## eCCLIX Central - Kentucky Land Records

### Welcome to eCCLIX Central

Software Management, LLC, in conjunction with CCLIX parties, is pleased to present eCCLIX, the Internet version of CCLIX. The indexing, is being utilized in almost two-thirds of Kentucky's counties and realtors have grown to depend upon the CCLIX system in the Kentucky County Clerk's office.

### Why eCCLIX?

With eCCLIX, users can now view or print the documents filed for title follow-up? Why not have eCCLIX right at your closing table for last-minute title follow-ups, estate settlements and appraisals?

### How Do I Sign-up?

#### For Paid Subscriptions

Visit the [subscription page](#) in order to become an eCCLIX subscriber.

We accept Mastercard, Visa, American Express, and Discover. Once you sign up, an e-mail will be sent to you with information about using your subscription.

#### For Public Subscriptions

Please visit the [sign up page](#) to see which counties currently offer public subscriptions.

For more information, contact Software Management's Customer Support.
