

# Residential (QRTP) program

## OUR YOUTH

- Girls aged 12-17
- 100%
  - Are **unable to be safe** in a home environment
  - Have a confirmed history of **physical and verbal abuse**
  - Have a **history of hospitalizations** and placement disruptions
- 40%+ have **suspected or confirmed history of human trafficking/exploitation**

# Residential (QRTP) program

## Pilot Program

- First of its kind in Kentucky
- Contract with CHFS to support youth with complex needs
- Low-census, high-acuity program for youth requiring specialized care, programming, and single-room occupancy
- Enhanced staffing ratios and oversight

# Partnership with the Cabinet & Legislature

## **Resources from legislature**

- To renovate facilities
- And increase capacity to address these issues

## **Cabinet & Holly Hill working collaboratively on new models**

- Our residential (QRTP) pilot
- Interface between Child Welfare & Justice system
- Support for families – Supervised Visitation
