

At the November 14, 2024 meeting of the Legislative Oversight and Investigations Committee, Representative Bowling asked committee analysts to provide a map of cosmetology school locations across the state.

The map below provides the location of 60 cosmetology schools. This map was generated using a list of active cosmetology school addresses provided by the Kentucky Board of Cosmetology on September 16, 2024.

**Figure A**  
**Cosmetology School Locations**  
**As Of September 16, 2024**

Note: Eight cosmetology school locations were excluded because their physical addresses were not included in the data and could not be verified.
