Re: 900 KAR 5:020. State Health Plan for facilities and services.

Dear Chairperson:

Upon consideration of the additional public comments from the Kentucky Hospital Association regarding Megavoltage Radiation Review Criteria, the Cabinet for Health and Family Services, Office of Inspector General, requests the attached agency amendment to 900 KAR 5:020 AAC as further amended at ARRS. This amendment removes Megavoltage Radiation Equipment Review Criteria 4 as requested by the Kentucky Hospital Association.

If you have any questions regarding this matter, please contact Josh Hardesty, Executive Director of the Office of Legislative and Regulatory Affairs, at (502) 229-5376.

Sincerely,
