Re: 915 KAR 1:010. Initial and renewal applications for cannabis business licenses.

Dear Senator Meredith and Representative Moser:

Pursuant to KRS 218B.140, the Cabinet for Health and Family Services (CHFS) has promulgated several regulations to implement the Kentucky Medical Cannabis Program. CHFS Office of Medical Cannabis proposes the attached agency amendment to 915 KAR 1:010. The agency amendment amends language to 915 KAR 1:010 to establish use of a form by applicants making a written request for an administrative hearing following application denial.

If you have any questions regarding the agency amendment, please contact Oran McFarlan, Deputy Executive Director of the Office of Medical Cannabis, at oran.mcfarlan@ky.gov.

Sincerely,
