions; modifies the membership of the Governor's Office of Economic Opportunity board; modifies provisions regarding the Unified Economic Opportunity Commission; modifies provisions about the purpose of the Economic Opportunity Act; makes technical and conforming changes.	Education/Training
Utah	S 131	Information Technology Act Amendments	Relates to an audio or visual communication that, among other things, is intended to influence voting for or against a candidate or ballot proposition in an election or primary in the state; provides that an audio communication that contains synthetic audio media shall include specified words audibly at the beginning and end of the communication; provides that a visual communication that contains synthetic media shall display specified words during each portion containing synthetic media.	Elections
Utah	S 149	Artificial Intelligence Amendments	Creates the Artificial Intelligence Policy Act; establishes liability for use of AI (AI) that violates consumer protection laws if not properly disclosed; creates the Office of Artificial Intelligence Policy and a regulatory AI analysis program; enables temporary mitigation of regulatory impacts during AI pilot testing; establishes the Artificial Intelligence Learning Laboratory Program to assess technologies, risks, and policy.	Oversight/Governance; Notification; Private Sector Use
Virginia	H 1083	Office of Education Economics	Relates to Office of Education Economics; relates to administration of the Virginia Education and Workforce Longitudinal Data System; relates to report.	Education Use; Government Use

State	Bill Number	Bill Title	Bill Summary	Focus Area
Virginia	S 487	Use of Artificial Intelligence by Public Bodies	Directs the Joint Commission on Technology and Science (JCOTS), in consultation with relevant stakeholders, to conduct an analysis of the use of AI by public bodies in the commonwealth and the creation of a Commission on Artificial Intelligence. JCOTS shall submit a report of its findings and recommendations to the chairmen of the House Committees on Appropriations and Communications, Technology and Innovation and the Senate Committees on Finance and Appropriations and General Laws and Technology no later than Dec. 1, 2024.	Education Use; Government Use; Impact Assessment; Responsible Use
Virginia	H 6001, Special Session	General Assembly	Relates to the budget bill; provides for all appropriations of the budget submitted by the governor of the commonwealth; provides for a portion of revenues for the specified number of years ending on specified dates. Allows for the commissioner of the department of motor vehicles to issue a request for information to gather proposals on AI technology to assist in completing day-to-day operations, including issuing driver's licenses.	Government Use
Washington	S 5838	Artificial Intelligence Task Force	Establishes a task force to assess current uses and trends and make recommendations to the Legislature regarding guidelines and legislation for the use of AI systems; provides that task force findings and recommendations must include, among other things, a literature review of public policy issues with AI, including benefits and risks to the public broadly and historically excluded communities, racial equity considerations, workforce impacts and ethical concerns.	Effect on Labor/Employment; Government Use; Health Use; Impact Assessment; Private Sector Use; Provenance; Responsible Use; Studies
Washington	S 5950	Fiscal Biennium Supplemental Operating Appropriations	Relates to fiscal matters; makes appropriations; appropriates funds for the city of Seattle to lease space for nonprofit and academic institutions to incubate technology business startups, especially those focusing on AI and develop and teach curricula to skill up workers to use AI as a business resource.	Appropriations; Education/Training

State	Bill Number	Bill Title	Bill Summary	Focus Area
West Virginia	HR 3	Artificial Intelligence Select Committee	Creates a Select Committee on Artificial Intelligence.	Studies
West Virginia	H 5690	State Task Force on Artificial Intelligence	Creates a state Task Force on Artificial Intelligence; sets forth the membership of the same; provides for appointment of members; delineates responsibilities of the task force; provides it complete a report and specifies contents of same; provides a date for termination of the task force.	Education Use; Government Use; Health Use; Private Sector Use; Studies
Wisconsin	A 664	Artificial Intelligence Content Disclosure	Concerns disclosures regarding content generated by AI in political advertisements; grants rule-making authority; provides for a penalty.	Elections
Wyoming	H 1	General Government Appropriations	Makes appropriations for the fiscal biennium; provides definitions; provides for appropriations and transfers of funds for the period of the budget and for the remainder of the current biennium as specified. Funding is appropriated to the University of Wyoming to build AI expertise.	Appropriations; Education Use
