This is the first way voters can verify that Civera does an independent live tabulation of CVRs and we compare the counts against the official report that was published at the time of the election, and we allow the user to do the same by allowing links to both sources.

The screenshot shows the 'Ballot Verifier' website interface. At the top, there is a navigation bar with the following items: ADA COUNTY ELECTIONS, VOTER INFORMATION, ELECTION DATA & RESULTS, CANDIDATES, WORK WITH ELECTIONS, and BALLOT VERIFIER. The main header features the 'Ada County Elections' logo and a search bar with the text 'Quick Search'. Below the header, there is a breadcrumb trail: 'Home > Ballot Verifier > Landing > Search'. The main content area is titled 'SEARCH PAST ELECTIONS'. On the left, there are search filters: 'Search By' with 'YEAR RANGE' and 'ELECTION DATES' buttons, a dropdown for 'All Elections' set to '2022 May 17 - Primary', and a 'Show Advanced Filters' link. Below this, there are two search options: 'Search For CONTESTS' (which is selected) and 'Search For BALLOT QUESTIONS'. The 'Search For CONTESTS' section includes input fields for 'Offices' and 'Candidates', and another 'Show Advanced Filters' link. The 'Search For BALLOT QUESTIONS' section includes dropdowns for 'Question Types' and 'Question Text'. The main content area displays '610 CONTESTS AND BALLOT QUESTIONS' in a grid view. A modal window is overlaid on the first result, showing a 'Verified' status with a blue checkmark and the text: 'All 71,546 Live-Tabulated Votes match the Official County Report.' Below this text are two buttons: 'VIEW BALLOTS' and 'VIEW OFFICIAL REPORT'. The background shows several election results cards for the 2022 May 17 elections in Idaho, including Republican and Democratic Primaries for United States Senator and Representative, and a Libertarian Primary for United States Senator. Each card shows a bar chart of candidates and their vote counts, along with a 'Verified' status and a link to view the official report.

A grid of 255 Cast Vote Records (CVRs) for a contest. Each CVR is represented by a thumbnail image. Most thumbnails show a ballot with a grid of choices, some of which are masked with black boxes. Below each ballot image is a unique alphanumeric ID. Some thumbnails are replaced by a grey shield icon and the text '*****', indicating that the CVR has been masked for privacy. The grid is organized into three rows of seven thumbnails each, with the final row containing only four thumbnails.
