

A PLACE OF COMFORT AND COMPASSION

The Inpatient Care Center

Designed with compassion at its core, our new Inpatient Care Center will provide a sanctuary of peace and dignity for those nearing the end of life's journey. Situated in the heart of our community, this facility allows us to expand our mission, ensuring that every patient and family has access to the highest quality care, so no one faces serious illness alone.

My family and I want to thank this amazing staff. Letting loved ones go is hard, but the excellent care made the process more comfortable.

PLACES of
COMPASSION

HOSPARUS HEALTH®

For many, home is where life's most cherished moments happen, and it's where most patients wish to stay throughout their hospice journey. A primary goal of our care is to ensure the comfort of our patients and to assist with medication and symptom management of their illness. However, when managing symptoms at home becomes too difficult, both for patients and their families, finding a place that offers not only expert medical care but also the comfort and warmth of home becomes essential.

Currently, we provide inpatient services at the Norton Healthcare Pavilion in downtown Louisville. While our teams at this location offer exceptional care, the hospital setting limits our ability to grow and expand our services.

To better meet these needs of our community, we are building the region's first dedicated **Inpatient Care Center** - offering a compassionate solution that is designed to feel like a peaceful retreat.

Set to break ground in 2025, this state-of-the-art facility will address the medical, physical, emotional, and spiritual needs of those in their final stages of life.

THIS PROJECT ALIGNS WITH OUR MISSION BY:

- Expanding our ability to care for more patients with enhanced facilities
- Easing stress for patients and visitors with ample parking, outdoor spaces, and nearby amenities
- Increasing community healthcare capacity
- Centralizing our inpatient care and grief counseling services, only minutes from our headquarters and local clinical teams

850 PATIENTS & FAMILIES SERVED ANNUALLY

21 PRIVATE & SPACIOUS, HOME-LIKE PATIENT ROOMS

DEDICATED AREAS FOR FAMILIES TO GATHER

PEACEFUL GARDENS & OUTDOOR SPACES

GATHERING ROOM

INSPIRED BY THE TRANQUILITY OF RETREAT CENTERS

The new Inpatient Care Center will offer a serene environment that fosters comfort and connection.

- Patients will stay in spacious rooms that feel more like home than a hospital.
- Family-friendly spaces will encourage the creation of lasting memories, including large, private gathering rooms and an eat-in kitchen.
- Reflective areas, such as a chapel and meditation room, will provide peaceful spaces for contemplation.

PRIVATE FAMILY ROOM

CHAPEL

PEACE AND REFLECTION IN NATURE

The Inpatient Care Center will be surrounded by tranquil outdoor spaces, with a healing garden connecting to the Harshaw Family Grief Counseling Center. This thoughtfully designed landscape will provide a peaceful atmosphere for patients, families, and staff to reflect, rest, and rejuvenate in nature while visiting our campus for inpatient care or grief services.

CARE AT THE HEART OF THE COMMUNITY

Nestled in a serene neighborhood near Cannons and Dutchmans Lane, off I-64 and the Watterson Expressway, the new facility will be easily accessible from Jefferson County and surrounding areas. Families visiting their loved ones will benefit from ample on-site parking, with nearby restaurants, shopping, and lodging options adding comfort and convenience.

HOSPARUS HEALTH®

Building Our Legacy of Compassion

YOUR SUPPORT MAKES THIS VISION POSSIBLE.

For over 45 years, Hosparus Health has been committed to providing comprehensive care that goes beyond the physical to support the holistic needs of patients and families. **Now, we're taking the next step in our journey by creating spaces where all members of our community can find comfort and peace.**

Together, we can build a lasting legacy of compassion that will serve generations to come. **Each donation fuels our ability to transform lives and uplift spirits, offering dignity, hope, and love to all we serve.**

HELP US REACH OUR GOAL

\$13,000,000

Every staff person my family or I talked to was very caring and attentive to our needs and to my mother. From housekeeping to nursing aides, nurses, doctors, and all support staff – were all excellent. I had heard good things about Hosparus Health, but nothing compared to what we received. It was the best care we could have asked for.
