**Kentucky Must Immediately Invest
In its 1915c Waivers**

KENTUCKY ASSOCIATION OF PRIVATE PROVIDERS

Short Term Solutions:

1. Immediate Funding
2. 25% Rate Increase for All Waivers
 - a. This 25% rate increase shall apply to all waivers and all services, with the exception of residential services.
3. Make the Appendix K 50% rate increase for SCL and ABI residential services permanent, without day service attendance exclusions.
4. Maintain the current definition of attendant care as defined in 907 KAR 7:010.

Long Term Recommendations:

1. Sound Rate Structure/Long Term Funding Solutions
 - Cost of Living Adjustments
 - Regular Wage Analysis
 - Funding to support a robust and qualified workforce and true person-centered care.

2. Renew this taskforce for the 2022 interim to accomplish the items listed above.
