- Week 2: Career Mapping & Virtual Reality Career Exploration
- Week 3: Fatherhood Initiative / Motherhood Programming
- Week 4: Resume Development & Communicating Your Experience
- Week 5: Interviewing Successfully
- Week 6: Conflict Resolution
- Week 7: Ongoing Support and Resourcing

Post Program:

- No less than one year of case management to promote successful re-entry, job attainment and retention
- Collaboration with local businesses to identify job opportunities suitable for participants
- Matching individuals with appropriate employment based on skills and interests

101 Participants served July 2023 – June 202

- 96 graduates from the program
 - 37 graduates employed full-time
 - 3 graduates actively seeking employment (currently interviewing)
 - 32 graduates not yet released from FCDC
- 16 graduates in drug treatment, ineligible for work until completion
- 3 graduates on/seeking disability
- 5 graduates not in compliance
- 34 participants have enrolled in drug/alcohol treatment upon release as a direct result of participating in the Second Chance Academy

- Partnership between Black Males Working Academy, Commerce Lexington, and Jubilee Jobs.
- Programming designed to address <u>educational</u> <u>and professional achievement gaps</u> prevalent among young people of color
- Tailored programming to the unique challenges faced by young people of color.
- Workforce and career readiness workshops aimed at developing soft skills
- Career Exposure
 - Organized trips to job sites, Youth Chamber Trip and our Workforce Development Conference
 - VR Career Exploration
- Internships, career shadowing, and employment

Resource Connection Program

- Needs Analysis
- Resourcing Plan
- Addressing Co-occurring issues

• Pilot:

- 12 Participants
- 10 of 12 have maintained continuous employment over 6-months
 - 1 moved out of state
 - 1 is navigating employment while disabled
- 33% have restored relationship with their kids
- 42% have enrolled in college, trade school, or workready certification
- 42% have received promotions in the past 12 months

The Barriers

Substance Use Disorder – Over 95% of participants have struggled with substance abuse

Lack of affordable housing / transitional living

• Formerly incarcerated individuals are 1,000% more likely to be homeless than the general population

Transportation Issues

• Five A's: affordability, accessibility, applicability, availability, and awareness

Mental Health Challenges

• Per NAMI, about 2 in 5 incarcerated individuals have a history of mental illness (2x higher than general population)

Breakdown of healthy social support system

Debt accumulation – child support arrears, legal fees, etc.

Educational deficits – lack overall marketable skills and education

- Per the National Adult Literacy Survey, 70% of incarcerated adults are functionally illiterate (4th grade level or below)
- •2 out of 5 people entering prison do not have a high school diploma or GED

Lack of identification – drivers license, birth certificate, social security card

Limited case management support

Psychological impacts of incarceration

What can be done?

Subsidy for Transitional Housing Ensure reentering citizens have work-ready documents (ID, SS card, birth certificate)

Increased paratransit infrastructure Funding for expanded case-management services for reentering citizens
